peripatetic true story of a naive son of Urbana, Illinois, who died fighting with guerrillas in El Salvador into the great American novel for our times. Joe Sanderson died in pursuit of a life worth writing about. He was, in his words, a “road bum,” an adventurer and a storyteller, belonging to no place, people, or set of ideas. He was born into a childhood of middle-class contentment in Urbana, Illinois and died fighting with guerillas in Central America. With these facts, acclaimed novelist and journalist Héctor Tobar set out to write what would become *The Last Great Road Bum*. A decade ago, Tobar came into possession of the personal writings of the late Joe Sanderson, which chart Sanderson’s freewheeling course across the known world, from Illinois to Jamaica, to Vietnam, to Nigeria, to El Salvador—a life determinedly an adventure, ending in unlikely, anonymous heroism.

*The Last Great Road Bum* is the great American novel Joe Sanderson never could have written, but did truly live—a fascinating, timely hybrid of fiction and nonfiction that only a master of both like Héctor Tobar could pull off.

Tattoos have gone from badges of rebellion to fashion statements fully absorbed into mainstream culture. They are enjoying a renaissance, with graphic designers and artists creating specialty tattoos for a growing audience, unleashing a revival of interest in the bawdy vintage tattoo. Old school tattoos are being rediscovered

(sometimes ironically, sometimes not) by a new generation. Originally embraced by rebels, sailors, and gangsters, these tattoos—broken hearts, naked girls, floral motifs, and maritime emblems—are now showing up on the fashion runway and in music videos. This book chronicles vintage motifs in thematic chapters interspersed with profiles of influential tattoo artists and their distinctive designs: Sailor Jerry Collins, Don Ed Hardy ("the Godfather of Tattoos"), Mike "Rollo Banks" Malone, Bert Grimm, Japan 's Horiyoshi III, and Shanghai 's Pinky Yun. **Improvement** Penguin

I Am No One You Know contains nineteen startling stories that bear witness to the remarkably varied lives of Americans of our time. In "Fire," a troubled young wife discovers a rare, radiant happiness in an adulterous relationship. In "Curly Red," a girl makes a decision to reveal a family secret, and changes her life irrevocably. In "The Girl with the Blackened Eye," selected for The Best American Mystery Stories 2001, a girl pushed to an even greater extreme of courage and desperation manages to survive her abduction by a serial killer. And in "Three Girls," two adventuresome NYU undergraduates seal their secret love by following, and protecting, Marilyn Monroe in disguise at Strand Used Books on a snowy evening in 1956. These vividly rendered portraits of women, men, and children testify to Oates's compassion for the mysterious and luminous resources of the human spirit. novel yet—an always engrossing, often shocking evocation of female rage, gallantry, and grit. The time is the 1950s. The place is a blue-collar town in upstate New York, where five high school girls join a gang dedicated to pride, power, and vengeance on a world that seems made to denigrate and destroy them. Here is the secret history of a sisterhood of blood, a haven from a world of male oppressors, marked by a liberating fury that burns too hot to last. Above all, it is the story of Legs Sadovsky, with her lean, on-the-edge, icy beauty, whose nerve, muscle, hate, and hurt make her the spark of Foxfire: its guiding spirit, its burning core. At once brutal and lyrical, this is a careening joyride of a novel—charged with outlaw energy and lit by intense emotion. Amid scenes of violence and vengeance lies this novel's greatest power: the exquisite, astonishing rendering of the bonds that link the Foxfire girls together. Foxfire reaffirms Joyce Carol Oates's place at the very summit of American writing.

New York Times bestselling author of *The Falls*, *Blonde*, and *We Were the Mulvanays*, Joyce Carol Oates returns with a dark, wry, satirical tale—inspired by an unsolved American true-crime mystery. year-old Skyler Rampike, the only surviving child of an "infamous" American family. A decade ago the Rampikes were destroyed by the murder of Skyler's six-year-old ice-skating champion sister, Bliss, and the media scrutiny that followed. Part investigation into the unsolved murder; part elegy for the lost Bliss and for Skyler's own lost childhood; and part corrosively funny exposé of the pretensions of upper-middle-class American suburbia, this captivating novel explores with unexpected sympathy and subtlety the intimate lives of those who dwell in Tabloid Hell. Likely to be Joyce Carol Oates's most controversial novel to date, as well as her most boldly satirical, this unconventional work of fiction is sure to be recognized as a classic exploration of the tragic interface between private life and the perilous life of "celebrity." In *My Sister, My Love: The Intimate Story of Skyler Rampike*, the incomparable Oates once again mines the depths of the sinister yet comic malaise at the heart of our contemporary culture.

emotional depth, *Afterparties* offers an expansive portrait of the lives of Cambodian-Americans. As the children of refugees carve out radical new paths for themselves in California, they shoulder the inherited weight of the Khmer Rouge genocide and grapple with the complexities of race, sexuality, friendship, and family. A high school badminton coach and failing grocery store owner tries to relive his glory days by beating a rising star teenage player. Two drunken brothers attend a wedding afterparty and hatch a plan to expose their shady uncle's snubbing of the bride and groom. A queer love affair sparks between an older tech entrepreneur trying to launch a "safe space" app and a disillusioned young teacher obsessed with *Moby-Dick*. Gorgeous Simon and Schuster

The national bestseller and New York Times Notable Book about a young single mother living in New York, her eccentric aunt, and the decisions they make that have unexpected implications for the world around them from one of America's most gifted writers of fiction, "our own country's Alice Munro" (The Washington Post).

Reyna knows her relationship with Boyd isn't perfect, yet as she visits him throughout his three-month stint at Rikers Island, their bond grows tighter. Kiki, now settled in the East Village after a journey that took her to Turkey and around the world, admires her niece's spirit but worries that she always picks the wrong man. Little does she know that the otherwise honorable Boyd is pulling Reyna into a cigarette smuggling scheme, across state lines, where he could risk violating probation. When Reyna ultimately decides to remove herself for the sake of her four-year-old child, her small act of resistance sets into

---

motion a tapestry of events that affect the lives of loved ones and strangers around them. A novel that examines conviction, connection, and the possibility of generosity in the face of loss, *Improvement* is as intricately woven together as Kiki's beloved Turkish rugs, as colorful as the tattoos decorating Reyna's body, with narrative twists and turns as surprising and unexpected as the lives all around us. The Boston Globe says of Joan Silber: "No other writer can make a few small decisions ripple across the globe, and across time, with more subtlety and power." *Improvement* is Silber's most shining achievement yet. "Without fuss or flourishes, Joan Silber weaves a remarkably patterned tapestry connecting strangers from around the world to a central tragic car accident. The writing here is funny and down-to-earth, the characters are recognizably fallible, and the message is quietly profound: We are not ever really alone, however lonely we feel." —The Wall Street Journal
