Curriculum Overview.
Curriculum encompasses
what we want students to
know and be able to do after

a specific course of study. The Texas Essential Knowledge and Skills (TEKS) provide the roadmap for Texas schools and teachers charged with the responsibility of guiding students on their personal learning journey in grades K-12.

Departments - Texas City Independent School District

Instructional Technology
(sometimes referred to as
“educational technology”) is
technology used to support
teaching and learning.

Keeping in mind that
technology is one of many
tools that teachers have at
their disposal, it is important
to remember that
instructional technology
should add to instruction,
not replace it.
