Alexis Knape is returning to TCISD as she enters her 10th year in education. She started her career teaching a broad range of career and technology education (CTE) courses in Pearland ISD. She then taught CTE classes at her alma mater, Texas City High School for six years.

Instructional Technology (sometimes referred to as “educational technology”) is technology used to support teaching and learning. Keeping in mind that technology is one of many tools that teachers have at

their disposal, it is important to remember that instructional technology should add to instruction, not replace it.
