A Kirkus Reviews Best Book of the Year: This memoir "examines love, grief, family and personhood with clear eyes and an open heart" (Emma Straub, New York Times-bestselling author of Modern Lovers). At twenty-eight, Mira Ptacin discovered she was pregnant. Though it was unplanned, she embraced the idea of starting a family and became engaged to Andrew, the father. But five months later, an ultrasound revealed that her child would be born with a constellation of birth defects and no chance of survival outside the womb. Mira was given three options: terminate

the pregnancy, induce early delivery, or wait and inevitably miscarry. In this "rich and vivid" memoir, Mira's story is paired with that of her mother, who emigrated from Poland to the United States, and who also experienced grievous loss when her only son was killed by a drunk driver (Lily King). These deftly interwoven stories offer a picture of mother and daughter finding strength in themselves and each other in the face of tragedy.

Thirteen of Reaksa Himm's immediate family, including both his parents, were executed by the Khmer Rouge under Pol Pot. The young killers marched them from the remote northern village to which they had been exiled, out into the jungle. One by one the machetes fell. Severely wounded, Reaksa was covered by the bodies of his family. His remarkable story of survival is told in 'The Tears of My Soul'. In this second book he describes how he tracked down his family's killers, one by one, embraced them, gave them a scarf of friendship and presented each with a Bible. be fragile, but she's not broken, and it's time people stopped treating her like she is. I'm making Lily mine, and there's only one thing that can stop me: Death. My Soul is Filled with Joy Multnomah

Monica Harris-Day's perfect world begins a downward spiral the afternoon she comes home to find her husband in bed . . . with another man. After confronting Kevin, her husband of two years, Monica discovers he's had a lifelong struggle with homosexuality that began at the age of ten after he was molested by a deacon in the church. For years, Kevin has sought deliverance, crying out to God to make him straight. He explains his deceit by saying that he thought he had truly been delivered when he married Monica, but was afraid to share his past with her for fear she wouldn't

marry him. Kevin begs Monica's forgiveness and wants to save their marriage. He is convinced that God has indeed delivered him from the spirit of homosexuality and that the one-time mistake was just his past coming back to haunt him. Their pastor offers them marital counseling, but Monica suspects he's really concerned about maintaining his mega-ministry. The church has grown to 10,000 members since Kevin became the minister of music. When the pastor swears them to secrecy and urges Monica to stay in the marriage, she thinks Bishop Walker isn't willing to risk the potential scandal and church split that would be caused if the truth were leaked to the congregation. *My Soul Cries Out* is a compassionate look at the issue of Christians struggling with homosexuality and the redemptive power of God to bring deliverance.
