After the first scene, which takes place on a ship at sea during a tempest, the rest of the story is set on a remote island, where the sorcerer Prospero, a complex and contradictory character, lives with his daughter Miranda, and his two servants--Caliban, a savage monster figure, and Ariel, an airy spirit. The play contains music and songs that evoke the spirit of enchantment on the island. It explores many themes, including magic, betrayal, revenge, and family. In Act IV, a wedding masque serves as a play-within-the play, and contributes spectacle, allegory, and elevated language.

The Tempest is a play by William Shakespeare, believed to have been written in 1610-11, and thought by many critics to be the last play that Shakespeare wrote alone. It is set on a remote island, where the sorcerer Prospero, rightful Duke of Milan, plots to restore his daughter Miranda to her rightful place using illusion and skilful manipulation. He conjures up a storm, the eponymous tempest, to cause his usurping brother Antonio and the complicit King Alonso of Naples to believe they are shipwrecked and marooned on the island. There, his machinations bring about the revelation of Antonio's lowly nature, the redemption of the King, and the marriage of Miranda to Alonso's son, Ferdinand. There is no obvious single source for the plot of The Tempest, but researchers have seen parallels in Erasmus's *Naufragium*, Peter Martyr's *De orbe novo*, and eyewitness reports by William Strachey and Sylvester Jordain of the real-life shipwreck of the *Sea Venture* on the islands of Bermuda, and the subsequent conflict between Sir Thomas Gates and Sir George Somers. In addition, one of Gonzalo's speeches is derived from Montaigne's essay *Of the Canibales*, and much of Prospero's renunciative speech echoes a speech by Medea in Ovid's poem *Metamorphoses*. The masque in Act 4 may have been a later addition, possibly in honour of the wedding of Princess Elizabeth and Frederick V in 1613. The play was first published in the First Folio of 1623.

The masque will also instruct the young couple on marriage, and on the value of chastity until then. The masque is suddenly interrupted when Prospero realizes he had forgotten the plot against his life. He orders Ariel to deal with this. Caliban, Trinculo, and Stephano are chased off into the swamps by goblins in the shape of hounds. Prospero vows that once

he achieves his goals, he will set Ariel free, and abandon his magic, saying: I'll break my staff, Bury it certain fathoms in the earth, And deeper than did ever plummet sound I'll drown my book.

Among the most enduring poetry of all time, William Shakespeare's 154 sonnets address such eternal themes as love, beauty, honesty, and the passage of time. Written primarily in four-line stanzas and iambic pentameter, Shakespeare's sonnets are now recognized as marking the beginning of modern love poetry. The sonnets have been translated into all major written languages and are frequently used at romantic celebrations. Known as "The Bard of Avon," William Shakespeare is arguably the greatest English-language writer known. Enormously popular during his life, Shakespeare's works continue to resonate more than three centuries after his death, as has his influence on theatre and literature. Shakespeare's innovative use of character, language, and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists, and some of his most famous lines of dialogue have become part of everyday speech. The play contains music and songs that evoke the spirit of enchantment on the island. It explores many themes including magic, betrayal, revenge, and family. In act four, a wedding masque serves as a play-within-the play, and contributes spectacle, allegory, and elevated language. Though The Tempest is listed in the First Folio as the first of Shakespeare's comedies, it deals with both tragic and comic themes, and modern criticism has created a category of romance for this and others of Shakespeare's late plays. The Tempest has been put to varied interpretations--from those that see it as a fable of art and creation, with Prospero representing Shakespeare, and Prospero's renunciation of magic signaling Shakespeare's farewell to the stage, to interpretations that consider it an allegory of Europeans colonizing foreign lands. A storm strikes a ship carrying Alonso, Ferdinand, Sebastian, Antonio, Gonzalo, Stephano, and Trinculo, who are on their way to Italy after coming from the wedding of Alonso's daughter, Claribel, to the prince of Tunis in Africa. The royal party and the other mariners, with the exception of the unflappable Boatswain, begin to fear for their lives. Lightning cracks, and the mariners cry that the ship has been hit. Everyone prepares to sink. The next scene begins much more quietly. Miranda and Prospero stand on the shore of their island, looking out to sea at the recent shipwreck. Miranda asks her father to do anything he can to help the poor souls in the ship. Prospero assures her that everything is all right and then informs her that it is time she learned more about herself and her past. He reveals to her that he orchestrated the shipwreck and tells her the lengthy story of her past, a story he has often started to tell her before but never finished. The story goes that Prospero was the Duke of Milan until his brother Antonio, conspiring with Alonso, the King of Naples, usurped his position. Kidnapped and left to die on a raft at sea, Prospero and his daughter survive because Gonzalo leaves them supplies and Prospero's books, which are the source of his magic and power. Prospero and his daughter arrived on the island where they remain now and have been for twelve years. Only now, Prospero says, has Fortune at last sent his enemies his way, and he has raised the tempest in order to make things right with them once and for all. In a final speech, Prospero tells the audience that only with their applause will he be able to leave the island with the rest of the party. Prospero leaves the stage to the audience's applause. **The Tempest** Research & Education Assoc.

NEW YORK TIMES BESTSELLER • The beloved author of *The Handmaid's Tale* reimagines Shakespeare's final, great play, *The Tempest*, in a gripping and emotionally rich novel of passion and revenge. "A marvel of gorgeous yet economical prose, in the service of a story that's utterly heartbreaking yet pierced by humor, with a plot that retains considerable subtlety even as the original's back story falls neatly into place."—The New York Times Book Review Felix is at the top of his game as artistic director of the Makeshiweg Theatre Festival. Now he's staging a *Tempest* like no other: not only will it boost his reputation, but it will also heal emotional wounds. Or that was the plan. Instead, after an act of unforeseen treachery, Felix is living in exile in a backwoods hovel, haunted by memories of his beloved lost daughter, Miranda. And also brewing revenge, which, after twelve years, arrives in the shape of a theatre course at a nearby prison. Margaret Atwood's novel take on Shakespeare's play of enchantment, retribution, and second chances leads us on an interactive, illusion-ridden journey filled with new surprises and wonders of its own. Praise for Hag-Seed "What makes the book thrilling, and hugely pleasurable, is how closely Atwood hews to Shakespeare even as she casts her own potent charms, rap-composition included. . . . Part Shakespeare, part Atwood, Hag-Seed is a most delicate monster—and that's 'delicate' in the 17th-century sense. It's delightful."—Boston Globe "Atwood has designed an ingenious doubling of the plot of *The Tempest*: Felix, the usurped director, finds himself cast by circumstances as a real-life version of Prospero, the usurped Duke. If you know the play well, these echoes grow stronger when Felix decides to exact his revenge by conjuring up

a new version of *The Tempest* designed to overwhelm his enemies."—Washington Post "A funny and heartwarming tale of revenge and redemption. . . . Hag-Seed is a remarkable contribution to the canon."—Bustle

In addition, one of Gonzalo's speeches is derived from Montaigne's essay *Of the Canibales*, and much of Prospero's renunciative speech is taken word for word from a speech by Medea in Ovid's poem *Metamorphoses*. The masque in Act 4 may have been a later addition, possibly in honour of the wedding of Princess Elizabeth and Frederick V in 1613. The play was first published in the First Folio of 1623. The story draws heavily on the tradition of the romance, and it was influenced by tragicomedy, the courtly masque and perhaps the *commedia dell'arte*. It differs from Shakespeare's other plays in its observation of a stricter, more organised neoclassical style. Critics see *The Tempest* as explicitly concerned with its own nature as a play, frequently drawing links between Prospero's "art" and theatrical illusion, and early critics saw Prospero as a representation of Shakespeare, and his renunciation of magic as signalling Shakespeare's farewell to the stage. The play portrays Prospero as a rational, and not an occultist, magician by providing a contrast to him in Sycorax: her magic is frequently described as destructive and terrible, where Prospero's is said to be wondrous and beautiful. Beginning in about 1950, with the publication of *Psychology of Colonization* by Octave Mannoni, *The Tempest* was viewed more and more through the lens of postcolonial theory—exemplified in adaptations like Aimé Césaire's *Une Tempête* set in Haiti—and there is even a scholarly journal on post-colonial criticism named after Caliban. The *Tempest* did not attract a significant amount of attention before the ban on the performance of plays in 1642, and only attained popularity after the Restoration, and then only in adapted versions. In the mid-19th century, theatre productions began to reinstate the original Shakespearean text, and in the 20th century, critics and scholars undertook a significant re-appraisal of the play's value, to the extent that it is now considered to be one of Shakespeare's greatest works. It has been adapted numerous times in a variety of styles and formats: in music, at least 46 operas by composers such as Fromental Halévy, Zdeněk Fibich and Thomas Adès; orchestral works by Tchaikovsky, Arthur Sullivan and Arthur Honegger; and songs by such diverse artists as Ralph Vaughan Williams, Michael Nyman and Pete Seeger; in literature, Percy Bysshe Shelley's poem *With a Guitar*, To Jane and W. H. Auden's *The Sea and the Mirror*; novels by Aimé Césaire and *The Diviners* by Margaret Laurence; in paintings by William Hogarth, Henry Fuseli, and John Everett Millais; and on screen, ranging through a hand-tinted version of Herbert Beerbohm Tree's 1905 stage performance, the science fiction film *Forbidden Planet* in 1956, Peter Greenaway's 1991 *Prospero's Books* featuring John Gielgud as Prospero, to Julie Taymor's 2010 film version which changed Prospero to Prospera (as played by Helen Mirren), and Des McAnuff's 2010 Stratford Shakespeare Festival production which starred Christopher Plummer.
