The Temptation of St. Anthony (Dali) - Wikipedia

The Temptation of Saint Anthony (French La Tentation de Saint Antoine) is a novel upon which the French author Gustave Flaubert spent his whole adult life working fitfully. In 1845, at age 24, Flaubert visited the Balbi Palace in Genoa, and was inspired by a painting of the same title, then attributed to Bruegel the Elder (now thought to be by one of his followers). The Temptation of Saint Anthony, 1945 - by Max Ernst

The Temptation of St. Anthony is an engraving, probably created c. 1470-75, by Martin Schongauer of this popular scene in 15th-century art. In it grotesque demons swarm around Saint Anthony the Great, bursting with movement and energy as the saint calmly resists their temptations or blows. St. Anthony is shown with some of his signature attributes, dressed in a monk's religious habit and cowl ...
