Live boldly and act on your most powerful beliefs with this life-changing guide to faith, positive thinking, and spiritual fulfillment. Pastor Joel Osteen asks everyone to examine what he or she really believes. Why is this important? Because we will become what we believe. Our beliefs will prove either a barrier or vehicle as we strive to go higher, rise above our obstacles, and to live in health, abundance, and victory. In *Your Best Life Now*, Osteen says, "I am what I am today because of what I believed about myself yesterday. And I will be tomorrow what I'm believing about myself right now. God sees us as more than conquerors, able to fulfill our destiny. We need to see ourselves through the eyes of our Creator." He says that our self-image should mirror exactly what God says about us, not what we feel or think. And he encourages readers to be people of faith, for if you can see the invisible, God will do the impossible.

To help you take charge of your health, Dr. LaValle also recommends the most effective standard and complementary treatments for dealing with any problematic findings. This is more than just a book. It's an attitude. It's a mentality. It's a lifestyle. The F\*!T List is my journey, my life, my lessons, my successes, and my many failures... in my own words. This is a lifestyle as much as it is an actual list of shit to get done. It is an attitude that bleeds into every aspect of your life. It constantly challenges you to question the norms of society and push the limits of the status quo. Specifically, your status quo. Most importantly, The F\*!t List forces action. It promotes energy and gives life. It allows you to stand up for what you believe, but also helps give perspective on external situations and opinions outside of your control. It's not always comfortable and in many instances, it is downright scary. Yet, instead of searching for the meaning of life, you will be authentically living it. Too often we put limits on ourselves, creating boundaries around what we believe we are capable of. We immerse ourselves in a fixed mindset and make every excuse along the way. I'm too old, I'm too young, I'm too tired, I'm too shy, I'm too weak, I'm not smart enough, I'm not pretty enough, I'm not rich enough, I'm not a good enough athlete..." Bullshit! If there is one TRUTH that I have learned in life, it's that you get out what you put in. The question then becomes, are you willing to put in the work to

For the first time Yuvraj Singh tells the real story behind the 2011 World Cup when on-the-field triumph hid his increasingly puzzling health problems and worrying illnesses. In his debut book *The test of my life*, he reveals how—plagued with insomnia, coughing fits that left him vomiting blood, and an inability to eat—he made a deal with God. On the night before the 2011 ICC Cricket World Cup final, Yuvraj prayed for the World Cup in return for anything God wanted. In this book, he lays bare his fears, doubts, and the lows he experienced during chemotherapy—when he lost his energy, his appetite, and his hair—and his battle to find the will to survive. Poignant, personal, and moving—*The test of my life*—is about cancer and cricket; but more importantly, it is about the human will to fight adversity and triumph despite all odds.
