An argument that the collaborative multimedia projects produced by Stan VanDerBeek in the 1960s and 1970s anticipate contemporary new media and participatory art practices. In 1965, the experimental filmmaker Stan VanDerBeek (1927 – 1984) unveiled his Movie-Drome, made from the repurposed top of a grain silo. VanDerBeek envisioned Movie-Drome as the prototype for a communications system—a global network of Movie-Dromes linked to orbiting satellites that would store and transmit images. With networked two-way communication, Movie-Dromes were meant to ameliorate technology's alienating impulse. In The Experience Machine, Gloria Sutton views VanDerBeek—known mostly for his experimental animated films—as a visual artist committed to the radical aesthetic sensibilities he developed during his studies at Black Mountain College. She argues that VanDerBeek's collaborative multimedia projects of the 1960s and 1970s (sometimes characterized as “ Expanded Cinema ”), with their emphases on transparency of process and audience engagement, anticipate contemporary art's new media, installation, and participatory practices. VanDerBeek saw Movie-Drome not as pure cinema but as a communication tool, an “ experience machine. ” In her close reading of the work, Sutton argues that Movie-Drome can be understood as a programmable interface. She describes the immersive experience of Movie-Drome, which emphasized multi-sensory experience over the visual; display strategies deployed in the work; the Poemfield computer-generated short films; and VanDerBeek's interest, unique for the time, in telecommunications and computer processing as a future model for art production. Sutton argues that visual art as a direct form of communication is a feedback mechanism, which turns on a set of relations, not a technology.

The Complete Book and Lyrics of the Broadway Musical Concord Theatricals

The official playscript of the original West End production of Harry Potter and the Cursed Child. It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest

son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. Based on an original story by J.K. Rowling, John Tiffany and Jack Thorne, the play opened to rapturous reviews from theatregoers and critics alike, while the official playscript became an immediate global bestseller. This revised paperback edition updates the 'special rehearsal edition' with the conclusive and final dialogue from the play, which has subtly changed since its rehearsals, as well as a conversation piece between director John Tiffany and writer Jack Thorne, who share stories and insights about reading playscripts. This edition also includes useful background information including the Potter family tree and a timeline of events from the wizarding world prior to the beginning of Harry Potter and the Cursed Child.

An examination of how nonprofessional archivists, especially media fans, practice cultural preservation on the Internet and how "digital cultural memory" differs radically from print-era archiving.

In Rehearsal Sphere

In Rehearsal is a clear and accessible how-to approach to the rehearsal process. Author Gary Sloan brings more than thirty years' worth of acting experience to bear on the question of how to rehearse both as an individual actor and as part of the team of professionals that underpins any successful production. Interviews with acclaimed actors, directors, playwrights, and designers share a wealth of knowledge on dynamic collaboration. The book is divided in to three main stages, helping the reader to refine their craft in as straightforward and accessible manner as possible: In the world: A flexible rehearsal program that can be employed daily, as well as over a typical four week production rehearsal. In the room: Advice on working independently and productively with other members of a company, such as directors, playwrights, designers and technical crew; how your personal creative process varies depending on the role, be it Shakespeare, musicals, film, television or understudying. On your own: Creating your own rehearsal process, exploring original and famous rehearsal techniques, breaking through actor's block and how to practice every day. In Rehearsal breaks down the rehearsal process from the actor's perspective and equips its reader with the tools to become a generous and resourceful performer both inside and outside the studio. Its independent, creative and daily rehearsal techniques are essential for any modern actor.

This is the personal and deeply passionate story of a life devoted to reclaiming the timeless power of an ancient artistic tradition to comfort the afflicted. For years, theater director Bryan Doerries has led an innovative public health project that produces ancient tragedies for current and returned soldiers, addicts, tornado and hurricane survivors, and a wide range of other at-risk people in society. The originality and generosity of Doerries's work is startling, and The Theater of War--wholly unsentimental, but intensely felt and emotionally engaging--is a humane, knowledgeable, and accessible book that will both inspire and enlighten. Tracing a path that links the personal to the artistic to the social and back again, Doerries shows us how suffering and healing are part of a timeless process in which dialogue and empathy are inextricably linked. With new content written by Justin Muchnick, current high school junior and author of *Peterson's® The Boarding School Survival Guide*, this guide will help you get ready for life after high school.

The Addams Family (Songbook) Cambridge, Mass. : MIT Press

Today, war is more complicated than it has ever been. When considering military strategy, a commander must be aware of several theaters of war. There's ground strength, air power, naval combat and even cyber warfare. In the late 19th century, however, the true military might of a nation rested primarily on the strength of its navy. In 1890, United States Navy Captain Alfred Thayer Mahan published a book titled "The Influence of Sea Power Upon History." The monumental text addressed the importance of both military and commercial fleets in the success of a nation in war and peacetime. Mahan begins with a discussion of the elements he considers to be the key to a nation's success on the seas. He theorizes that a ground force could not sustain the pressure of a naval blockade. Mahan then applies his principles to wars of the past. He analyzes the use of a navy in various engagements and considers the resulting influence on the outcome of the wars. The book was readily accepted by commanders and tacticians all over the world and his principles and theories were utilized throughout the 20th century. His arguments, along with technological advances, were influential in the strengthening of the United States Navy. Presently, Mahan's work is considered the most important work on naval strategy in history.

Twilight--Los Angeles, 1992 Bedford/St. Martin's

From the bestselling author of *Tides of Honour* and *Promises to Keep* comes a poignant novel about a young couple caught on opposite sides of the Second World War. In the fall of 1939, Grace Baker's three brothers, sharp and proud in their uniforms, board Canadian ships headed for a faraway war. Grace stays behind, tending to the homefront and the general store that helps keep her small Nova Scotian community running. The war, everyone says, will be over before it starts. But three years later, the fighting rages on and rumours swirl about "wolf packs" of German U-Boats lurking in the deep waters along the shores of East Jeddore, a stone's throw from Grace's window. As the harsh realities of war come closer to home, Grace buries herself in her work at the store. Then, one day, a handsome stranger ventures into the store. He claims to be a trapper come from away, and as Grace gets to know him, she becomes enamoured by his gentle smile and thoughtful ways. But after several weeks, she discovers that Rudi, her mysterious visitor, is not the lonely outsider he appears to be. He is someone else entirely--someone not to be trusted. When a shocking truth about her family forces Grace to question everything she has so strongly believed, she realizes that she and Rudi have more in common than she had thought. And if Grace is to have a chance at love, she must not only choose a side, but take a stand. *Come from Away* is a mesmerizing story of love, shifting allegiances, and second chances, set against the tumultuous years of the Second World War.

Theatrical Worlds PURE SNOW PUBLISHING

"Regular cabs will not travel to the Pittsburgh Hill District of the 1970s, and so the residents turn to each other. *Jitney* dramatizes the lives of men hustling to make a living as jitneys--unofficial, unlicensed taxi cab drivers. When the boss Becker's son returns from prison, violence threatens to erupt. What makes this play remarkable is not the plot; *Jitney* is Wilson at his most real--the words these men use and the stories they tell form a true slice of life."--The Wikipedia entry, accessed 5/22/2014.
