"I know that many of you here have waited years for this Hour," Mater Motley said, using that voice that, though it was barely conversational in volume, was somehow heard everywhere. "The waiting is over. Tomorrow there will be no dawn. Only midnight, absolute and eternal." And so begins a new chapter in the epic story of sixteen-year-old Candy Quackenbush and her journeys through the world of the Abarat, where every hour is an island in one eternal day, and nothing is as it seems. Candy travels through the Abarat from island to island and across the sea with an unlikely band of friends: the escaped prisoner Malingo the Geshrat, the quarrelsome John Brothers, who all share the same body but never the same opinion, and the many other colorful characters they meet along the way. The problem is that trouble finds Candy wherever she goes. And soon she discovers a secret plot, masterminded by the diabolical Mater Motley, who is obsessed with becoming Empress of the Islands. Her method is simple. She will darken the skies, putting out the suns, moons, and stars. She will bring absolute midnight.

Books of Blood Volume 4 Open Road Media

One quiet spring evening, the animals of the north woods see a great light mushroom up from the human territories. Most ignore it, but Wolf of Shadows, sitting alone on his hill, knows that something is very wrong. The next day dark clouds block out the sun, and an icy black rain comes, washing away the smells of all living things. It gets colder, then colder still. Nuclear winter has begun. As sleet changes to snow in wolf country, a desperate human mother and her daughter appear and join Wolf of Shadows as he leads his pack south. This is the story of their journey through the desolate, frozen wasteland that was once the United States. Always near freezing and starvation, threatened by savage dog packs and marauding humans, the wolves and the two women soon come to depend on one another for survival. Strieber masterfully captures how the wolf interprets the actions of the adopted humans and compares them to the feelings and actions of wolves. As their journey progresses, an unspoken but deeply felt love grows between them. This alone sustains them in their search for a place where life can be reborn. "Wolf of Shadows" is a bold and brutal novel, a compelling tale of survival in the wild, and a unique vision told from the viewpoint of a wolf of the horrors we may bring to every living creature on earth.
