Andersonville Diary, Escape, and List of the Dead Atlantic Books

' A series that started well and grows stronger all the time. Both characterisation and historical detail are impeccable and the plot is intriguing and cleverly interwoven' Mystery People August 1144. Osbern de Lench is known far and wide as a hard master, whose temper is perpetually frayed. After riding to survey his land and the incoming harvest from the top of the nearby hill, his horse returns to the hall riderless and the lifeless body of the lord is found soon after. Was it the work of thieves, or something closer to home? With an heir who is cast in the same hot-tempered mould, sworn enemies for neighbours, and something amiss in the relationship between Osbern and his wife, undersheriff Hugh Bradecote, the wily Serjeant Catchpoll and apprentice Walkelin have suspects aplenty. ' Ms Hawkswood clearly knows her stuff, both as a historian and a crafter of mysteries'

Tess of the d'Urbervilles by Thomas Hardy from Coterie Classics All Coterie Classics have been formatted for ereaders and devices and include a bonus link to the free audio book. "Did it never strike your mind that what every woman says, some women may feel?" ? Thomas Hardy, Tess of the D'Urbervilles Tess of the d'Urbervilles is a heartbreaking tale of a woman going to every length to try and do what is right, only to have fate tease her at each turn.

Transmedia Storytelling and the New Era of Media Convergence in Higher Education Crooked Lane Books

The first in a new series of 12th-century murder mysteries, perfect for fans of Ellis Peters' Brother Cadfael series June 1143: the Lord Bishop of Winchester's Clerk is bludgeoned to death in Pershore Abbey, and laid before the altar in the attitude of a penitent. Everyone who had contact with him had reason to dislike him, but who had reason to kill him? The Sheriff of Worcestershire's thief taker, the wily Serjeant Catchpoll, and his new and unwanted superior, Acting Under-Sheriff Hugh Bradecote, have to find the answer when nobody wants the murderer apprehended—until the next death.

The Friday Book Atlantic Books

"If there were a Guinness Book of World Records entry for 'amount of times having prayed the sinner's prayer,' I'm pretty sure I'd be a top contender," says pastor and author J. D. Greear. He struggled for many years to gain an assurance of salvation and eventually learned he was not alone. "Lack of assurance" is epidemic among evangelical Christians. In *Stop Asking Jesus Into Your Heart*, J. D. shows that faulty ways of presenting the gospel are a leading source of the confusion. Our presentations may not be heretical, but they are sometimes misleading. The idea of "asking Jesus into your heart" or "giving your life to Jesus" often gives false assurance to those who are not saved—and keeps those who genuinely are saved from fully

embracing that reality. Greear unpacks the doctrine of assurance, showing that salvation is a posture we take to the promise of God in Christ, a posture that begins at a certain point and is maintained for the rest of our lives. He also answers the tough questions about assurance: What exactly is faith? What is repentance? Why are there so many warnings that seem to imply we can lose our salvation? Such issues are handled with respect to the theological rigors they require, but Greear never loses his pastoral sensitivity or a communication technique that makes this message teachable to a wide audience from teens to adults.

Death Magic Routledge

Questions about the nature of intelligence and intelligence testing have sparked increasing controversy during the past two decades. The widely held view that intelligence is measureable, and both genetic endowment and environment are key determinants of intelligence, first came under sharp attack during the decade of the 1960s. It was asserted that we do not know what intelligence is, that we do not know how to measure intelligence, and that IQ tests are biased against both minorities and the poor. To determine current opinions among the relevant scientific communities on these issues, the authors used survey research to sample a broad group of experts in educational and developmental psychology as well as those whose specific expertise is intelligence testing. They found that, despite the common understanding to the contrary, most experts continue to believe that intelligence can be measured and that genetic endowment plays an important role in IQ. The central question addressed in this book is why expert opinion and public views toward intelligence and its measurement are so widely divergent. The authors conclude that the public's view of the IQ controversy has been shaped by inaccurate media coverage; and, more importantly, by changes in the nature of American liberalism as well as the key role of civil rights issues in American life. The increasing influence of new strategic elites in the United States, and the changing role of the mass media, have profoundly affected the character of scientific information communicated to the general public and how it is communicated.

A History of Rome and Floyd County, State of Georgia, United States of America Addison-Wesley Professional

The Great Fire has reduced London to smouldering embers. From the ashes, thief taker Charlie Tuesday is drawn to investigate a string of strange murders. Mutilated corpses are washing up at Deptford, each marked with a dire astrological prediction. But only London's best crime-solver realises the killer's deadly offerings will soon unleash a devastating force on England. With the help of Lily Boswell, a gypsy street-girl with a knife and a grudge, Charlie must find the killer and put a stop to the murders. And by doing so, the Thief Taker will find the man whose terrible destiny is entwined with his, their fates written in the dark stars...

The Scarlet Code The Thief Taker

Will Hugh Corbett be able to discover the truth before London is overrun by a sinister secret society? Satan in St Mary's is the first thrilling book in the acclaimed Hugh Corbett series from Paul Doherty. Perfect for fans of Ellis Peters and Susanna Gregory. 'Vitality in the cityscape... angst in the mystery; it's Peters minus the herbs but plus a few crates of sack' - Oxford Times 1284 and Edward I is battling a traitorous movement founded by the late Simon de Montfort, the rebel who lost his life at the Battle of Evesham in 1258. The Pentangle, the movement's underground society whose members are known to practice the black arts, is thought to be behind the apparent suicide of Lawrence Duket, one of the King's loyal subjects, in revenge for Duket's murder of one of their supporters. The King, deeply suspicious of the affair, orders his wily Chancellor, Burnell, to look into the matter. Burnell chooses a sharp and clever clerk from the Court of King's Bench, Hugh Corbett, to conduct the investigation. Corbett - together with his manservant, Ranulf, late of Newgate - is swiftly drawn into the tangled politics and dark and dangerous underworld of medieval London. Will Corbett be able to find the truth before London is overrun by the Pentangle? What readers are saying about Satan in St Mary's: 'Doherty has a gift for bringing distant ages alive and for populating his books with endearing, believable characters' 'Doherty makes this period come to life' 'Excellent reading, I had difficulty in putting the book down!' Back to Creative Writing School Thomas & Mercer A New York Times Best New Historical Novel of 2021 "Potent... fast-paced..." - The New York Times Book Review "Wonderfully imagined and wonderfully written . . . Superb!" -- Lee Child Part Wolf Hall, part The Name of the Rose, a riveting new literary thriller set in Restoration London, with a cast of real historic figures, set against the actual historic events and intrigues of the returned king and his court ... The City of London, 1678. New Year 's Day. Twelve years have passed since the Great Fire ripped through the City. Eighteen since the fall of Oliver Cromwell and the restoration of a King. London is gripped by hysteria, and rumors of Catholic plots and sinister foreign assassins abound. When the body of a young boy drained of his blood is discovered on the snowy bank of the Fleet River, Robert Hooke, the Curator of Experiments at the just-formed Royal Society for Improving Natural Knowledge, and his assistant Harry Hunt, are called in to explain such a ghastly finding—and whether it's part of a plot against the king. They soon learn it is not the first bloodless boy to have been discovered. Meanwhile, that same morning Henry Oldenburg, the Secretary of the Royal Society, blows his brains out, and a disgraced Earl is released from the Tower of London, bent on revenge against the King, Charles II. Wary of the political hornet 's nest they are walking into – and using scientific evidence rather than paranoia in their pursuit of truth – Hooke and Hunt must discover why the boy was murdered, and why his blood was taken. The Bloodless Boy is an absorbing literary thriller that introduces two new indelible heroes to historical crime fiction. It is also a powerfully atmospheric recreation of the darkest corners of Restoration London, where the Court and the underworld seem to merge, even as the light of scientific inquiry is starting to emerge ...

#### Why Love Matters Allison & Busby Ltd

'Blown to Bits' is about how the digital explosion is changing everything. The text explains the technology, why it creates so many surprises and why things often don't work the way we expect them to. It is also about things the information explosion is destroying: old assumptions about who is really in control of our lives.

#### Routledge

Why Love Matters explains why loving relationships are essential to brain development in the early years, and how these early interactions can have lasting consequences for future emotional and physical health. This second edition follows on from the success of the first, updating the scientific research, covering recent findings in genetics and the mind/body connection, and including a new chapter highlighting our growing understanding of the part also played by pregnancy in shaping a baby 's future emotional and physical well-being. The author focuses in particular on the wide-ranging effects of early stress on a baby or toddler 's developing nervous system. When things go wrong with relationships in early life, the dependent child has to adapt; what we now know is that his or her brain adapts too. The brain 's emotion and immune systems are particularly affected by early stress and can become less effective. This makes the child more vulnerable to a range of later difficulties such as depression, anti-social behaviour, addictions or anorexia, as well as physical illness.

USA Today bestseller For five centuries, a witch 's curse has bound the trolls to their city beneath the ruins of Forsaken Mountain—time enough for their nefarious magic to fade from human memory and into myth. But a prophecy has spoken of a union that will set the trolls free, and when Cé cile de Troyes is taken beneath the mountain, she learns there is far more to the myth than she could have imagined. Cé cile has only one thing on her mind after she is brought to Trollus: escape. But if she is to succeed, she must bide her time and find a way to outsmart the clever, fast, and inhumanly strong trolls that hold her captive. But while awaiting the perfect opportunity, Cé cile unexpectedly falls for the enigmatic troll prince to whom she has been bonded and married. Their love gradually changes her perspective, opening her heart to new friends and opening her eyes to the hardships of the enslaved half-troll, half-human creatures of Trollus. As rebellion brews and the political games of Trollus escalate, Cé cile becomes more than a trapped father 's daughter. She becomes a princess, a witch, and the hope of a people—someone who has the power to change Trollus forever.

"While Quinn writes with spirit on weighty subjects like domestic abuse, polygamy and religious cults, her primary and most poignant theme seems to be female friendship." —New York Times Book Review "An absolutely thrilling novel. I devoured it over a weekend, unable to put it down. It's a clever and completely original take on a domestic thriller." —Alex Michaelides, author of the #1 New York Times bestseller The Silent Patient Blake's dead. They say his wife killed him. If so... which one? Polygamist Blake Nelson built a homestead on a hidden stretch of land—a raw paradise in the wilds of

Utah—where he lived with his three wives: Rachel, the first wife, obedient and doting to a fault, with a past she'd prefer to keep quiet. Tina, the rebel wife, everything Rachel isn't, straight from rehab and the Vegas strip. And Emily, the young wife, naive and scared, estranged from her Catholic family. The only thing that they had in common was Blake. Until all three are accused of his murder. When Blake is found dead under the desert sun, all three wives become suspect—not only to the police, but to each other. As the investigation draws them closer, each wife must decide who can be trusted. With stories surfacing of a notorious cult tucked away in the hills, whispers flying about a fourth wife, and evidence that can't quite explain what had been keeping Blake busy, the three widows face a reckoning that might shatter all they know to be true. For fans of *The Wife Between Us* and *The Dry* comes a chilling murder mystery that takes a domestic thriller's classic question—"Did his wife kill him?"—and twists it into an completely new type of suspense.

R is for Ricochet Penguin

"The year is 1665...When a girl is gruesomely murdered, thief taker Charlie Tuesday reluctantly agrees to take on the case. But the horrific remains tell him this is no isolated death. The killer's mad appetites are part of a master plan that could destroy London, and reveal the dark secrets of Charlie's own past. Now the thief taker must find this murderous mastermind before the plague obliterates the evidence street by street"--Back cover.

An Elizabethan spy chases a double agent across Europe in this historical mystery series debut—" Think James Bond for the 17th-century crowd " (Library Journal). At the dawn of the seventeenth century, England continues to be entangled in wars with Spain and Ireland for many years. The country crackles with unease in the waning years of Queen Elizabeth ' s reign, and intelligencer Martin Marbeck has just received a vital message from his spymaster, Sir Robert Cecil: the existence of a spy has been discovered, a double agent code named Morera. A master of disguise and fluent in the argot of secrets and lies, Marbeck must uncover the true identity of this traitor quickly, while evading dangerous Spanish spies, before rumors of the young King Philip III forming a new Armada prove themselves to be true. " A gripping, entertaining page-turner. " —Booklist, starred review " [Pilkington ' s] Tudor-era spy novel oozes intrigue and dramatically captures the unsettled mood of the times. " —Library Journal " Pilkington introduces an intriguing new hero in the dashing Marbeck in an eventful tale packed with the usual Elizabethan minutiae. "

From the bestselling e-book sensation of *The Thief Taker* series comes a thrilling and sumptuous novel set during the early days of the French Revolution. 'A rip-roaring adventure.' Tessa Harris, author of the *Dr Thomas Silkstone Mysteries*

'He was alive when he went in the mortuary.' 1789. The Bastille is marked for destruction. Skirmishes in the city are rife and revolution is in the air. When a gruesomely murdered rebel is found in the prison morgue, a plot is suspected. English spy, Attica Morgan, is laying low after an abortive mission. So when she's given an assignment inside the Bastille, her instinct is to run. Instead, she's offered a pardon, in return for solving the mystery of the dead revolutionary; and exposing a plot that leads to Marie Antoinette. But as tensions rise to breaking point in the city, Attica quickly realises she's in a race against time. Soon there could be no Bastille to investigate. 'Incredible! It's the best action adventure novel I've ever read... A fantastic achievement that has blown me away with its ingenuity, scope and breathless pace.' Louise Voss, author of the *Detective Lennon* series

The Confidence Trap Springer

In this #1 New York Times bestseller in Sue Grafton's Alphabet series, private investigator Kinsey Millhone has her hands full when a job that should be easy money takes a turn for the worse. Reba Lafferty was a daughter of privilege, the only child of an adoring father. Nord Lafferty was already in his fifties when Reba was born, and he could deny her nothing. Over the years, he quietly settled her many scrapes with the law, but wasn't there for her when she was convicted of embezzlement and sent to the California Institution for Women. Now, at thirty-two, she's about to be paroled, having served twenty-two months of a four-year sentence. Her father wants to be sure Reba stays straight, stays home and away from the drugs, the booze, and the gamblers... It seems a straightforward assignment for Kinsey: babysit Reba until she settles in, make sure she follows all the niceties of her parole. Maybe a week ' s work. Nothing untoward—the woman seems remorseful and friendly. And the money is good. But life is never that simple, and Reba is out of prison less than twenty-four hours when one of her old crowd comes circling round...

The Bloodless Boy Piatkus Books

London 1663. A murdered girl. An attic full of charms ...Charlie Tuesday has a new case. A maid-servant has been brutally murdered, leaving an array of strange protectorates in her attic room. Stolen from her body was a silver thimble which no-one can explain how she came to have. Was the dead girl warding off something more sinister than bad luck? As London's best thief-taker begins tracking the killer, nothing is what it seems. CS Quinn is the bestselling author of *The Thief Taker* series. *Death Magic* is a short read which can be read as part of the series or as a standalone mystery.
