Congressman John Lewis (GA-5) is an American icon, one of the key figures of the civil rights movement. His commitment to justice and nonviolence has taken him from an Alabama sharecropper's farm to the halls of Congress, from a segregated schoolroom to the 1963 March on Washington, and from receiving beatings from state troopers to receiving the Medal of Freedom from the first African-American president. Now, to share his remarkable story with new generations, Lewis presents *March*, a graphic novel trilogy, in collaboration with co-writer Andrew Aydin and New York Times best-selling artist Nate Powell (winner of the Eisner Award and LA Times Book Prize finalist for *Swallow Me Whole*). *March* is a vivid first-hand account of John Lewis' lifelong struggle for civil and human rights, meditating in the modern age on the distance traveled since the days of Jim Crow and segregation. Rooted in Lewis' personal story, it also reflects on the highs and lows of the broader civil rights movement. Book One spans John Lewis' youth in rural Alabama, his life-changing meeting with Martin Luther King, Jr., the birth of the Nashville Student Movement, and their battle to tear down segregation through nonviolent lunch counter sit-ins, building to a stunning climax on the steps of City Hall. Many years ago, John Lewis and other student activists drew inspiration from the 1958 comic book *Martin Luther King and the Montgomery Story*. Now, his own comics bring those days to life for a new audience, testifying to a movement whose echoes will be heard for generations.

I rescued Sabrina from a mafia bloodbath when she was thirteen. Doing right by her became a priority for me, even while I was busy as the new head of the Philly syndicate. I sent her to the best boarding schools and kept her as far away from the life as possible. It worked perfectly. Until she turned 18. Until she came home. Until I realized that the timid girl was gone and in her place lived a smart mouth, a wicked imagination, and a body that demanded my attention. Who am I? I'm F\*cked. Nice to meet you.

## The Queer Advantage Simon and Schuster

An accessible, beautifully crafted and heartbreakingly topical novel about PTSD and the unseen effects of global conflict on ordinary lives. Beyond the bright lights and casinos lies the real Las Vegas, a forces town. In the predawn hours, a woman's marriage crumbles with a single confession. Across the city, Bashkim, the young son of an immigrant family, observes how they are struggling to get by in the land of opportunity. Three thousand miles away on the other side of the United States, a soldier, recently returned from active service in Iraq, wakes up in hospital with the feeling he's done something awful. In Laura McBride's heartbreaking and authentic novel, these disparate lives are brought together by one split-second choice; this is a story about families, the ones we are born to and the ones we choose to make. Faced with seemingly insurmountable loss, each person must decide whether to give in to despair, or to find the courage and resilience to rise. 'A powerful story of the way in which war detonates far from battlefields, exploding lives in a single irrevocable moment. We Are Called to Risereverberated long after I'd put it down. I can't stop thinking about it' Sarah Blake, *The Postmistress* 'A haunting and unforgettable debut' Marie Claire 'Compelling, emotional and heart-breaking' Sun 'Packs a raw, emotional power' Sunday Mirror 'Like Donna Tartt's... *The Goldfinch*, it strips a layer of gloss off the Las Vegas myth by moving to the families populating suburbia' Grazia

NATIONAL BESTSELLER • A family returns to their hometown—and to the dark past that haunts them still—in this masterpiece of literary horror by the New York Times bestselling author of *Wanderers* “The dread, the scope, the pacing, the turns—I haven't felt all this so intensely since *The Shining*.”—Stephen Graham Jones, New York Times bestselling author of *The Only Good Indians* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE NEW YORK PUBLIC LIBRARY AND LIBRARY JOURNAL Long ago, Nathan lived in a house in the country with his

abusive father—and has never told his family what happened there. Long ago, Maddie was a little girl making dolls in her bedroom when she saw something she shouldn't have—and is trying to remember that lost trauma by making haunting sculptures. Long ago, something sinister, something hungry, walked in the tunnels and the mountains and the coal mines of their hometown in rural Pennsylvania. Now, Nate and Maddie Graves are married, and they have moved back to their hometown with their son, Oliver. And now what happened long ago is happening again . . . and it is happening to Oliver. He meets a strange boy who becomes his best friend, a boy with secrets of his own and a taste for dark magic. This dark magic puts them at the heart of a battle of good versus evil and a fight for the soul of the family—and perhaps for all of the world. But the Graves family has a secret weapon in this battle: their love for one another.

Does your home tell the story of who you are? In *The Things That Matter*, Nate Berkus shares intimate stories from his life, introduces us to people who influenced him and helped him forge his sense of style, and opens up about the remarkable experiences that have left him forever changed, all of which find expression in how he lives today. From his most cherished flea market finds, to his beloved books and photos, to the many extraordinary mementos he's collected in his travels, every piece defines who he's become and what endures in his world. Berkus invites readers into his own home as well as into twelve others, including a sleek steel-and-glass high-rise that soars above Chicago, a rustic cottage in the Hudson Valley, an ultra-chic atelier that maximizes every inch of space, a Greenwich Village townhouse that holds multiple art collections, and a study in meaningful minimalism in Marfa, Texas. The distinctive interiors beautifully displayed in this book offer revealing portraits of their owners' lives and the inspiring choices that have made them who they are today. *The Things That Matter* convincingly lays out Nate Berkus's philosophy that things do matter. Our homes tell our stories, they reflect the places we've been and the people we've loved along the way—and there can be no more beautiful design for living than that. A moving new middle-grade novel from the Newbery Honor author of *RULES*. When Lucy's family moves to an old house on a lake, Lucy tries to see her new home through her camera's lens, as her father has taught her -- he's a famous photographer, away on a shoot. Will her photos ever meet his high standards? When she discovers that he's judging a photo contest, Lucy decides to enter anonymously. She wants to find out if her eye for photography is really special -- or only good enough. As she seeks out subjects for her photos, Lucy gets to know Nate, the boy next door. But slowly the camera reveals what Nate doesn't want to see: his grandmother's memory is slipping away, and with it much of what he cherishes about his summers on the lake. This summer, Nate will learn about the power of art to show truth. And Lucy will learn how beauty can change lives . . . including her own.

THE FUTURE IS HERE AND IT DOESN'T NEED YOU In Nate Kenyon's *Day One*, scandal-plagued hacker journalist John Hawke is hot on the trail of the explosive story that might save his career. James Weller, the former CEO of giant technology

company Eclipse, has founded a new start-up, and he's agreed to let Hawke do a profile on him. Hawke knows something very big is in the works at Eclipse---and he wants to use the profile as a foot in the door to find out more. After he arrives in Weller's office in New York City, a seemingly normal day quickly turns into a nightmare as anything with an Internet connection begins to malfunction. Hawke receives a call from his frantic wife just before the phones go dead. Soon he and a small band of survivors are struggling for their very lives as they find themselves thrust into the middle of a war zone---with no obvious enemy in sight. The bridges and tunnels have been destroyed. New York City is under attack from a deadly and brilliant enemy that can be anywhere and can occupy anything with a computer chip. Somehow Hawke must find a way back to his pregnant wife and young son. Their lives depend upon it . . . and so does the rest of the human race.

RUN, the Eisner Award-Winner for Best Graphic Memoir, is one of the most heralded books of the year including being named a: New York Times Top 5 YA Books of the Year · Top 10 Great Graphic Novels for Teens (Young Adult Library Services Association) · Washington Post Best Books of the Year · Variety Best Books of the Year · School Library Journal Best Books of the Year · Kirkus Reviews Best Books of the Year · Amazon Best History Book of 2021 • Top Ten Title of the Year (In the Margins Book Award) · In the Margins Book Award for Nonfiction winner · Top Ten Graphic Novels for Adults (American Library Association) · Best Books for Young Readers (U of Penn Graduate School of Education) · Books All Young Georgians Should Read (Georgia Center for the Book) First you march, then you run. From the #1 bestselling, award-winning team behind *March* comes the first book in their new, groundbreaking graphic novel series, *Run: Book One*. “*Run* recounts the lost history of what too often follows dramatic change—the pushback of those who refuse it and the resistance of those who believe change has not gone far enough. John Lewis’s story has always been a complicated narrative of bravery, loss, and redemption, and *Run* gives vivid, energetic voice to a chapter of transformation in his young, already extraordinary life.” —Stacey Abrams “In sharing my story, it is my hope that a new generation will be inspired by *Run* to actively participate in the democratic process and help build a more perfect Union here in America.” —Congressman John Lewis The sequel to the #1 New York Times bestselling graphic novel series *March*—the continuation of the life story of John Lewis and the struggles seen across the United States after the Selma voting rights campaign. To John Lewis, the civil rights movement came to an end with the signing of the Voting Rights Act in 1965. But that was after more than five years as one of the preeminent figures of the movement, leading sit-in protests and fighting segregation on interstate busways as an original Freedom Rider. It was after becoming chairman of SNCC (the Student Nonviolent Coordinating Committee) and being the youngest speaker at the March on Washington. It was after helping organize the Mississippi Freedom Summer and the ensuing delegate challenge at the 1964 Democratic National Convention. And after coleading the march from Selma to Montgomery on what became known as “Bloody Sunday.” All too often, the depiction of history ends with a great victory. But John Lewis knew that victories are just the beginning. In *Run: Book One*, John Lewis and longtime collaborator Andrew Aydin reteam with Nate Powell—the award-winning illustrator of the *March* trilogy—and are joined by L. Fury—making an astonishing graphic

novel debut—to tell this often overlooked chapter of civil rights history.

**Big Nate on a Roll** Abrams

Reclaim your attention, productivity, and happiness with this “captivating, informative and beautifully written” book by learning how to keep your focus on one familiar task at a time (Nate Berkus). Modern life is full of to-do lists, all-consuming technology and the constant pressure to be doing and striving for more. What if you could train your brain to focus on one thing at a time? What if the secret to better productivity involved doing less, not more? Drawing on research in psychology, neuroscience, and mindfulness, *The Twelve Monotasks* provides a clear and accessible plan for life in the twenty-first century. Practice resisting distractions and building focus by doing the things you already do—like reading, sleeping, eating, and listening—with renewed attention. For example, the next time you go for a walk, don’t try to run an errand or squeeze in a phone call, but instead, notice the cool breeze on your face and the plants and birds that may cross your path. Immerse yourself in the activity and let time melt away, even if you’re only actually out for 20 minutes.

Notice how much clearer your head feels when you return home. This is the magic of monotasking. With monotasking you will: Become more productive Produce higher quality work Reduce stress And increase happiness. Thatcher Wine’s *The Twelve Monotasks* will help you do one thing at a time, and do it well, so you can enjoy all of your life!
