Blood of the Fold Tor Books
Three King Richards ruled England in the Middle Ages. All had memorable reigns. Richard I was a crusading hero; Richard II was an authoritarian aesthete who was deposed and murdered; Richard III was the most famous villain in English history, locking his nephews in a tower to secure his reign. This highly readable joint biography shows how much the three kings had in common.. All

were younger sons, not expected to come to the throne; all failed to produce an heir, leaving instability on their deaths; all were cultured and pious; and all died violently. For centuries, these three kings have attracted accusations but also fascination, being immortalized in theater, movies, myths, and books. In Three Richards, Nigel Saul shows why.

"Severed Souls -- A sweeping new novel of Richard Rahl, Kahlan Amnell, and their world from New York Times Bestselling author, Terry Goodkind"--

The Diablo: The Kingdom of Shadow
Hachette UK

Here are the writings of the man who was the great link between the early Christian mystics and the mystical awakening in medieval Europe. Richard (?-1173) was

born in Scotland and joined the Abbey of St. Victor in Paris, where he became Superior and Prior.

The Three Richards Quercus

Defined by the messianic, iconic figure of Adolf Hitler, the twelve years of the Third Reich were one of the pivotal periods of the modern age. From small beginnings in the 1920s, the Nazi Party rose to a position of absolute power in Germany, bringing with it the militarization of society, the apparatus of state terror and vicious discrimination against political opponents, the gypsies, homosexuals, and, above all, the Jews. Hitler's ambition thrust the world into a destructive and bloody conflict that led to the annihilation of millions of Europeans and, eventually, the total collapse of his regime. *The Third Reich: A Chronicle* charts the rise and fall of Nazi power in a concise and compelling narrative of the period, amplified by extensive quotations from documents, letters, diaries and oral testimony.

Authoritative, informative and sumptuously illustrated, written by a scholar steeped in knowledge of the period, *The Third Reich: A Chronicle* brings the bloody realities of war, conquest and genocide vividly to life.

The Rite Fortress Press

The myth of a Christian America fuels a powerful political force sure of its moral superiority and intent on implementing a Christian nationalist agenda. Richard T. Hughes and Christina Littlefield draw on discussions of civil religion and forms of nationalism to explore the complex legal and cultural arguments for a Christian America. The authors also provide an in-

depth examination of the Bible's words on the "chosen nation" and "kingdom of God" that Christian nationalists quote to support the idea of the US as a Christian nation. A timely new edition of the acclaimed work, *Christian America and the Kingdom of God* spotlights how the centuries-long pursuit of a Christian America has bred an aggressive white Christian nationalism that twists faith, unleashes unchristian behavior, and threatens the nation.

Persuader University of Illinois Press

An unearthly adversary descends on an idyllic fantasy world, corrupting magic against good and slaughtering innocents, and only a single man can stop him.

Unholy Burns & Oates

Terry Goodkind returns to the lives of Richard Rahl and Kahlan Amnell—in *The Third Kingdom*, the direct sequel to his #1 New York Times bestseller *The Omen Machine*. Richard saw the point of a sword blade sticking out from between the man's shoulder blades. He spun back toward Richard after throwing the woman out the opening, ready to attack. It seemed impossible, but the man looked unaffected by the blade that had impaled him through the chest. It was then, in the weak light from the fire pit off to the side, that Richard got his first good look at the killer. Three knives were buried up to their

brass cross-guards in the man's chest. Only the handles were showing. Richard saw, too, the broken end of a sword blade jutting out from the center of the man's chest. The point of that same blade stuck out from the man's back. Richard recognized the knife handles. All three were the style carried by the men of the First File. He looked from those blades that should have killed the big man, up into his face. That was when he realized the true horror of the situation, and the reason for the unbearable stench of death. Digging for Richard III: The Search for the Lost King (Revised and Expanded) Macmillan

The acclaimed and comprehensive account of Germany's transformation under Hitler's total rule and the inexorable march to war, by the author of *The Coming of the Third Reich*, *The Third Reich at War*, and *Hitler's People* "[Evans's] three-volume history . . . is shaping up to be a masterpiece. Fluidly narrated, tightly organized and comprehensive." —The New York Times "Mr. Evans's magisterial study should be on our shelves for a long time to come." —The Economist By the middle of 1933, the democracy of the Weimar Republic had been transformed into the police state of the Third Reich, mobilized around the cult of the leader, Adolf Hitler. In *The Third Reich in Power*, Richard

J. Evans chronicles the incredible story of Germany's radical reshaping under Nazi rule. As those who were deemed unworthy to be counted among the German people were dealt with in increasingly brutal terms, Hitler's drive to prepare Germany for the war that he saw as its destiny reached its fateful hour in September 1939. This is the fullest and most authoritative account yet written of how, in six years, Germany was brought to the edge of that terrible abyss.

Confessor Thames & Hudson Terry Goodkind's New York Times bestseller, *Warheart*, is the direct sequel to, and the conclusion of, the story begun in *The Omen Machine*, *The Third Kingdom*, and *Severed Souls*. All is lost. Evil will soon consume the D'Haran Empire. Richard Rahl lies on his funeral bier. It is the end of everything. Except what isn't lost is Kahlan Amnell. Following an inner prompting beyond all reason, the last Confessor will wager everything on a final desperate gambit, and in so doing, she will change the world forever. accident leads to the discovery
of a mysterious machine that has
rested hidden deep underground
for millennia. The machine
awakens to begin issuing a
series of increasingly alarming
omens, which turn out to be
astonishingly accurate, and
ominous. As Zedd tries to figure
out how to destroy the sinister
device, the machine issues a
cataclysmic omen involving
Richard and Kahlan, foretelling
an impending event beyond
anyone's ability to stop. The
Third Kingdom Infected with the
essence of death itself, robbed
of his power as a war wizard,
Richard must uncover and stop
the growing infernal conspiracy.
His allies are captives, and
Kahlan, also touched by death's
power, will die completely if
Richard fails. Bereft of magic,
Richard has his sword, his wits,
his capacity for insight—and an
extraordinary companion,
Samantha, a healer just coming
into her powers. Severed Souls
From the far reaches of the
D'Haran Empire, Bishop Hannis
Arc and the ancient Emperor
Sulachan lead a vast horde of
Shun-Tuk and other depraved
"half-people" into the Empire's
heart, raising an army of the
dead in order to threaten the
world of the living. Rahl and
Kahlan Amnell must defend
themselves and their followers
from a series of terrifying
threats, despite a magical
sickness that depletes their
strength and which, if not
cured, will take their lives...

A Sword of Truth Set: Richard and Kahlan

John Wiley & Sons
Richard Rahl and Kahlan Amnell confront an apocalyptic nightmare in this irresistibly tense, utterly terrifying, near-thousand-page return to Terry Goodkind's 26-million-copy bestselling Sword of Truth world. The insatiable hunger of the Golden Goddess... The irresistible power of a

Witch's Oath... A fracture in the world of life... An opening in the world of death... Richard Rahl and Kahlan Amnell face the perfect storm. The Children of D'Hara picks up immediately after the conclusion of the Sword of Truth series in one breathtakingly compelling, powerful, blockbuster novel. Previously published in five parts: The Scribbly Man, Hateful Things, Wasteland, Witch's Oath, Into Darkness. *Warheart* Wizards of the Coast The Seeker of Truth takes his rightful place as the new ruler of D'Hara in the third novel of the #1 New York Times-bestselling author's epic fantasy series. After escaping from the Palace of Prophets, Richard comes to terms with his true identity as a War Wizard. But when he brings down the barrier between the Old and New Worlds, the Imperial Order suddenly poses a threat to the the freedom of all humankind. As the Imperial Order sends delegations and armies into the New World, Richard's only chance to stop the invasion is to claim his heritage as the new Lord Rahl and ruler of D'Hara. But convincing the D'Harans of his legitimacy won't be easy. Meanwhile, a powerful enemy is on the trail of Richard's love, Kahlan Amnell. And when the spell Richard cast to protect her is broken, he must martial his newfound authority—and the armies that come with it—to save her life.

The First Confessor Macmillan
From the award-winning

historian, war reporter, and author Damien Lewis (Zero Six Bravo, Judy) comes the incredible true story of the top-secret "butcher-and-bolt" black ops units Prime Minister Winston Churchill assigned the task of stopping the unstoppable German war machine. Criminals, rogues, and survivalists, the brutal tactics and grit of these "deniables" would define a military unit the likes of which the world had never seen. When France fell to the Nazis in spring 1940, Churchill declared that Britain would resist the advance of the German army--alone if necessary. Churchill commanded the Special Operations Executive to secretly develop of a very special kind of military unit that would operate on their own initiative deep behind enemy lines. The units would be licensed to kill, fully deniable by the British government, and a ruthless force to meet the advancing Germans. The very first of these "butcher-and-bolt" units--the innocuously named Maid Honour Force--was led by Gus March-Phillipps, a wild British eccentric of high birth, and an aristocratic, handsome, and bloodthirsty young Danish warrior, Anders Lassen. Amped up on amphetamines, these assorted renegades and sociopaths undertook the very first of Churchill's special operations--a top-secret, high-stakes mission to seize Nazi shipping in the far-distant port of Fernando Po, in West Africa.

Though few of these early desperadoes survived WWII, they took part in a series of fascinating, daring missions that changed the course of the war. It was the first stirrings of the modern special-ops team, and all of the men involved would be declared war heroes when it was all over. The Ministry of Ungentlemanly Warfare focuses on a dozen of these extraordinary men, weaving their stories of brotherhood, comradely, and elite soldiering into a gripping narrative yarn, from the earliest missions to Anders Lassen's tragic death, just weeks before the end of the war.

Richard's family was his making and undoing...

Irresistible The History Press
The climactic final novel of the #1 New York Times bestselling *Sword of Truth* series

The Family of Richard III
Penguin
A fresh look at the earliest Christian movement reveals what made the new faith so compelling...and what we need to change today to make it so again. Once upon a time there was a version of the Christian faith that was practically irresistible. After all, what could be more so than the gospel that Jesus ushered in? Why, then, isn't it the same with Christianity today? Author and pastor Andy

Stanley is deeply concerned with the present-day church and its future. He believes that many of the solutions to our issues can be found by investigating our roots. In *Irresistible*, Andy chronicles what made the early Jesus Movement so compelling, resilient, and irresistible by answering these questions: What did first-century Christians know that we don't—about God's Word, about their lives, about love? What did they do that we're not doing? What makes Christianity so resistible in today's culture? What needs to change in order to repeat the growth our faith had at its beginning? Many people who leave or disparage the faith cite reasons that have less to do with Jesus than with the conduct of his followers. It's time to hit pause and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and little chance of survival. It's time to embrace the version of faith that initiated—against all human odds—a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. This is a version of Christianity we must remember and re-embrace if we want to be salt and

light in an increasingly savorless and dark world.
