"After losing his fortune and being jailed for financial improprieties in Philadelphia, Yerkes schemed his way out of prison. With his

boundless ambition and entrepreneurial genius intact, he relocated to Chicago and made millions from questionable financial transactions, while at the same time forging one of the world's finest mass transit networks.

Despite various philanthropic efforts, Yerkes and his methods were fiercely opposed by the press and public, and he left Chicago a bitter man.

Moving to London, he organized much of the Underground, battled J. P. Morgan, and romanced Emilie Grigsby, the love of his life, before succumbing to kidney disease in 1905."

The second novel in the Trilogy of Desire from the author of The Financier and Sister Carrie. In the Panic of 1873, Frank Cowperwood's fortune was destroyed and his criminal activity on the stock exchange was exposed. Now, with his prison sentence complete, he is ready to begin the next chapter of his life. Following the same creed of selfishness that guided him to his first fortune, Cowperwood leaves Philadelphia for Chicago and gives up financial speculation to pursue a new frontier. Though he soon rediscovers wealth in stock investment, he remains hounded by scandal as he maneuvers to take control of the Chicago railway system. Through double-dealing, divorce, infidelity, and social disgrace, America's most corrupt man continues his lifelong pursuit of self-satisfaction. In the sequel to The Financier, Theodore Dreiser presents a man of indomitable force and pitiless ambition. Based on a railway tycoon Charles Tyson Yerkes, Frank Cowperwood is widely considered one of the greatest characters of twentieth-century literature. extraordinary collection of short stories reminds us how great a talent Dreiser was. A giant among American writers, he fought throughout his career to capture life in realistic terms. In his stories as well as his celebrated novels, he sought to uncover the problems of common Americans at the turn of the century their struggles with society and their dreams of

Among the moderns, there is almost no one capable of writing tales like these. The best of today is pallid and non-human when compared with Dreiser's compassionate searchings."
