The Toilet Paper Entrepreneur: The Tell-it-Like-it-is ...

The Toilet Paper Entrepreneur, for Michalowicz, is an entrepreneur who makes the most of scarce, critical resources.

Michalowicz tells it like it really is in the small business world when he talks about integrity and accountability (a must for entrepreneurs), targeting markets (the tighter the

market, the better), and the world of mainstream small business books.

The Toilet Paper Entrepreneur: The Tell-it-Like-it-is ...

So says Mike Michalowicz, author of The Toilet Paper Entrepreneur, a business book that is so uniquely useful, so raw and entertaining, it reads like the brainchild of Steve Jobs and Chris Rock. Whether you're just starting out or have been at this for years, Mike's "get real" approach to business is a much needed swift kick in the pants.
