George Lyman Kittredge's insightful editions of Shakespeare have endured in part because of his eclecticism, his diversity of interests, and his wide-ranging accomplishments — all of which are reflected in the valuable notes in each volume. The plays in the New Kittredge Shakespeare series retain the original Kittredge notes and introductions, changed or augmented only when some modernization seems necessary. These new editions also include introductory essays by contemporary editors, notes on the plays as they have been performed on stage and film, and additional student materials.

Macbeth (full title The Tragedy of Macbeth) is a tragedy by William Shakespeare. It dramatises the damaging physical and psychological effects of political ambition on those who seek power for its own sake. Of all the plays that Shakespeare wrote during the reign of James I, who was patron of Shakespeare's acting company, Macbeth most clearly reflects the playwright's relationship with his sovereign. It was first published in the Folio of 1623, possibly from a prompt book, and is Shakespeare's shortest tragedy. A brave Scottish general named Macbeth receives a prophecy from a trio of witches that one day he will become King of Scotland. Consumed by ambition and spurred to action by his wife, Macbeth murders King Duncan and takes the Scottish throne for himself. He is then wracked with guilt and paranoia. Forced to commit more and more murders to protect himself from enmity and suspicion, he soon becomes a tyrannical ruler. The bloodbath and consequent civil war swiftly take Macbeth and Lady Macbeth into the realms of madness and death.

X-Kit Literature Series: FET Macbeth CUP Archive

A play of darkness originally conceived for daylight performance at the Globe, Macbeth is a tour de force of theatrical illusion from the supernatural to mere delusion. In this fully annotated edition, Nicholas Brooke investigates the great appeal of the play's use of illusion, relating its changing theatrical fortunes to changes within society and in theatrical conditions. Offering a fresh reconsideration of textual problems, the book makes a major contribution to our understanding of the play within aesthetic history.

Dark and violent, Macbeth is also the most theatrically spectacular of Shakespeare's tragedies. Indeed, for 250 years - until early this century - it was performed with grand operatic additions set to baroque music. In his introduction Nicholas Brooke relates the play's changing fortunes to changes within society and the theatre and investigates the sources of its enduring appeal. He examines its many layers of illusion and interprets its linguistic turns and echoes, arguing that the earliest surviving text is an adaptation, perhaps carried out by Shakespeare himself in collaboration with Thomas Middleton. This fully annotated edition reconsiders textual and staging problems, appraises past and present critical views, and represents a major contribution to our understanding of Macbeth. ABOUT THE SERIES: For over 100 years Oxford World's Classics has made available the widest range of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features, including expert introductions by leading authorities, helpful notes to clarify the text, up-to-date bibliographies for further study, and much more.

Chronicles of England, Scotland and Ireland Nelson Thornes

Maria Howell's, Manhood and Masculine Identity in William Shakespeare's The Tragedy of Macbeth, is an important and compelling scholarly work which seeks to examine the sixteenth century's greatest concern, echoed by Hamlet himself, "What is a man?" In an attempt to analyze the concept of manhood in Macbeth, Howell explores the contradictions and ambiguities that underlie heroic notions of masculinity dramatized throughout the play. From Lady Macbeth's capacity to control and destroy Macbeth's masculine identity, to Macbeth himself, who corrupts his military prowess to become a ruthless and murderous tyrant, Howell demonstrates that heroic notions of masculinity not only reinforce masculine power and authority, paradoxically, these ideals are also the source of man's disempowerment and destruction. Howell argues that in an attempt to attain a higher principle, the means (violence and destruction) and the ends (justice and peace) become fused and indistinguishable, so that those values that inform man's actions for good no longer provide moral clarity. Howell's poignant and timely analysis of manhood and masculine identity in Shakespeare's Macbeth will no doubt resonate with readers today.

[Shakespeare's Tragedy of Macbeth](#) Noah Lukeman

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focuses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.

The Tragedy of Macbeth, Part II: The Seed of Banquo

'And when I shall die, Take him and cut him out in little stars.' This collection of Shakespeare's soliloquies, including both old favourites and lesser-known pieces, shows him at his dazzling best.
