The fences around this territory indicate the degree of the ego's self-transcendence. Every incarnation, on whatever level, requires increasing the scope of one's "field of operation." To widen the fences around the fragmented ego, to bring in more reality from the world beyond the illusory confinement is the task.

The Meaning of the Ego and Its Transcendence

The ultimate goal of all spiritual practice is to transcend the ego, and awaken to your true Self. Throughout human history, many masters and teachers have developed many different ways and methods of approaching the problem – but there is none more direct than self-inquiry. Other methods often involve fixing the attention on the breath,...
