Volume 83- The Sword and the Trowel, Volume 4 Charles Spurgeon (19 June 1834 – 31 January 1892) is one of the church's most famous preachers and Christianity's foremost prolific writers. Called the "Prince of Preachers," he was one of England's most notable ministers for most of the second half of the nineteenth century, and he still remains highly influential among Christians of different denominations today. His sermons have spread all over the world, and his many printed works have been cherished classics for decades. In his lifetime,

Spurgeon preached to more than 10 million people, often up to ten times each week. He was the pastor of the congregation of the New Park Street Chapel (later the Metropolitan Tabernacle) in London for 38 years. He was an inexhaustible author of various kinds of works including sermons, commentaries, an autobiography, as well as books on prayer, devotionals, magazines, poetry, hymns and more. Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration, and his oratory and writing skills held his audiences spellbound. Many Christians have discovered Spurgeon's messages to be among the best in Christian literature. Edward Walford wrote in *Old and New London: Volume 6 (1878)* quoting an article from the *Times* regarding one of Spurgeon's meetings at Surrey: "Fancy a congregation consisting of 10,000 souls, streaming into the hall, mounting the galleries, humming, buzzing, and swarming—a mighty hive of bees—eager to secure at first the best places, and, at last, any place at all. After waiting more than half an hour—for if you wish to have a seat you must be there at least that space of time in advance—Mr. Spurgeon ascended his tribune. To the hum, and rush, and trampling of men, succeeded a low, concentrated thrill and murmur of devotion, which seemed to run at once, like an electric current, through the breast of every one present, and by this magnetic chain the preacher held us fast bound for about two hours. It is not my purpose to give a summary of his discourse. It is enough to say of his voice, that its power and volume are sufficient to reach every one in that vast assembly; of his language, that it is neither high-flown nor homely; of his style, that it is at times familiar, at times declamatory, but always happy, and often eloquent; of his doctrine, that neither the 'Calvinist' nor the 'Baptist' appears in the forefront of the battle which is waged by Mr. Spurgeon with relentless animosity, and with Gospel weapons, against irreligion, cant, hypocrisy, pride, and those secret bosom-sins which so easily

beset a man in daily life; and to sum up all in a word, it is enough to say of the man himself, that he impresses you with a perfect conviction of his sincerity." More than a hundred years after his death, Charles Spurgeon's legacy continues to effectively inspire the church around the world. For this reason, Delmarva Publications has chosen to publish the complete works of Charles Spurgeon.

The Treasury of David; Volume 4 Grove Publishing

From the book's definite nod to scientific concepts, to the groanings of King David, *Treasures in the Psalms* promises to be a gift beyond measure.

Spurgeon on Prayer & Spiritual Warfare Reader's Digest Association

Promissory Notes on the Treasury of Merits is a volume of 12 essays by a distinguished team of international scholars dealing with the place of indulgences in the religious life of Europe between roughly 1250 and the outbreak of the Reformation. Some of the articles offer regional analyses, stretching from Spain to the Netherlands, from England to Bohemia and Italy. Others deal with the theology and theological and practical controversies provoked by indulgences, or with thematic issues like the place of indulgences in fifteenth-century crusades, in pilgrimage, and the early exploitation of print in their distribution. The complementary nature of the articles builds into a fuller picture of the central, but hitherto neglected, role which indulgences had in late medieval European religious life.

In *Sacred Plunder*, David Perry argues that plundered relics, and narratives about them, played a central role in shaping the memorial legacy of the Fourth Crusade and the development of Venice's civic identity in the thirteenth century. After the Fourth Crusade ended in 1204, the disputes over the memory and meaning of the conquest began. Many crusaders faced accusations of impiety, sacrilege, violence, and theft. In their own defense, they produced hagiographical narratives about the movement of relics—a

medieval genre called *translatio*—that restated their own versions of events and shaped the memory of the crusade. The recipients of relics commissioned these unique texts in order to exempt both the objects and the people involved with their theft from broader scrutiny or criticism. Perry further demonstrates how these narratives became a focal point for cultural transformation and an argument for the creation of the new Venetian empire as the city moved from an era of mercantile expansion to one of imperial conquest in the thirteenth century.

Charles Haddon Spurgeon (1834-1892) was the most famous Baptist minister of his generation. For such a significant figure, he has received surprisingly little scholarly coverage. This present work seeks to make a contribution to Spurgeon studies by examining him through the lens of his "spirituality." A wealth of primary material, much of it previously untapped, is used to build up a picture of his spiritual life. Whereas older and more recent interpretations of Spurgeon have a tendency to be one-dimensional, examination of his spirituality reveals him to be a complex figure, one who was molded by a diverse range of factors. Despite this complexity, a unifying theme for Spurgeon's spirituality is traced and fresh light is shed on the foremost popular preacher of the Victorian age.
