A true pioneer of the West, Harriet Backus writes about her amusing and often challenging experiences with heart felt emotion and vivid detail. New foreword by Pam Houston and afterword by author's grandson Rob Walton are featured.

Black Crimson Linda Kage

From the author of *How Should a Person Be?* (“one of the most talked-about books of the year”—*Time Magazine*) and the New York Times Bestseller *Women in Clothes* comes a daring novel about whether to have children. In *Motherhood*, Sheila Heti asks what is gained and what is lost when a woman becomes a mother, treating the most consequential decision of early adulthood with the candor, originality, and humor that have won Heti international acclaim and made *How Should a Person Be?* required reading for a generation.

In her late thirties, when her friends are asking when they will become mothers, the narrator of Heti’s intimate and urgent novel considers whether she will do so at all. In a narrative spanning several years, casting among the influence of her peers, partner, and her duties to her forbearers, she struggles to make a wise and moral choice. After seeking guidance from philosophy, her body, mysticism, and chance, she discovers her answer much closer to home. *Motherhood* is a courageous, keenly felt, and starkly original novel that will surely spark lively conversations about womanhood, parenthood, and about how—and for whom—to live.

Tommy Boys, Lesbian Men, and Ancestral Wives The Wild Rose Press Inc

Puffin Classics: the definitive collection of timeless stories, for every child. Tom tucked a blanket round him, drew up a chair by the fire

and watched Willie fall asleep. The tales he had heard about evacuees didn't seem to fit Willie. 'Ungrateful' and 'wild' were the adjectives he had heard used, or just plain 'homesick'. He was quite unprepared for this timid, sickly little specimen. Britain, 1940. With World War Two raging all around, young children are being sent from their homes in the city to the countryside for safety. When eight-year-old Willie Beech first arrives on Tom Oakley's doorstep, neither are quite sure what to make of each another. Brought up in terrible poverty, Willie is terribly shy, and totally unprepared for village life - but the gruff-but-gentle 'Mister Tom' quickly takes him under his wing. Neither he nor Willie could ever have predicted the journey they will go on together - nor the unbreakable bond that will be formed. Winner of the Guardian Children's Fiction Award, and rightly hailed as a true classic of children's literature, Goodnight Mister Tom is a beautifully

told, deeply moving story about the power of friendship, kindness, hope - and love. 'Everyone's idea of a smash-hit novel: full-blown characters to love and hate, moments of grief and joy, and a marvellous story that knows just how to grab the emotions' - Guardian

Reading, Grade 5 Jacana Media
Ten years ago, an oil tycoon's daughter and a farmer's son shared a moment neither would ever forget. When she left town in disgrace, a piece of her stayed locked deep within his soul. And like the ground he tended, his emotions lay fallow for years. Cooper Gerhardt's deeply buried feelings for Jo Ellen Rawlings grew more fertile over time, just waiting

for the day she would return to release his deepest desires. When she strolls back into Tommy Creek, Texas for her ten-year class reunion, Cooper shows her farm boy style exactly what she missed by leaving. Starting a short-term affair is simply unavoidable. But when the week is over, can either of them let go of the responsibilities and apprehensions keeping them apart? Or will their fallow hearts learn to flourish together?

The International Film Index, 1895-1990: Film titles National Geographic Books

Indonesia suffered an explosion of religious violence, ethnic

violence, separatist violence, terrorism, and violence by criminal gangs, the security forces and militias in the late 1990s and early 2000s. By 2002 Indonesia had the worst terrorism problem of any nation. All these forms of violence have now fallen dramatically. How was this accomplished? What drove the rise and the fall of violence? Anomie theory is deployed to explain these developments. Sudden institutional change at the time of the Asian financial crisis and the fall of President Suharto meant the rules of the game were up for grabs. Valerie

Braithwaite's motivational postures theory is used to explain the gaming of the rules and the disengagement from authority that occurred in that era. Ultimately resistance to Suharto laid a foundation for commitment to a revised, more democratic, institutional order. The peacebuilding that occurred was not based on the high-integrity truth-seeking and reconciliation that was the normative preference of these authors. Rather it was based on non-truth, sometimes lies, and yet substantial reconciliation. This poses a challenge to restorative justice theories of

peacebuilding.

Girlhood in America [2 volumes] Bloomsbury Publishing USA

How different are men and women? When does it matter to us -- or to God? Are male and female the only two options? In *Sex Difference in Christian Theology* Megan DeFranza explores such questions in light of the Bible, theology, and science. Many Christians, entrenched in culture wars over sexual ethics, are either ignorant of the existence of intersex persons or avoid the inherent

challenge they bring to the assumption that everybody is born after the pattern of either Adam or Eve. DeFranza argues, from a conservative theological standpoint, that all people are made in the image of God -- male, female, and intersex -- and that we must listen to and learn from the voices of the intersexed among us.

LUCY GAMBLE, KNOCKED UP BY DYING MAN SHE GAVE SYMPATHY SEX, NOW MOVING ON TO HIS BIG BROTHER. Have you ever tried to come up with a headline

for your life? Well, mine's so cringeworthy I can't believe it's actually my story...or a hundred percent true. But honestly, how could I say no to the one-night-stand when he begged? Only a monster could deny someone their dying wish, right? I mean, okay, getting pregnant from the encounter was a regrettable, irresponsible mistake; I can fully admit that. Turning to his brother, however, was never part of the plan. Initially, I didn't even like the guy. Except Vaughn Merrill is a force to be reckoned

with. He's determined to be an "involved" uncle, and no matter how much I tell him he doesn't have to be so helpful, he's just so freaking helpful. And gorgeous. Plus not at all the ass I assumed he was. Then there's this massive pain and grief and loneliness I see in his eyes. I just want to hug him constantly and give him the sense of family he so desperately needs. So really, can you blame me for falling for the one man I know I shouldn't?

Girlhood in America [2 volumes]

Publisher description
Anomie and Violence Duke University Press
Camille had only been heading to her grandma's house because Gran couldn't figure out her cable again, but along the way, she stumbled across the city's notorious graffiti artist. And now that she knows who the face behind the spray-paint can is, she can't seem to listen to her friends' sage advice and follow the safe path, leaving well enough alone. She's determined to coax Black Crimson into agreeing to an exclusive interview so she can become the famous newspaper journalist

she's always wanted to be. But in this contemporary twist to the Little Red Riding Hood fable, our red-headed heroine learns just how dangerous talking to strangers can be...to her heart.

The Trouble With Tomboys

"The Oxford Handbook of Philosophy and Race provides up-to-date explanation and analyses by leading scholars in African American philosophy and philosophy of race. Fifty-one original essays cover major topics from intellectual history to

contemporary social controversies in this emerging philosophical subfield that supports demographic inclusion and emphasizes cultural relevance."--[Source inconnue] *The Oxford Handbook of Philosophy and Race* Routledge This groundbreaking reference work presents more than 100 articles by 98 high-profile interdisciplinary scholars, covering all aspects of girls' roles in American society, past and present. In this comprehensive, readable, two volume encyclopedia, experts from a variety of disciplines contribute pieces to the puzzle

of what it means--and what it has meant over the last 400 years--to be a girl in America. The portrait that emerges reveals deep differences in girls' experiences depending on socioeconomic context, religious and ethnic traditions, family life, schools, institutions, and the messages of consumer and popular culture. Girls have been commodified, idealized, trivialized, eroticized, and shaped by the powerful forces of popular culture, from *Little Women* to *Barbie*. Yet girls are also powerful co-creators of the culture that shapes them, often cleverly subverting it to their own purposes. From Pocahantas to punk rockers, girls have been an integral, if overlooked and undervalued, part of American culture. Includes more than 120 essays incorporating the most recent research on topics ranging from acquaintance rape to tea parties, from Nancy Drew to Riot Girls. An extensive bibliography provides suggestions for further reading from diverse sources such as T. S. Arthur's *Advice to Young Ladies* (1848) to *Tech-Savvy: Educating Girls for the New Computer Age* from the AAUW Educational Foundation (2000) *Toms and Dees* Linda Kage

In *Bodies That Matter*, Judith Butler further develops her distinctive theory of gender by examining the workings of power at the most "material" dimensions of sex and sexuality. Deepening the inquiries she began in *Gender Trouble*, Butler offers an original reformulation of the materiality of bodies, examining how the power of heterosexual hegemony forms the "matter" of bodies, sex, and gender. Butler argues that power operates to constrain "sex" from the start, delimiting what counts as a viable sex. She offers a clarification of the notion of "performativity" introduced in *Gender Trouble* and explores the meaning of a citational politics. The text includes readings of Plato, Irigaray, Lacan, and Freud on the formation of materiality and bodily boundaries; "Paris is Burning," Nella Larsen's "Passing," and short stories by Willa Cather; along with a reconsideration of "performativity" and politics in feminist, queer, and radical democratic theory. Starting with the figure of the
bold, boisterous girl in the

mid-19th century and ending with
the "girl power" movement of the
1990's, Tomboys is the first full-
length critical study of this
gender-bending code of female
conduct. Michelle Abate uncovers
the origins, charts the trajectory,
and traces the literary and
cultural transformations that the
concept of "tomboy" has undergone
in the United States. Abate focuses
on literature including Louisa May
Alcott's Little Women and Carson
McCullers's The Member of the
Wedding and films such as Peter
Bogdanovich's Paper Moon and Jon
Avnet's Fried Green Tomatoes. She
also draws on lesser-known texts
like E.D.E.N. Southworth's once
wildly popular 1859 novel The
Hidden Hand, Cold War lesbian pulp

fiction, and *New Queer Cinema* from the 1990s. *Tomboys* also explores the gender and sexual dynamics of tomboyism, and offers intriguing discussions of race and ethnicity's role in the construction of the enduring cultural archetype. Abate's insightful analysis provides useful, thought-provoking connections between different literary works and eras. The result demystifies this cultural phenomenon and challenges readers to consider tomboys in a whole new light.

The Trouble with Tommy Trouble!

Alyson Books

In this delightful memoir, the book critic for NPR's *Fresh Air* reflects on her life as a

professional reader. Maureen Corrigan takes us from her unpretentious girlhood in working-class Queens, to her bemused years in an Ivy League Ph.D. program, from the whirl of falling in love and marrying (a fellow bookworm, of course), to the ordeal of adopting a baby overseas, always with a book at her side. Along the way, she reveals which books and authors have shaped her own life—from classic works of English literature to hard-boiled detective novels, and everything in between. And in her explorations of the heroes and heroines throughout literary

history, Corrigan's love for a good story shines.

Insta-Family ANU E Press

A vibrant, growing, and highly visible set of female identities has emerged in Thailand known as tom and dee. A "tom" (from "tomboy") refers to a masculine woman who is sexually involved with a feminine partner, or "dee" (from "lady"). The patterning of female same-sex relationships into masculine and feminine pairs, coupled with the use of English derived terms to refer to them, is found throughout

East and Southeast Asia. Have the forces of capitalism facilitated the dissemination of Western-style gay and lesbian identities throughout the developing world as some theories of transnationalism suggest? Is the emergence of toms and dees over the past twenty-five years a sign that this has occurred in Thailand? Megan Sinnott engages these issues by examining the local culture and historical context of female same-sex eroticism and female masculinity in Thailand. Drawing on a broad spectrum of anthropological

literature, Sinnott situates Thai tom and dee subculture within the global trend of increasingly hybridized sexual and gender identities.

The Brothers Grim Henry Holt and Company

IT'S NOT EVERY DAY YOU LEARN YOU HAVE A NINE-YEAR-OLD DAUGHTER Boston Kincaid's life is forever changed when he reads the note from Cassidy Trenton, who's looking for her daddy. Vividly remembering the girl's mother, Boston is compelled to learn the truth about Cassidy's paternity. Single working mother Ellie Trenton is completely bowled

over to find her old college flame, whom she hasn't seen in ten years, loitering on her front porch when she comes home from work one day. At the sight of each other, Boston and Ellie's decade apart melts away, and that old chemistry between them flares back to life. But trust doesn't come easily, and old wounds never healed properly. Can Boston and Ellie learn to forgive and forget so they can experience the love they never shared, or will child custody battles keep them apart forever'

Bodies That Matter Temple University Press

Masculinity without men. In *Female Masculinity* Judith Halberstam takes aim at the protected status of male masculinity and shows that female masculinity has offered a distinct alternative to it for well over two hundred years. Providing the first full-length study on this subject, Halberstam catalogs the diversity of gender expressions among masculine women from nineteenth-century pre-lesbian practices to contemporary drag king performances. Through detailed textual readings as well as empirical research, Halberstam uncovers a hidden history of female masculinities while arguing for a more nuanced understanding of gender categories that would incorporate rather than pathologize them. She rereads Anne Lister's diaries and Radclyffe Hall's *The Well of Loneliness* as foundational assertions of female masculine identity. She considers the enigma of the stone butch and the politics surrounding butch/femme roles within lesbian communities. She also explores issues of transsexuality among "transgender dykes"--lesbians who pass as men--and female-to-male transsexuals who may find

the label of "lesbian" a temporary refuge. Halberstam also tackles such topics as women and boxing, butches in Hollywood and independent cinema, and the phenomenon of male impersonators. *Female Masculinity* signals a new understanding of masculine behaviors and identities, and a new direction in interdisciplinary queer scholarship. Illustrated with nearly forty photographs, including portraits, film stills, and drag king performance shots, this book provides an extensive record of the wide range of female

masculinities. And as Halberstam clearly demonstrates, female masculinity is not some bad imitation of virility, but a lively and dramatic staging of hybrid and minority genders.
