These eight women made remarkable contributions: Laura Keane challenged tradition in 1858 by heading her own dramatic troupe; her career was ruined by Lincoln's assassination. Mrs. John Drew, a star at 7 who toured until she was 76, was the matriarch of the Barrymore dynasty. Anna Cora Mowatt eloped at 15 with a lawyer more than twice her age, and went on the stage when he lost his fortune. She wrote a play, *Fashion*, that is still performed 140 years later. Five other women also have fascinating stories of courage and talent: Susanna Haswell Rowson, Sophia Turner, Charlotte Cushman, Fanny Kemble and Minnie Madern Fiske. Macbeth Tor.com

This remarkable, never-before-told account of the Ovitz family, seven of whose ten members were dwarfs, bears witness to the best and worst of humanity and to the terrible irony of the Ovitzes' fate: being burdened with dwarfism helped them endure the Holocaust. Through dogged research and interviews with Perla, the youngest Ovitz daughter and last surviving sibling, and other relatives, authors Yehuda Koren and Eilat Negev weave the tale of a beloved and successful family of performers who were popular entertainers in Central Europe until the Nazis deported them to Auschwitz in May 1944. Descending from the transport train into the hell of the concentration camp, the Ovitz family—known widely as the Lilliput Troupe—was separated from other Jewish victims. When Dr. Josef Mengele was then notified of their arrival, he assigned them to sequestered quarters. His horrific "research" on twins and other genetically unique individuals already under way, Mengele had special plans for the Ovitzes. The authors chronicle Mengele's loathsome experiments upon the family members, the disturbing fondness he developed for these small people, and their interminable will to make it out alive. Dozens of telling photographs are included in this horrifying yet remarkable tale of survival.

This edition of Shakespeare's *Measure for Measure* reprints the Bevington edition of the play accompanied by four sets of thematically arranged primary documents and illustrations designed to facilitate many different approaches to Shakespeare's play and the early modern culture out of which the play emerges. The texts include royal proclamations, speeches, court records, sermons, biographical writings, prayers, ballads, poetry, excerpts from plays and the Bible, and drawings, woodcuts, and engravings. These documents contextualize the role of rulers and government in Jacobean society, crime and punishment in London's underworld, the religious and secular laws that regulated marriage and sexuality, Catholic and Puritan morality, and the religious and cultural significance of chastity and virginity in Shakespeare's time. Editorial features designed to help students read the play in light of the historical documents include an intelligent and engaging general introduction, introductions to each thematic group of documents, thorough headnotes and glosses for the primary documents (presented

in modern spelling), and an extensive bibliography. American Elsewhere Univ of California Press
Over the course of the twentieth and twenty-first centuries, Mexican American and African American cultural productions have seen a proliferation of upward mobility narratives: plotlines that describe desires for financial solvency, middle-class status, and social incorporation. Yet the terms "middle class" and "upward mobility"—often associated with assimilation, selling out, or political conservatism—can hold negative connotations in literary and cultural studies. Surveying literature, film, and television from the 1940s to the 2000s, Elda Mar í a Rom á n brings forth these narratives, untangling how they present the intertwined effects of capitalism and white supremacy. Race and Upward Mobility examines how class and ethnicity serve as forms of currency in American literature, affording people of color material and symbolic wages as they traverse class divisions. Identifying four recurring character types—status seekers, conflicted artists, mediators, and gatekeepers—that appear across genres, Rom á n traces how each models a distinct strategy for negotiating race and class. Her comparative analysis sheds light on the overlaps and misalignments, the shared narrative strategies, and the historical trajectories of Mexican American and African American texts, bringing both groups' works into sharper relief. Her study advances both a new approach to ethnic literary studies and a more nuanced understanding of the class-based complexities of racial identity.

What do we mean by 'visual evidence'? How should we interpret visual texts, and what can they tell us? Why is 'visual literacy' so important and what benefits does it offer? Visual evidence encompasses a diverse range of media, from painting, cartoons and photography, to film, television and documentary. The central argument of this book is that visual evidence is a key to understanding both history and the present day and should not be relegated to a supporting role as merely illustrating the written word. The book shows students, scholars and researchers how to read the visual media to elicit meaning. As primary sources, visual texts can be studied not only for what is directly depicted in the painting or film but also for what it tells us about the people, cultures and societies that made them. Each chapter features fascinating case studies and examples which situate theory in real life. A major appeal of the book is the wealth of illustrations and photographs of visual texts which are included throughout. The authors make detailed reference to these examples to illustrate the theory surrounding visual evidence. An intriguing case study of an unknown girl's photo album is just one of many examples offered, showing how we can analyze and learn from the visual text. This comprehensive and insightful edited collection brings together international media and cultural theorists, historians and art historians to demonstrate the value of visual evidence not only to media and cultural studies, but also to history, the general humanities and the social sciences.

"This ethnography is more like a film than a book, so well does Stoller evoke the color, sight, sounds, and movements of Songhay possession ceremonies."—Choice
"Stoller brilliantly recreates the reality of spirit presence; hosts are what they mediate, and spirits become flesh and blood in the 'fusion' with human existence. . . . An excellent demonstration of the benefits of a new genre of ethnographic writing. It expands our understanding of the harsh world of Songhay mediums and sorcerers."—Bruce Kapferer, American Ethnologist
"A vivid story that will appeal to a wide audience. . . . The voices of individual Songhay are evident and forceful throughout the story. . . . Like a painter, [Stoller] is concerned with the rich surface of things, with depicting images, evoking sensations, and enriching perceptions. . . . He has succeeded admirably."—Michael Lambek, American Anthropologist
"Events (ceremonies and life histories) are evoked in cinematic style. . . . [This book is] approachable and absorbing—it is well written, uncluttered by jargon and elegantly structured."—Richard Fardon, Times Higher Education Supplement
"Compelling, insightful, rich in ethnographic detail, and worthy of becoming a classic in the scholarship on Africa."—Aidan Southall, African Studies Review

Vaudeville: mad, mercenary, dreamy, and absurd, a world of clashing cultures and ferocious showmanship and wickedly delightful deceptions. But sixteen-year-old pianist George Carole has joined vaudeville for one reason only: to find the man he suspects to be his father, the great Heironomo Silenus. Yet as he chases down his father's troupe, he begins to understand that their performances are strange even for vaudeville: for wherever they happen to tour, the very nature of the world seems to change. Because there is a secret within Silenus's show so ancient and dangerous that it has won him many powerful enemies. And it's not until after he joins them that George realizes the troupe is not simply touring: they are running for their lives. And soon...he is as well.
