Alfred Ollivant's Bob, Son of Battle Sourcebooks, Inc. Winner of the 2011 Newbery Award. The movement of the train rocked me like a lullaby. I closed my eyes to the dusty countryside and imagined the sign I ' d seen only in Gideon ' s stories: Manifest—A Town with a rich past and a bright future. Abilene Tucker feels abandoned. Her father has put her on a train, sending

her off to live with an old friend for the summer while he works a railroad job. Armed only with a few possessions and her list of universals, Abilene jumps off the train in Manifest, Kansas, aiming to learn about the boy her father once was. Having heard stories about Manifest, Abilene is disappointed to find that it ' s just a dried-up, worn-out old town. But her disappointment quickly turns to excitement when she discovers a hidden cigar box full of mementos, including some old letters that mention a spy known as the Rattler. These mysterious letters send Abilene and her new friends, Lettie and Ruthanne, on an honest-to-goodness spy hunt, even though they are warned to " Leave Well Enough Alone. " Abilene throws all caution aside when she heads down the mysterious

Path to Perdition to pay a debt to the reclusive Miss Sadie, a diviner who only tells stories from the past. It seems that Manifest 's history is full of colorful and shadowy characters—and long-held secrets. The more Abilene hears, the more determined she is to learn just what role her father played in that history. And as Manifest 's secrets are laid bare one by one, Abilene begins to weave her own story into the fabric of the town. Powerful in its simplicity and rich in historical detail, Clare Vanderpool 's debut is a gripping story of loss and redemption.

"A heartfelt and exciting debut...a wise and honest story of how it feels to be a young woman in search of yourself."—Taylor Jenkins Reid, New York Times bestselling author of *The Seven Husbands of Evelyn Hugo* and *Malibu Rising* The Bookish Life of Nina Hill meets *Younger* in a heartfelt debut following a young woman who discovers she'll have to ditch the "dream job" and write her own story to find her happy ending. Meet Nora Hughes—the overworked, underpaid, last bookish assistant standing. At least for now. When Nora landed an editorial assistant position at Parsons Press, it was her first step towards *The Dream Job*. Because, honestly, is there anything dreamier than making books for a living? But after five years of lunch orders, finicky authors, and per my last emails, Nora has come to one grand conclusion: Dream Jobs do not exist. With her life spiraling and the Parsons staff sinking, Nora gets hit with even worse news. Parsons is cutting her already unlivable salary. Unable to afford her rent and without even the novels she once loved as a comfort, Nora decides to moonlight for a rival publisher to make ends meet...and maybe poach some Parsons' authors along the way. But when Andrew Santos, a bestselling Parsons author no one can afford to

lose is thrown into the mix, Nora has to decide where her loyalties lie. Her new Dream Job, ever-optimistic Andrew, or...herself and her future. Your next book club read touching on mental health, happiness, and the peaks and perils of being a young woman just trying to figure it all out. Nora Hughes is the perfect heroine for anyone looking to get past their own chapter twenty-something and build their storybook life. "A tender reflection on finding your person while you're still desperately searching for yourself."—KJ Dell'Antonia, New York Times bestselling author of *The Chicken Sisters* "A book for book lovers... It's impossible not to root for Nora!"—Jesse Q. Sutanto, National Bestselling author of *Dial A for Aunties* [The Trumpeter of Krakow](#) Penguin

The stories in Feathered Serpent, Dark Heart of Sky trace the history of the world from its beginnings in the dreams of the dual god, Ometeotl, to the arrival of the Spanish conquistadors in Mexico and the fall of the great city Tenochtitlan. In the course of that history we learn about the Creator Twins—Feathered Serpent and Dark Heart of Sky—and how they built the world on a leviathan's back; of the shape-shifting nahualli; and the aluxes,

elfish beings known to help out the occasional wanderer. And finally, we read Aztec tales about the arrival of the blonde strangers from across the sea, the strangers who seek to upend the rule of Motecuhzoma and destroy the very stories we are reading. David Bowles stitches together the fragmented mythology of pre-Colombian Mexico into an exciting, unified narrative in the tradition of William Buck's Ramayana, Robert Fagles's Iliad, and Neil Gaiman's Norse Myths. Readers of Norse and Greek mythologies will delight in this rich retelling of stories less explored. Legends and myths captured David Bowles's imagination as a young Latino reader; he was fascinated with epics like the Iliad and the Odyssey. Despite growing up on the United States/Mexico border, he had never read a single Aztec or Mayan myth until he was in college. This experience inspired him to reconnect with that forgotten past. Several of his previous books have incorporated themes from ancient Mexican myths.

It is the year 597 and Pope Gregory is sending a select number of his monks, led by Fr. Augustine, to re-evangelize England. Young Wolf, born in that land but raised in Rome, accompanies his father, Wolfstan, who goes as a guide and interpreter. Though the King of Kent's wife is a Christian, the missionaries from Rome do not know whether they will be welcomed, tolerated or martyred. In a story full of adventure, Wolf meets Fritha, a

Saxon girl whose life and destiny are soon closely bound up with his own. Events, significant in the history of Christianity, are vividly brought to life by this veteran writer of historical fiction. Illustrated by Mary Beth Owens.

Doubleday Books for Young Readers

Bob, Son of Battle, is a sheepdog so canny and careful of his flock, so deeply devoted to his master, James Moore, and so admired for his poise and wisdom by the residents of a small village in the rugged mountains of England ' s North Country, that young though he is, he is already known as Owd Bob. In a recent contest, Bob has proved himself a matchless sheepdog, and if he wins the trophy two more times, he ' ll be seen as equal to the legendary sheepdogs of yore. But Bob has a real rival: Red Wull, with his docked tail and bristling yellow fur, a ferocious creature, just like his diminutive master, Adam McAdam, a lonely Scot, estranged not only from his English neighbors but from his son, David. McAdam just can ' t stop belittling this strapping young man, all the more so since David began courting Moore ' s beautiful daughter Maggie. But what McAdam really wants is for his beloved Wullie to wrest the prize from Bob once and for all. The story takes a darker turn when a troubling new threat to the local flocks emerges. A dog has gone rogue, sneaking out at night to feast on the flesh and blood of the sheep he is bound to protect. Again and again, new sheep fall prey to this relentless predator; again and again, he slips away undetected. This master hunter can only be among the boldest and sharpest of dogs . . . Bob, Son of Battle has long been a beloved classic of children ' s literature both in America and in England. Here the celebrated author and translator Lydia Davis, who first read and loved this exciting story as a child, has rendered the challenging idioms of the original into fluent and graceful English of our day, making this tale of rival dogs and rival families and the shadowy terrain between Good and Bad accessible and appealing to readers of all ages.
