The well-intentioned protagonists of Brief Encounters with Che Guevara are caught -- to both disastrous and hilarious effect -- in the maelstrom of political and social upheaval surrounding them. In

"Near-Extinct Birds of the Central Cordillera," an ornithologist being held hostage in the Colombian rain forest finds that he respects his captors for their commitment to a cause, until he realizes that the Revolution looks a lot like big business. In "The Good Ones Are Already Taken," the wife of a Special Forces officer battles a Haitian voodoo goddess with whom her husband is carrying on a not-entirely-spiritual relationship. And in "The Lion's Mouth," a disillusioned aid worker makes a Faustian bargain to become a diamond smuggler for the greater good. With masterful pacing and a robust sense of the absurd, each story in Brief Encounters with Che Guevara is a self-contained adventure, steeped in the heady mix of tragedy and danger, excitement and hope, that characterizes

countries in transition. Through Fountain's rounded and novelistic prose, these intelligent and keenly observed stories are painted in provocative and vibrant detail across a global canvas. Brief Encounters with Che Guevara marks the arrival of a striking and resonant new voice that speaks adeptly to the intimate connection between the foreign, the familiar, and the inescapably human.

The Long Way Home Thomas Nelson Inc

Follow Andrew Klavan to a deeper, richer understanding of the words of Jesus. Andrew Klavan believed what he read in the Gospels, but he often struggled to understand what Jesus really meant. So he began a journey of wrestling with the beautiful and often strange words of Jesus. He learned Greek in order to read the Gospels in their original languages, and he vowed to set aside any preconceptions about what the Scriptures say. But it wasn't until he began exploring how some of history's greatest writers wrestled with the same issues we confront today--political upheaval, rejection of social norms, growing disbelief in God--that he found a new way of understanding what Jesus meant. In *The Truth and Beauty*, Klavan combines a decades-long writing career with a lifetime of reading to discover a fresh understanding of the Gospels. By reading the words of Jesus through the life and work of writers such as William Wordsworth and John Keats, Mary Shelley and Samuel Taylor Coleridge--the English romantics--Klavan discovered a way to encounter Jesus in a deeper and more profound way than ever before. For readers seeking to find renewed meaning in the words of Jesus--and for those who are

striving for belief in a materialistic world--*The Truth and Beauty* offers an intimate account of one man's struggle to understand the Gospels in all their strangeness, and so find his way to a life that is, as he says, "the most creative, the most joyful, and surely the most true."

The Final Hour Twelve

When Rick lost the ability to run, he came one step closer to becoming a hero. New High Score! New Record Time! Rick nodded with grim satisfaction. He laid the game controller aside on the sofa and reached for his crutches. Rick Dial was the best quarterback Putnam Hills High School had ever seen. Unflappable. Unstoppable. Number 12. But when a car accident left him crippled, Rick's life as he knew it ended. He disavowed his triumphant past. He ignored his girlfriend. He disappeared into his bedroom—and into the glowing video screen. But Rick's uncanny gaming skills have attracted attention. Dangerous attention. Government agents have uncovered a potentially devastating cyber-threat: a Russian genius has created a digital reality called the Realm, from which he can enter, control, and disrupt American computer systems . . . from transportation to defense. The agents want Rick, quick-thinking quarterback and gaming master, to enter the Realm and stop the madman—before he sends America into chaos. Entering the Realm will give Rick what he thought he'd never have again: a body as strong and fast as it was before the accident. But this is no game, there are no extra lives, and what happens to Rick in the Realm happens to Rick's body in reality. Even after Rick agrees to help, he can't shake the sense that he's being

kept in the dark. Why would a government agency act so aggressively? Can anyone inside the Realm be trusted? How many others have entered before him . . . and failed to return? In the tradition of Ender ' s Game and The Matrix, MindWar is a complex thriller about a seemingly ordinary teenager who discovers a hidden gift—a gift that could make him a hero . . . or cost him everything. "Edgar Award – winning Klavan ' s well-orchestrated fantasy thriller features . . . an imaginative mix of gaming action with real-life stakes. "No matter how many Holocaust stories one has read, this one is a must, for its impact is so powerful."--School Library Journal, starred I did not ask myself, "Should I do this?" but "How will I do this?" Through this intimate and compelling memoir, we are witness to the growth of a hero. Much like The Diary of Anne Frank, In My Hands has become a profound testament to individual courage. You must understand that I did not become a resistance fighter, a smuggler of Jews, a defier of the SS and the Nazis, all at once. When the war began, Irene Gut was just seventeen: a student nurse, a Polish patriot, a good Catholic girl. Forced to work in a German officers' dining hall, she learns how to fight back. One's first steps are always small: I had begun by hiding food under a fence. Irene eavesdropped on the German's plans. She smuggled people out of the work camp. And she hid twelve Jews in the basement of a Nazi major's home. To deliver

her friends from evil, this young woman did whatever it took--even (and, indeed, the same number of volumes), one might think they the impossible.

The Light of Evening Thomas Nelson

No one was more surprised than Andrew Klavan when, at the age of fifty, he found himself about to be baptized. *The Great Good Thing* tells the soul-searching story of a man born into an age of disbelief who had to abandon everything he thought he knew in order to find his way to the truth. Best known for his hard-boiled, white-knuckle thrillers and for the movies made from them--among them *True Crime* and *Don't Say a*

Word--bestselling author and Edgar Award-winner Klavan was born in a suburban Jewish enclave outside New York City. He left the faith of his childhood behind to live most of his life as an agnostic until he found himself mulling over the hard questions that so many other believers have asked: How can I be certain in my faith? What's the truth, and how can I know it's the truth? How can you think, live, and make choices and judgments day by day if you don't know for sure? In *The Great Good Thing*, Klavan shares that his troubled childhood caused him to live inside the stories in his head and grow up to become an alienated young writer whose disconnection and rage devolved into depression and suicidal breakdown. In those years, Klavan fought to ignore the insistent call of God, a call glimpsed in a childhood Christmas at

the home of a beloved babysitter, in a transcendent moment at his daughter's birth, and in a snippet of a baseball game broadcast that moved him from the brink of suicide. But more than anything, the call of God existed in stories--the stories Klavan loved to read and the stories he loved to write. Join Klavan as he discovers the meaning of belief, the importance of asking tough questions, and the power of sharing your story.

In My Hands: Memories of a Holocaust Rescuer Thomas Nelson

A destiny that leads the English to the Dutch is strange enough; but one that leads from Epsom into Pennsylvania, and thence into the hills that shut in Altamont over the proud coral cry of the cock, and the soft stone smile of an angel, is touched by that dark miracle of chance which makes new magic in a dusty world.

A New York Times Editors' Choice pick Named a Best Book of the Year by NPR, Los Angeles Times, Vogue, Wall Street Journal, Food Network, KCRW, WBUR Here & Now, Emma Straub, and Globe and Mail One of the Millions's Most Anticipated Books of 2021 America's modern culinary history told through the lives of seven pathbreaking chefs and food writers. Who's really behind America's appetite for foods from around the globe? This group biography from an electric new voice in food writing honors seven extraordinary women, all immigrants, who left an indelible mark on the way Americans eat today. Taste Makers stretches from World War II to the present, with absorbing and deeply researched portraits of figures including Mexican-born Elena Zelayeta, a blind chef; Marcella Hazan, the deity of Italian cuisine; and Norma Shirley, a champion of Jamaican dishes. In imaginative, lively prose, Mayukh Sen—a queer, brown child of

immigrants—reconstructs the lives of these women in vivid and empathetic detail, daring to ask why some were famous in their own time, but not in ours, and why others shine brightly even today. Weaving together histories of food, immigration, and gender, Taste Makers will challenge the way readers look at what's on their plate—and the women whose labor, overlooked for so long, makes those meals possible.
