It is the most controversial religious icon in the world. No one knows where it came from. No one knows when it was made. But now, the greatest mystery in religious history holds the key to a present-day serial killer who devises savage, bizarre deaths for his victims. And only two American cops, following a trail that stretches from California to the Vatican, can expose the secret of the Shroud. From internationally bestselling author Sam Christer, published in 35 languages around the world, comes a thriller packed with relentless action, shocking twists and astounding research - the most suspenseful and intelligent novel of its kind since The Da Vinci Code.

The House Of Smoke HarperChristian + ORM

When a brutal killer is on the loose in Venice, ex-priest Tom Shaman finds himself catapulted headlong into a series of ritualistic killings unlike anything Venice has ever seen. Uncovering a deadly secret at the heart of the city's past - a priceless three-pieced Etruscan mosaic known as The Gates of Hell - Shaman teams up with investigator Valentina Morassi to dig deep into the shadows of Venice's darkest history - and find the killer before he claims his next victim...

The Templar's Secret Sphere

"A study of reliquaries as a form of representation in medieval art. Explores how reliquaries stage the importance and meaning of relics using a wide range of artistic means from material and ornament to metaphor and symbolism"--Provided by publisher.

Letter from a Christian Citizen Pan Macmillan

The book that inspired the major History Channel special God Code shows there is more to the Bible than meets the eye—messages from God hidden for ages, now revealed by modern computer technology. In God Code, antiquities expert Timothy P. Smith reveals his decades-long quest to understand the complex messages he discovered in an ancient Hebrew manuscript of the Bible. This painstaking search involves adventure and mystery, but instead of consulting ancient maps to find buried treasure, Smith relied on the data calculation power of modern technology. His quest shows how Scripture is more amazing than we ever dreamed—and that it may even reveal the future of generations living today. God Code reveals: • An encrypted code in Genesis, in the oldest known Hebrew text of the Old Testament, that predicted the birth and resurrection of Jesus. • Scientific evidence that this encrypted code was authored by the divine hand of God. • Signs that there are more encrypted codes in this same Hebrew text that will lead to additional messages from God to humanity. • Hidden clues that may lead to the location of long-missing sacred artifacts, such as the Ark of the Covenant. • Insights on why Smith was chosen to uncover this encrypted code. • A dire warning that God wants us to hear—and heed. In the companion History Channel series, the author travels across continents in search of artifacts missing since Bible times—clues to their location revealed in God Code. Previously published as The Chamberlain Key

Secrets from Beyond the Grave Simon and Schuster

Fact collides with fiction in Will Adams' s fourth pulse-pounding adventure featuring archaeologist Daniel Knox.

The Greatest You Vintage

Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel. Sometimes it turns out to be a hoax; will it be debunked before it can work its mischief? If it proves genuine, will it be brought to light? Or will corrupt church officials manage to prevent it? The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general. Sometimes the authors have done their homework; other times they haven't bothered, and they wind up dishing up crazy rewrites of history and outlandish theories. These novels deal with abiding issues of faith, even without some new discovery. As soon as one engages in biblical apologetics, one has stepped onto the marshy ground of probabilistic arguments, an entirely different epistemology that automatically replaces simple faith. And so one comes to hold one's religious convictions more tentatively, having become genuinely vulnerable to new evidence. One may not remain a believer for long. On the other hand, one invites fanaticism if one's faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board. Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity. How mighty a blow must be dealt before the religion would fall? Dan Brown's notion that a married Jesus would debunk the Nicene Creed is laughable. As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research, there is a genuine romance of New Testament scholarship, and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists. These books can both entertain and educate, and so will Secret Scrolls.

House of the Rising Sun Charisma Media

Big Ben chimes in the first seconds of the first day of 1900, the start of a fresh century. Inside London's oldest gaol, preparations are afoot to hang Victorian England's deadliest assassin, a man wanted for two decades' worth of murders. Cold-blooded killer Simeon Lynch has lived a brutal and glorious life in the employ of the House of Moriarty - the most feared criminal enterprise in the world. Now, as he faces the noose, Simeon learns dark truths about his master, about Sherlock Holmes and about his own past. Truths that make him determined to escape and kill again... Follow Simeon's bloody footsteps through the capital's cobbled alleyways, wretched workhouses and flash taverns as he crosses swords with Sherlock Holmes and the villainous characters of Victorian London.

The Shroud of Turin Speaks for Itself Sphere

Lynn Picknett and Clive Prince have long been fascinated by the conspiracies surrounding secret knowledge of Jesus, Mary Magdalene and John the Baptist, much of which centred on the activities of the Priory of Sion. In this work, the authors look closely at this controversial organization and the secrets it allegedly protects.

God Code IndyPublish.com

This book is inspired by true events!!!The occult. A secret organization with satanic motives to fulfill an unclear, secret and ancient prophecy. A holy relic dismissed by one test. Biblical truth's hidden in the secret libraries of the church. A terminally ill, scientific and once pious man; Carton Wolfe, who's faith in God was destroyed by that test in 1988. Up until that point he had tirelessly lobbied for the testing on the Shroud of Turin only to be proved

wrong and was deemed a mad fool by his peers. What are the remnants of his soul? A soul of scientific hopelessness - without the divine salvation he'd longed for. Just a cynical acceptance of one's mortality. "The sheer existence of a three-dimensional image on the cloth and the data collected, proves the cornerstone of Christianity. The resurrection. If the church allows the carbon testing. I have no doubt it will prove me right. But why are the church barricading that test - it will provide the date of their lord's greatest moment. It will sharpen the hopes of all souls in the pursuit of salvation and hence, use the tools of the church's greatest adversary against them. Science." Far from New Mexico where Wolfe now resides as an old disgruntled atheist. Psychiatrist and New York businesswoman, Natalie Moore receives an unwelcome phone call in the early hours. Its Detective Green; homicide. Something horrendous has happened to her husband Sam; her peer, her business partner and highly successful Author. For years he has battled with psychological torment from his abusive childhood at the hands of the church. He was found on death's door by a mysterious and handsome priest, crucified upside down on a wooden wall in his local library - he was completing his overdue and highly anticipated second novel. Who committed this heinous crime? Who is this priest? What did Sam do to deserve this. How is this Carton Wolfe connected? These question's send her into a world we do not see, and unknown to Natalie, this unseen enemy wants something from her. Something only, she can provide and maybe this mysterious priest is the only one who can help her, and Sam survive.

Strange Beauty McClelland & Stewart

The Man Booker Prize-winning author of The Sea gives us a brilliant, profoundly moving new novel about an actor in the twilight of his life and his career: a meditation on love and loss, and on the inscrutable immediacy of the past in our present lives. Is there any difference between memory and invention? That is the question that fuels this stunning novel, written with the depth of character, the clarifying lyricism and the sly humor that have marked all of John Banville' s extraordinary works. And it is the question that haunts Alexander Cleave, an actor in the twilight of his career and of his life, as he plumbs the memories of his first—and perhaps only—love (he, fifteen years old, the woman more than twice his age, the mother of his best friend; the situation impossible, thrilling, devouring and finally devastating) . . . and of his daughter, lost to a kind of madness of mind and heart that Cleave can only fail to understand. When his dormant acting career is suddenly, inexplicably revived with a movie role portraying a man who may not be who he says he is, his young leading lady—famous and fragile—unwittingly gives him the opportunity to see with aching clarity the “ chasm that yawns between the doing of a thing and the recollection of what was done. ” Ancient Light is a profoundly moving meditation on love and loss, on the inscrutable immediacy of the past in our present lives, on how invention shapes memory and memory shapes the man. It is a book of spellbinding power and pathos from one of the greatest masters of prose at work today. This eBook edition includes a Reading Group Guide.

The Dennis Nilsen Tapes ABRAMS

The fourth Payne and Jones thriller from New York Times bestselling author Chris Kuzneski.

“ A reader's delight from beginning to end. Tautly written, expertly told, smart, and exhilarating. ” —New York Times bestselling author Steve Berry Carved into the towering cliffs of central Greece, the Holy Trinity monastery is all but inaccessible. Its sacred brotherhood has protected its secret for centuries. In the dead of night, the monastery' s sanctity is shattered by an elite group of warriors carrying ancient weapons. One by one, they hurl the monks from the cliff-top to the rocks below—the holy men taking their secret to their graves. Halfway across Europe, Richard Byrd has uncovered the location of a magnificent treasure, but there are those who will stop at nothing to prevent its discovery. Hoping to save himself, Byrd contacts Jonathon Payne and David Jones and begs for their help. The duo rushes to Saint Petersburg, Russia, and quickly finds themselves caught in an adventure that will change their lives forever.

The Demon Code Top Shelf Productions

Maren has reunited with her girlfriend, Kaia, who had been abducted by the Aurati. Kaia seems more like a stranger than the lover Maren knew back home; Naava, the mother of all dragons, has retreated into seclusion to recover from her wounds, leaving Maren at a loss on how to set the rest of the dragons free; and worst of all, her friend Sev has been captured by the emperor's Talons. As a prisoner of Zefed, Sev is entangled in the court politics. Whispers of a rogue dragon mistress are spreading, and Sev knows that it won't be long before the emperor decides to make an example of him. When the fighting is over and the smoke clears, who will be left standing? -- adapted from jacket

Secret Scrolls Sphere

The author of The Venice Conspiracy delivers a heart-stopping religious thriller “ for readers who enjoy James Rollins, Steve Berry, and Dan Brown ” (Booklist). A woman has been arrested in the streets of Rome. She' s young. She' s beautiful. She' s covered in blood. And she claims to be an ancient prophet in search of a mystical amulet hidden somewhere within the city. Ex-priest Tom Shaman teams up with a headstrong policewoman to unravel the mystery. But within Rome' s churches and corridors of power, stealthy enemies are conspiring against them. And soon, the woman' s deadly visions begin to come true. Tightly plotted and relentlessly suspenseful, The Rome Prophecy is a satisfying, electrifying thriller, which will continue to build Christer' s name in the hit-thriller genre. Praise for The Venice Conspiracy “ [A] suspenseful religious conspiracy thriller . . . A solid entry in the post-Da Vinci Code subgenre. ” —Publishers Weekly Praise for The Stonehenge Legacy “ A self-assured first novel. ” —The Wall Street Journal “ A non-stop delight of a read complete with history, secrets, conspiracies, and adventure. Christer matches wits and wiles, holding you in a tight grip from page 1 to the end. Fiercely intelligent and curious, take a walk on the perilous side and enjoy The Stonehenge Legacy. ” —Steve Berry, New York Times — bestselling author

The Turin Shroud Bloomsbury Publishing

Selected by the Modern Library as one of the 100 best nonfiction books of all time The Gnostic Gospels is a landmark study of the long-buried roots of Christianity, a work of luminous scholarship and wide popular appeal. First published in 1979 to critical acclaim, winning the National Book Award and the National Book Critics Circle Award, The Gnostic Gospels has continued to grow in reputation and influence over the past two decades. It is now widely

recognized as one of the most brilliant and accessible histories of early Christian spirituality published in our time. In 1945 an Egyptian peasant unearthed what proved to be the Gnostic Gospels, thirteen papyrus volumes that expounded a radically different view of the life and teachings of Jesus Christ from that of the New Testament. In this spellbinding book, renowned religious scholar Elaine Pagels elucidates the mysteries and meanings of these sacred texts both in the world of the first Christians and in the context of Christianity today. With insight and passion, Pagels explores a remarkable range of recently discovered gospels, including the Gospel of Thomas and the Gospel of Mary Magdalene, to show how a variety of "Christianities" emerged at a time of extraordinary spiritual upheaval. Some Christians questioned the need for clergy and church doctrine, and taught that the divine could be discovered through spiritual search. Many others, like Buddhists and Hindus, sought enlightenment—and access to God—within. Such explorations raised questions: Was the resurrection to be understood symbolically and not literally? Was God to be envisioned only in masculine form, or feminine as well? Was martyrdom a necessary—or worthy—expression of faith? These early Christians dared to ask questions that orthodox Christians later suppressed—and their explorations led to profoundly different visions of Jesus and his message. Brilliant, provocative, and stunning in its implications, *The Gnostic Gospels* is a radical, eloquent reconsideration of the origins of the Christian faith.

Satin Island Penguin

Jeffrey buys a frozen chicken from the supermarket, names it Blinky, and has it buried in a pet cemetery.

Don't Turn Out the Lights Simon and Schuster

In the ancient town of Ephesus, Mary lives alone, years after her son's crucifixion. She has no interest in collaborating with the authors of the Gospel -- her keepers, who provide her with food and shelter and visit her regularly. She does not agree that her son is the Son of God; nor that his death was "worth it;" nor that the "group of misfits he gathered around him, men who could not look a woman in the eye," were holy disciples. Mary judges herself ruthlessly (she did not stay at the foot of the Cross until her son died -- she fled, to save herself), and is equally harsh on her judgement of others. This woman who we know from centuries of paintings and scripture as the docile, loving, silent, long-suffering, obedient, worshipful mother of Christ becomes a tragic heroine with the relentless eloquence of Electra or Medea or Antigone. Tóibín's tour de force of imagination and language is a portrait so vivid and convincing that our image of Mary will be forever transformed.

What Did Jesus Look Like? Hachette UK

A long lost gospel - the Evangelium Gaspar - holds the truth about Jesus of Nazareth and whoever possesses it will wield unlimited power. This title covers a dark secret at the very heart of Christianity.

The Testament of Mary Sterling

For fans of ITV's 'Des', starring David Tennant as Dennis Nilsen. Only one TV interview with a serial killer has ever been recorded in a British jail and broadcast. This is the exclusive story of that dramatic event, carried out by award-winning documentary maker Mike Morley with Dennis Nilsen, then the country's most prolific murderer. In what became front page news, Morley overcame two eleventh hour government attempts (in the High Court and Court of Appeal) to stop ITV in the UK screening any extracts of the Nilsen interview. Controversially, the court ruled no more than 4 minutes of a four-hour interrogation should ever be shown. The Dennis Nilsen Tapes: In Jail with Britain's Most Infamous Serial Killer covers those full four hours, plus two days spent face to face with Nilsen in Albany Prison and two years of graphic correspondence and confessions from the infamous Scottish serial killer. With fresh insight from world famous psychological profilers and a leading pathologist, Morley completes almost three decades of investigation into what turned the former chef, policeman and civil servant into one of the world's most notorious murderers and necrophiles.
