Original Bavarian Folktales: A Sch ö nwerth Selection Simon and Schuster

One of six sisters, Dortchen Wild lives in the small German kingdom of Hesse-Cassel in the early 19th century. She finds herself irresistibly drawn to the boy next door, the handsome but very poor fairy tale scholar Wilhelm Grimm. It is a time of tyranny and terror. Napoleon Bonaparte wants to conquer all of Europe, and Hesse-Cassel is one of the first kingdoms to fall. Forced to live under oppressive French rule, Wilhelm and his brothers quietly rebel by preserving old half-forgotten tales that had once been told by the firesides of houses grand and small over the land. As Dortchen tells Wilhelm some of the most powerful and compelling stories in what will one day become his and Jacob's famous fairy tale collection, their love blossoms. But Dortchen's father will not give his consent for them to marry and war, death, and poverty also conspire to keep the lovers apart. Yet Dortchen is determined to find a way. Evocative and richly-detailed, Kate Forsyth's *The Wild Girl* masterfully captures one young woman's enduring faith in love and the power of storytelling.

[The Pentamerone: Or, the Story of Stories](#) Penguin

A Penguin Classics Deluxe Edition of Hans Christian Andersen's famous tales, from award-winning translator Tiina Nunnally Hans Christian Andersen was the profoundly imaginative writer and storyteller who revolutionized literature for children. He gave us the now standard versions of some traditional fairy tales—with an anarchic twist—but many of his most famous tales sprang directly from his imagination. The thirty stories here range from exuberant early works such as "The Tinderbox" and "The Emperor's New Clothes" through poignant masterpieces such as "The Little Mermaid" and "The Ugly Duckling" to more subversive later tales such as "The Ice Maiden" and "The

Wood Nymph." For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Orchard Book of Grimm's Fairy Tales Princeton University Press

A cumulative tale in which the turnip planted by an old man grows so enormous that everyone must help to pull it up.

[The Forgotten Fairy Tales of Franz Xaver von Sch ö nwerth](#) Lindhardt og Ringhof

A rare discovery in the world of fairy tales—now for the first time in English Move over, Cinderella: Make way for the Turnip Princess! And for the "Cinderellas" in these stories, which turn our understanding of gender in fairy tales on its head. With this volume, the holy trinity of fairy tales—the Brothers Grimm, Charles Perrault, and Hans Christian Andersen—becomes a quartet. In the 1850s, Franz Xaver von Sch ö nwerth traversed the forests, lowlands, and mountains of northern Bavaria to record fairy tales, gaining the admiration of even the Brothers Grimm. Most of Sch ö nwerth's work was lost—until a few years ago, when thirty boxes of manuscripts were uncovered in a German municipal archive. Now, for the first time, Sch ö nwerth's lost fairy tales are available in English. Violent, dark, and full of action, and upending the relationship between damsels in distress and their dragon-slaying heroes, these more than seventy stories bring us closer than ever to the unadorned oral tradition in which fairy tales are rooted, revolutionizing our understanding of a hallowed genre. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,500 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as

up-to-date translations by award-winning translators.

The Wild Girl Penguin UK

One of an old man's turnips grows to such an enormous size that he needs the help of his wife, a little girl, a dog, a cat, and a mouse to pull it up.

[The Barefoot Book of Pirates](#) World Book

An illustrated collection of six fairy tales from six different countries, including the French "The Magic Thread" and the Spanish "The Three Oranges."

The Golden Age of Folk and Fairy Tales

Macmillan

There are, roughly speaking, two distinct types of Scottish Fairy Tales. There are what may be called "Celtic Stories," which were handed down for centuries by word of mouth by professional story-tellers, who went about from clachan to clachan in the "Highlands and Islands," earning a night's shelter by giving a night's entertainment, and which have now been collected and classified for us by Campbell of Isla and others. These stories, which are also common to the North of Ireland, are wild and fantastic, and very often somewhat monotonous, and their themes are strangely alike. They almost always tell of some hero or heroine who sets out on some dangerous quest, and who is met by giants, generally three in number, who appear one

after the other; with whom they hold quaint dialogues, and whom eventually they slay. Most of them are fairly long, and although they have a peculiar fascination of their own, they are quite distinct from the ordinary Fairy Tale. These latter, in Scotland, have also a character of their own, for there is no country where the existence of Spirits and Goblins has been so implicitly believed in up to a comparatively recent date. As a proof of this we can go to Hogg's tale of "The Wool-gatherer," and see how the countryman, Barnaby, voices the belief of his day. "Ye had need to tak care how ye dispute the existence of fairies, brownies, and apparitions! Ye may as weel dispute the Gospel of Saint Matthew." Perhaps it was the bleak and stern character of their climate, and the austerity of their religious beliefs which made our Scottish forefathers think of the spirits in whom they so firmly believed, as being, for the most part, mischievous and malevolent. Their Bogies, their Witches, their Kelpies, even their Fairy Queen herself, were supposed to be in league with the Evil One, and to be compelled, as Thomas of Ercildoune was near finding out to his cost, to pay a "Tiend to Hell" every seven years; so it was not to be wondered at, that these uncanny beings were dreaded and feared. But along with this dark and gloomy view, we find touches of delicate playfulness and brightness. The Fairy Queen might be in league with Satan, but her subjects were not all bound by the same law, and many charming tales are told of the "sith" or silent folk, who were always spoken of with respect, in case they might be within earshot, who made their dwellings under some rocky knowe, and who came out and danced on the dewy sward at midnight.

The Girls at the Kingfisher Club W. W.

Norton & Company

Presents new translations of forty fairy tale classics in a volume that includes previously omitted tales and is

complemented by hundreds of annotations that explore the historical origins, cultural complexities, and psychological effects of the stories.

Mirror Mirrored Penguin UK

The Boxer and the Princess Gallery / Saga Press

Grimms' fairy tales, originally collected in 1812, are a timeless chronicle of the possibilities our lives all have, and the full range of human nature. The stories remain just as relevant today as when they were first published over 200 years ago. To introduce these tales to a new generation, Uzzlepye Press presents *Mirror Mirrored: An Artists' Edition of 25 Grimms' Tales*, a special visual edition of 25 of the stories. It includes not only almost 2,000 vintage Grimms' illustrations remixed into the book alongside the story texts, but also work from 28 contemporary artists visually reimagining these stories.

Fairy Tales The Turnip Princess and Other Newly Discovered Fairy Tales

Lang's fairy books were childhood favorites of Tolkien.

An Anthology of Stories Createspace Independent Publishing Platform

He is a prince and heir to a kingdom threatened on all sides, possessor of the forbidden animal magic. She is a princess from a rival kingdom, the daughter her father never wanted, isolated from all except her hound. In this lush and beautifully written fairy-tale romance, a prince, a princess, and two kingdoms are joined in the aftermath of a war. Proud, stubborn, and bound to marry for duty, George and Beatrice will steal your heart—but will they fall in love?

A Novel Courier Corporation

Approximately 150 fairy and folk tales from a three-volume scholarly work of the 1850s. Includes Introduction to the German and East Bavarian

stories. Tales of giants, witches, death, other subjects grouped thematically.

A Contemporary Artists' Edition of 25 Grimms' Tales New York Review of Books

This striking, richly illustrated edition of long-lost German fairy tales is not a book for children. It is a book for adults. Or for adults to frighten children into behaving...whichever you prefer. In 2009, a trove of lost fairy tales collected by Franz Xaver von Schönwerth—a 19th-century collector of Bavarian folk tales and contemporary of the Brothers Grimm—was unearthed in a municipal archive in Germany. Unlike the Grimms, who polished the stories they collected, adapting to contemporary tastes, von Schönwerth recorded the stories as they were told, plucking them directly from the living, breathing tree of oral storytelling, retaining their darker themes and sometimes shocking violence. Von Schönwerth published a single volume of these tales in his lifetime, but the vast majority languished and were forgotten over the years, effectively frozen in time until their recent rediscovery. Now, award-winning illustrator Willow Dawson, in collaboration with translator Shelley Tanaka, has brought these long-lost tales unforgettably to life, illuminating with striking woodcut-style illustrations a spectacular collection that will change the way you look at fairy tales forever. Paired with Dawson's arresting artwork, the stories in *White as Milk, Red as Blood* race with palpable energy through fantasy landscapes darker, bawdier and racier than anything we find in Disney or the Grimms. Following the tradition of illustrated fairy-tale collections, *White as Milk, Red as Blood* is the very first fully illustrated, full-colour edition of Franz Xaver von Schönwerth's work. It is a timeless tome of enchantment and foreboding: tales—as haunting as they are profound—of powerful princesses, helpless men, lecherous villains, virtuous girls,

witches, giants, at least one female serial killer, mer-people, shape-shifters and talking beasts--a kaleidoscope of wonders both familiar and entirely new; rich and strange. Dawson and Tanaka's dark and lively take on von Schönwerth's collected tales will appeal to fans of Mike Mignola's classic fantasy comic-book series Hellboy.

New Fairy Tales OUP Oxford

The "tale as old as time," in versions from across the centuries and around the world--published to coincide with Disney's live-action 3D musical film starring Emma Watson, Ian McKellen, Ewan McGregor, Audra McDonald, Kevin Kline, Stanley Tucci, Dan Stevens, and Emma Thompson. Nearly every culture tells the story of Beauty and the Beast in one fashion or another. From Cupid and Psyche to India's Snake Bride to South Africa's "Story of Five Heads," the partnering of beasts and beauties, of humans and animals in all their variety--cats, dogs, frogs, goats, lizards, bears, tortoises, monkeys, cranes, warthogs--has beguiled us for thousands of years, mapping the cultural contradictions that riddle every romantic relationship. In this fascinating volume, preeminent fairy tale scholar Maria Tatar brings together tales from ancient times to the present and from a wide variety of cultures, highlighting the continuities and the range of themes in a fairy tale that has been used both to keep young women in their place and to encourage them to rebel, and that has entertained adults and children alike. With fresh commentary, she shows us what animals and monsters, both male and female, tell us about ourselves, and about the transformative power of empathy. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more

than 1,800 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Turnip Hachette UK

It was out of medieval Provence--Proensa--that the ethos of courtly love emerged, and it was in the poetry of the Provençal troubadours that it found its perfect expression. Their poetry was also a central inspiration for Dante and his Italian contemporaries, propagators of the modern vernacular lyric, and seven centuries later it was no less important to the modernist Ezra Pound. These poems, a source to which poetry has returned again and again in search of renewal, are subtle, startling, earthy, erotic, and supremely musical. The poet Paul Blackburn studied and translated the troubadours for twenty

years, and the result of that long commitment is Proensa, an anthology of thirty poets of the eleventh through thirteenth centuries, which has since established itself not only as a powerful and faithful work of translation but as a work of poetry in its own right.

Blackburn's Proensa, George Economou writes, "will take its place among Gavin Douglas' Aeneid, Golding's Metamorphoses, the Homer of Chapman, Pope, and Lattimore, Waley's Japanese, and Pound's Chinese, Italian, and Old English."

Pantheon

On the shrouded corpse hung a tablet of green topaz with the inscription: 'I am Shaddad the Great. I conquered a thousand cities; a thousand white elephants were collected for me; I lived for a thousand years and my kingdom covered both east and west, but when death came to me nothing of all that I had gathered was of any avail. You who see me take heed: for Time is not to be trusted.' Dating from at least a millennium ago, these are the earliest known Arabic short stories, surviving in a single, ragged manuscript in a library in Istanbul. Some found their way into The Arabian Nights but most have never been read in English before. Tales of the Marvellous and News of the Strange has monsters, lost princes, jewels beyond price, a princess turned into a gazelle, sword-wielding statues and shocking reversals of fortune.

And Other Stories: 75th Anniversary Edition

(Penguin Classics Deluxe Edition) Knopf Canada
For the 75th anniversary of her birth, a Deluxe Edition of the master of the literary supernatural's most celebrated book--featuring a new introduction by Kelly Link. Angela Carter was a storytelling sorceress, the literary godmother of Neil Gaiman, David Mitchell,

Audrey Niffenegger, J. K. Rowling, Kelly Link, and other contemporary masters of supernatural fiction. In her masterpiece, *The Bloody Chamber*—which includes the story that is the basis of Neil Jordan's 1984 movie *The Company of Wolves*—she spins subversively dark and sensual versions of familiar fairy tales and legends like "Little Red Riding Hood," "Bluebeard," "Puss in Boots," and "Beauty and the Beast," giving them exhilarating new life in a style steeped in the romantic trappings of the gothic tradition. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.
