100,000 COPIES IN PRINT! The long-taboo subject of consensual BDSM (bondage/discipline, dominance/submission, sadomasochism) is coming "out of the closet" - much to the delight of the millions of adults who enjoy engaging in bondage, spanking, erotic role-playing and similar consensual practices. With chapters on everything from partner-seeking to afterplay, including step-by-step guides to bondage, spanking, flagellation, roleplay, erotic torment and much more, Jay Wiseman's SM 101 has taught the fundamentals of safe, exciting SM to tens of thousands of people of all genders and orientations! "If you want to read SM nonfiction that has a pulse and passion, that inspires as much as it instructs, SM 101 is the book for you." - Joseph Bean, *Drummer*  
SM 101 Routledge

Much of what we 've "heard" about BDSM and the lifestyle is wrong. Our opinions on this lifestyle and art form are oftentimes shaped by other people who have heard something about it and perhaps embellished it to the point of perpetuating myths. The truth is that BDSM is not degrading towards women, and it 's also a concept that you will find is not "scary." And even the "pain" that is spoken of is not the type of pain people think it is. This book is written for Doms/Masters in training. It is written for you, the average guy or gal, who doesn 't already have a closet full of leather and whips, and who really has little idea about what BDSM is besides what they 've heard about it. What you are going to find out, is that the Dom/Master actually has the more complicated role. The master has the task of giving pleasure and discipline to the slave or sub. A great deal of what you do as a Dom will be for the benefit of a sub. You must derive pleasure from giving, have a great desire to please a partner, and

not simply take what you want. Still interested? Good. Now that we know you 're a REAL master in training, one that will respect the rules, respect the slave you have power over, and follow protocol, you can begin your Dom training. Only then can you truly earn the utmost respect and admiration from your sub. In Volume 1 of this series we are going to discuss: - How to think and act like a Dom - What the slave expects from you - What not to do and what instincts you do NOT want to follow - Your motivation and your goals - How to find out a sub 's taboo - How to negotiate, find agreement and ensure that game play is always safe - How to make a slave yearn for you and desire to be controlled by you - And much more...

The population over age 50 is larger than ever in history. According to the U.S. Census Bureau, 32.1 percent of the U.S. population were age 50 and over in 2011. This demographic is also healthier, more aware, more youthful, and more vocal than any previous older generation. Thanks to ongoing medical discoveries, the sexual revolution, and the Internet, today's seniors are also sexier than ever — or at least they're now willing to talk and ask about sex as never before. They are the generation that discovered clitoral orgasms, vibrators, and Viagra, and there's no stopping the thirst for knowledge and pleasure now. Since 2005, Joan Price has penned *Better Than I Ever Expected: Straight Talk About Sex After Sixty* and emerged as the go-to sexpert for the over-50 population. Price's savvy advice, honesty, helpfulness, and humor garnered awareness in the media, in professional circles of therapists and sex educators, and among the huge population of people over 50 who hunger for real information from an age appropriate author. Price tackles it all in this definitive guide to sex and aging: health, fun (and function), disability, dating, illness, orgasms, G-spots, P-spots, polyamory, kink, and much more.

About the series... *Shibari* is the Japanese-inspired art of tying a subject to not only immobilize them, but to do so elegantly and beautifully - creating an intimate and erotic experience for both the subject and the person tying. Adopted by rope enthusiasts all over the world, *shibari* (literally "to tie" or "to bind") is a cornerstone of erotic rope art and the subject of captivating performances and photographs. However, in-depth resources for learning the art are difficult to obtain, making *shibari* intimidating, obscure and difficult to master... Until now. The *Complete Shibari* series is the most complete and accessible English-language guide to *shibari* ever published. Author Douglas Kent strips away *shibari*'s mystery and reveals how to create visually stunning compositions with rope and the human form... in your own home or play space.
