Cheesie Mack Is Not Exactly
Famous Penguin

In the vein of Shel Silverstein and Jack Prelutsky, this illustrated book of humorous poems will guarantee giggles. Artist, poet, and award-winning author Douglas Florian successfully captures the comedy of kids' everyday lives with this jam-packed volume of 170 nonsense poems. Meander through the

different aisles—such as “ Jests & Jives ” or “ Tons of Puns ” —to find everything from laugh-out-loud limericks to frenetic free verse. With Florian ’ s eccentric wit and off-the-wall drawings, this one-stop funny poetry shop is perfect for fans of Where the Sidewalk Ends.

In Casseomae's world, the wolves rule the Forest, and the Forest is everywhere. The animals tell stories of the Skinless Ones, whose cities and roads once covered the earth, but the Skinless disappeared long ago. Casseomae is content to live alone, apart from the other bears in her tribe, until one of the ancients' sky vehicles crashes to the ground, and from it emerges a Skinless One, a child. Rather than turn him over to the wolves, Casseomae chooses to protect this human cub, to find someplace safe for him to live. But where among the animals will a human child

be safe? And is Casseomae threatening the safety of the Forest and all its tribes by protecting him? Middle-grade fans of postapocalyptic fiction are in for a treat with this fanciful and engaging animal story by the author of the Clockwork Dark trilogy.

Sixth grader Jake

Ali Mathews is slowly climbing his way back up the ladder of popularity.

Increasingly settled in his new school and with a great new best friend,

Michael, everything seems to be going okay for Jake. Until Jake's beloved teacher, Mrs.

Pilsner, has a baby and the students in Jake's homeroom are handed off to the

super-scary substitute, Ms. Cane. Rather than teach through traditional methods, Ms. Cane decides to have these go-getters help her with a fledgling pet-grooming company. Dogs, cats, and more get bathed, popularity struggles become boardroom struggles, and Jake's friendship with Michael is tested. Even Jake's diabolical sister, Alexis, gets in on the puppy-cleaning action and hilarity ensues. But will Jake's brand of AWESOMENESS be enough to clean up this furry mess?

The Girl Who Wrote in Silk **Penguin**

Relates what happens to the very last dragon in Cornwall

when the local princess and her prince decide, in a departure from tradition, to tame the dragon rather than fight him.

Willis Wilbur Wows the World **Simon and Schuster**

Willis Wilbur has the entire summer in front of him. So it's time to fulfill his destiny: becoming the neighborhood life coach. Nine-year-old Willis Wilbur had his summer figured out. He and his best friend, Shelley, were going to Band Camp, and he was going to learn how to play the sousaphone. Easy. Simple. A done deal. But when Shelley is whisked off to Hawaii for a summer with her family, Willis is left staring down the long, boring road of an empty summer. Or even worse--eight long weeks

of Day Camp. So Willis decides to try something new. He's going to MAKE A DATE WITH DESTINY. And after spotting a flyer for a local business competition, he finds exactly what his true calling really is: becoming the Neighborhood Life Coach. A kid helping other kids with kids' problems. His niche, he discovers. And he was going to be great at it. The best at it. So good, that he was going to become wildly, ridiculously famous. All he needed were some clients... With gumption, tenacity, and many other buzzwords he finds in self-help business magazines, Willis dives bowtie-first into the entrepreneurial waters. But starting a business alone, especially without his best friend by his side, is tough work. And with neighborhood bullies getting in his way, a guinea pig client who's actually a guinea pig, and an annoyingly competent little sister asking for a raise, Willis has his work cut out for him. Funny, heartfelt, and overwhelmingly endearing, Willis Wilbur is here to make all of your (well, his) dreams come true. (For a small fee.)

The Well of Loneliness, first published in 1928, is a timeless portrayal of lesbian love. The thinly disguised story of Hall's own life, it was banned outright upon publication and almost ruined her literary career as the subject was that of an

obscurity trial and forbidden at the time in England. The novel tells the story of Stephen, an ideal child of aristocratic parents—a fencer, a horse rider and a keen scholar. Stephen grows to be a war hero, a bestselling writer and a loyal, protective lover. But Stephen is a woman, and is attracted to women. As her ambitions drive her, and society incarcerates her, Stephen is forced into desperate actions. Although Gordon's attitude toward her own sexuality is anguished, the novel presents lesbianism as natural and makes a plea for greater tolerance. It became an international bestseller, and for decades was the single most famous lesbian novel.

Ari Fish believes in two things: his hero-Wayne Timcoe, the greatest soccer goalie to ever come out of Somerset Valley-and luck. So when Ari finds a rare and valuable Wayne Timcoe trading card, he's sure his luck has changed for the better. Especially when he's picked to be the starting goalie on his team. But when the card is stolen-and his best friend and the new girl on the team accuse each other of taking it-suddenly Ari can't save a goal, everyone is fighting, and he doesn't know who, or what, to believe in. Before the team falls apart, Ari must learn how to make his own luck, and figure out what it truly means to be a hero.

In this sequel to the New York Times bestseller 99 Days, perfect for fans of Jenny Han and Morgan Matson, Molly Barlow finds herself in Europe on her summer vacation, desperately trying to forget

everything that happened a year ago. But over the course of nine days and nine nights, her whole life will be turned upside down once more. . . .

Molly Barlow isn't that girl anymore. A business major at her college in Boston, she's reinvented herself after everything that went down a year ago... After all the people she hurt and the family she tore apart. Slowly, life is getting back to normal. Molly has just said I love you to her new boyfriend, Ian, and they are off on a

romantic European

vacation together, starting with scenic London. But there on a tube platform, the past catches up to her in the form of Gabe, her ex, traveling on his own parallel vacation with new girlfriend Sadie.

After comparing itineraries, Ian ends up extending an invite for Gabe and Sadie to join them on the next leg of their trip, to Ireland. And Molly and Gabe can't bring themselves to tell the truth about who they once were to each other to their new significant others. Now Molly has to spend 9 days and 9 nights with the boy she once loved, the boy whose heart she shredded, without Ian knowing. Will she make it through as new and improved Molly, or will

everything that happened between her and Gabe come rushing back? Random House Books for Young Readers School is in session as celebrated authors share their real-life academic experiences and turn them into fiction! To some kids, school means homework, bus rides, or band practice. To others it means bullies, tough teachers, or pranking the substitute. In this second collection in the *Been There, Done That* series, authors describe a standout story from their school days. As with the first anthology, each author will contribute a narrative nonfiction account that serves as

the inspiration for an original fictional short story. The contributing award-winning and best-selling middle-grade authors include Holly Goldberg Sloan, Kelly Starling Lyons, Tommy Greenwald, Wendy Mass, Bruce Hale, Jacqueline West, Ellen Yeomans, Vince Evans, Nate Evans, Sarah Prineas, Steve Sheinkin, Shaun David Hutchinson, Don Tate, Varian Johnson, Howard Cruse, Meg Medina, C. Alexander London, and Bruce Coville.

A smart superhero book for girls with plenty of glitter--perfect for fans of *The Powerpuff Girls*. It all started with a mysterious purple goo... What happens

when four best friends find themselves splattered with a bubbling, genetically altering substance during a seemingly innocent sleepover in a secret, see-through, high-tech, futuristic lab? They develop superpowers, that 's what! Iris, Cheri, Scarlet, and sometimes Opaline have become . . . THE ULTRA VIOLETS After a super baddie face-off with the mutants in the Mall of No Returns, the girls know Chronic Prep is in peril... Bursting with glitter rainbows IRIS must keep her crazy artistic skills a secret. CHERI and her sweetie skunk Darth Odor smell something fishy and none of the math is adding up. High-kick, ninja cha-cha dance moves win SCARLET the lead role in the school play but even that isn ' t enough to distract her from the truth. And it ' s all because OPALINE is turning their classmates into real debbie downers.

Can the Ultra Violets stop her evil plan before their friends ' brains are French fried? Better find out soon because...THE FUCHSIA IS NOW!

A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she ' ll never recover. Between her parents ' arguing and the battle she ' s fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo,

Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future?

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not

every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

Announcing the completely revised and updated edition of The Wine Bible, the perennial bestselling wine book praised as "The most informative and entertaining book I've ever seen on the subject" (Danny Meyer),

"A guide that has all the answers" (Bobby Flay),
"Astounding" (Thomas

Keller), and "A magnificent masterpiece of wine writing" (Kevin Zraly). Like a lively course from an expert teacher, The Wine Bible grounds the reader deeply in the fundamentals while layering on informative asides, tips, amusing anecdotes, definitions, glossaries, photos (all new for this edition), maps, labels, and recommended bottles. Karen MacNeil's information comes directly through primary research; for this second edition she has tasted more than 10,000 wines and visited dozens of wine regions around the world. New to the book are wines of China, Japan, Mexico, and Slovenia. And through it all the reader becomes ever more informed—and,

because of the author's unique voice, always entertained: "In great years Pétrus is ravishing, elegant, and rich—Ingrid Bergman in red satin." Or, describing a Riesling: "A laser beam. A sheet of ice. A great crackling bolt of lightning."

BESTSELLER! A

historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing and the

power of our own stories.

The smallest items can hold centuries of secrets... Inara Erickson is exploring her deceased aunt's island estate when she finds an elaborately stitched piece of fabric hidden in the house. As she peels back layer upon layer of the secrets it holds, Inara's life becomes interwoven with that of Mei Lein, a young Chinese girl mysteriously driven from her home a century before. Through the stories Mei Lein tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson.

When we think of "climate change," we think of man-made global warming, caused by greenhouse gas emissions. But natural climate change has occurred throughout human history, and populations have had to adapt to the climate's vicissitudes. Anthony J. McMichael, a renowned epidemiologist and a pioneer in the field of how human health relates to climate change, is the ideal person to tell this story. *Climate Change and the Health of Nations* shows how the natural environment has vast direct and indirect repercussions for human

health and welfare. McMichael takes us on a tour of human history through the lens of major transformations in climate. From the very beginning of our species some five million years ago, human biology has evolved in response to cooling temperatures, new food sources, and changing geography. As societies began to form, they too adapted in relation to their environments, most notably with the development of agriculture eleven thousand years ago. Agricultural civilization was a Faustian bargain, however: the prosperity and comfort that an agrarian society provides relies on the assumption that the environment will largely remain stable. Indeed, for agriculture to

succeed, environmental conditions must be just right, which McMichael refers to as the "Goldilocks phenomenon." Global warming is disrupting this balance, just as other climate-related upheavals have tested human societies throughout history. As McMichael shows, the break-up of the Roman Empire, the bubonic Plague of Justinian, and the mysterious collapse of Mayan civilization all have roots in climate change. Why devote so much analysis to the past, when the daunting future of climate change is already here? Because the story of mankind's previous survival in the face of an unpredictable and unstable climate, and of the terrible toll that climate change can take, could not be more

important as we face the realities of a warming planet. This sweeping magnum opus is not only a rigorous, innovative, and fascinating exploration of how the climate affects the human condition, but also an urgent call to recognize our species' utter reliance on the earth as it is.
