The author of this volume, Modeste Tchaikovsky, was, along with his twin Anatoly, the youngest of Tchaikovsky's siblings. He devoted his life to the arts, translating and writing plays, as well as librettos, several of them for his

brother's operas and many for other composers. As Tchaikovsky's closest friend and confidant, Modeste became his first biographer and founded the Tchaikovsky Museum at the composer's country house in Klin. Modeste's biography of Tchaikovsky is considered the earliest comprehensive volume on the composer, even though portions of it were edited over the years by translators, as well as Russian and later Soviet censors. It nonetheless includes many of Tchaikovsky's letters and journal entries and offers a thorough insight into both the public and the private man.

In 1907, author, poet, essayist, and folk art historian Eliza Calvert Hall (1856–1935) published Aunt Jane of Kentucky, a collection of stories about rural life infused with the spirit and gentle good humor of its elderly narrator, Aunt Jane. The book and several sequels achieved wide popularity, reaching an estimated one million readers in her lifetime, and placed Hall in the front ranks of "local color" fiction writers of her time. Eliza Calvert Hall's life and work unfolded during a time of restlessness and change for American women. Born Eliza "Lida" Calvert in Bowling Green, Kentucky, Hall experienced the upheaval of both the Civil War and family scandal. Forced to help support her mother and four siblings by teaching school, she became a published poet, adopting her grandmother's name, Hall, as her pseudonym. At twenty-nine, she married William A. Obenchain, and in the space of eight years gave birth to four children. As Hall struggled to balance her writing career with the duties of a nineteenth-century wife and mother, suffragist Laura Clay was lobbying for every woman's right to vote. Hall joined the battle, writing fearlessly in support of suffrage and equality. While her passionate essays served as a direct appeal for this cause, her creative writing also carried a feminist spirit, celebrating the strength, humor, love, and art of the common woman. In Eliza Calvert Hal: Kentucky Author and Suffragist!, Lynn E. Niedermeier tells the story of this remarkable Kentuckian for the first time. Hall's challenge was to balance the artist's creative ambitions with the crusader's passion for achieving the goal of political equality for American women. Her successes did not stem from privilege or leisure; although she was an acclaimed writer, Hall was an ordinary woman, a wife and mother of moderate economic means. Through the power of her words, she challenged others to match her courage, independence, intellectual energy, and loyalty to her sex.

This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel The Unlit Lamp (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy The Forge (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel The Well of Loneliness (1928). This is her only work with overt lesbian themes and tells the story of the life of a masculine lesbian named Stephen Gordon.
