Understanding by Design (UbD) by Grant Wiggins and Jay McTighe provides a framework that systematically addresses these key issues in a practical manner (Wiggins and McTighe, 1999).

Understanding by Design | Center for Teaching | Vanderbilt ...

Understanding by Design is a book written by Grant Wiggins and Jay McTighe that offers a

framework for designing courses and content units called “ Backward Design. ” Instructors typically approach course design in a “ forward design ” manner, meaning they consider the learning activities (how to teach the content), develop assessments around their learning activities, then attempt to draw connections to the learning goals of the course.
