Based on the British Book Awards Biography of the Year, *Toast* is the story of Nigel Slater's childhood, told through the tastes and smells he grew up with. From making the perfect sherry trifle to waging a war over cakes and from the pressured playground politics of sweets to the rigid rules of restaurant dining, this is a story of love, loss and...toast.

This book presents a critical account of the political pluralism of Figgis, Laski and other English writers of the early twentieth century, indicating its whig roots in the previous century. Pluralists believed in liberty, preserved by power decentralised, and in group personality. Theories of sovereignty were rejected and a distinctive understanding of the state proposed. Pluralism is particularly relevant to a world where the omniscient state has increasingly been called into question and federal structures of authority are the order of the day.

NOW A MAJOR MOTION PICTURE "Utterly charming . . . a big-hearted, flawless coming-of-age tale, as scary and funny as your yearbook picture." —People (four stars) The year is 1985. Brian Jackson, a working-class kid on full scholarship, has started his first term at university. He has a dark secret—a long-held, burning ambition to appear on the wildly popular British TV quiz show *University Challenge*—and now, finally, it seems the dream is about to become reality. He 's made the school team, and they 've completed the qualifying rounds and are limbering up for their first televised match. (And, what 's more, he 's fallen head over heels for one of his teammates, the beautiful, brainy, and intimidatingly posh Alice Harbinson.) Life seems perfect and triumph inevitable—but as his world opens up, Brian learns that a little knowledge can be a dangerous thing. Praise for *A Starter for Ten* "Fresh, edgy and very funny . . . [David Nicholls] has a talent for droll dialogue and a wonderful sense of the ridiculous." —USA Today "Starter for Ten has that elusive Hornby-factor. . . . It 's wincingly funny . . . a prospect to savour." —Arena

Avi Steinberg is stumped. After defecting from yeshiva to attend Harvard, he has nothing but a senior thesis on Bugs Bunny to show for himself. While his friends and classmates advance in the world, Steinberg remains stuck at a crossroads, his "romantic" existence as a freelance obituary writer no longer cutting it. Seeking direction (and dental insurance) Steinberg takes a job running the library counter at a Boston prison. He is quickly drawn into the community of outcasts that forms among his bookshelves—an assortment of quirky regulars, including con men, pimps, minor prophets, even ghosts—all searching for the perfect book and a connection to the outside world. Steinberg recounts their daily dramas with heartbreak and humor in this one-of-a-kind memoir—a piercing exploration of prison culture and an entertaining tale of one young man 's earnest attempt to find his place in the world.

From the best-selling author of *One Day* comes a bittersweet and brilliantly funny coming-of-age tale about the heart-stopping thrill of first love--and how just one summer can forever change a life. Now: On the verge of marriage and a fresh start, thirty-eight year old Charlie Lewis finds that he can't stop thinking about the past, and the events of one particular summer. Then: Sixteen-year-old Charlie Lewis is the kind of boy you don't remember in the school photograph. He's failing his classes. At home he looks after his depressed father--when surely it should be the other way round--and if he thinks about the future at all, it is with a kind of dread. But when Fran Fisher bursts into his life and despite himself, Charlie begins to hope. In order to spend time with Fran, Charlie must take on a challenge that could lose him the respect of his friends and require him to become a different person. He must join the Company. And if the Company sounds like a cult, the truth is even more appalling: The price of hope, it seems, is Shakespeare, Romeo and Juliet learned and performed in a theater troupe over the course of a summer. Now: Charlie can't go the altar without coming to terms with his relationship with Fran, his friends, and his former self. Poignant, funny, enchanting, devastating, *Sweet Sorrow* is a tragicomedy about the rocky path to adulthood and the confusion of family life, a celebration of the reviving power of friendship and that brief, searing explosion of first love that can only be looked at directly after it has burned out.

Shortlisted for the Carnegie Medal 2019, National Book Award, Books Are My Bag Readers' Awards and the YA Book Prize Through rallies and marches, in polite drawing rooms and freezing prison cells and the poverty-stricken slums of the East End, three courageous young women join the fight for the vote. Evelyn is seventeen, and though she is rich and clever, she may never be allowed to follow her older brother to university. Enraged that she is expected to marry her childhood sweetheart rather than be educated, she joins the Suffragettes, and vows to pay the ultimate price for women's freedom. May is fifteen, and already sworn to the cause, though she and her fellow Suffragists refuse violence. When she meets Nell, a girl who's grown up in hardship, she sees a kindred spirit. Together and in love, the two girls start to dream of a world where all kinds of women have their place. But the fight for freedom will challenge Evelyn, May and Nell more than they ever could believe. As war looms, just how much are they willing to sacrifice?

This book has been written as a learning aid for EFL students (English as a Foreign Language). It is geared towards upper-intermediate and advanced students, and the first half goes over the most common verbs (e.g. come, bring, put, and make) while the second half runs through the most common prepositions (e.g. up, down, with, and on). The phrasal verbs are grouped together to make them sink in quicker. Multiple images are included in every chapter to draw out the various shades of meaning and to make the words easier to memorize. Each chapter has at least one vocabulary table, one micro-text, one short exercise, and several striking images. At the end of the book, the vocabulary is revised in a number of exercises for antonyms and synonyms. For learners who are hungry for extra resources, there is a playlist on YouTube with almost 100 video lessons (' Learn Phrasal Verbs ')

that focus on the same vocabulary. This coursebook, combined with the videos, is ideal for self-study, but it could also be used in the classroom.

"Meet The Adults. Claire and Matt are no longer together but decide what's best for their daughter Scarlett is to have a "normal" family Christmas. They can't agree on whose idea it was to go to the Happy Forest Holiday park, or who said they should bring their new partners. But someone did--and it's too late to pull the plug. Claire brings her new boyfriend Patrick (never Pat), a seemingly sensible, eligible from a distance, Iron-Man-in-Waiting. Matt brings the new love of his life Alex, funny, smart, and extremely patient. Scarlett, who is seven, brings her imaginary friend Posey. He's a rabbit. Together the five (or six?) of them grit their teeth over Forced Fun activities, drinking a little too much after bed-time, oversharing classified secrets about their pasts and before you know it their holiday is a powder keg that ends--where this story starts--with a tearful, frightened, call to the police... But what happened? They said they'd all be adults about this... --
