The Unicorn - Kindle edition by Murdoch, Iris. Literature ...

The Unicorn reads easily, with a plot that the average reader can outline and follow: a young woman is hired as a governess to a remote, mysterious household on the English coastline -- Murdoch did have an enormous fascination with the ocean and the coast -- only to discover that there are no children to teach, but rather she has been secured to keep a young married woman, Hannah, company.

THE UNICORN.: Iris. Murdoch: Amazon.com: Books

The Unicorn is steeped in philosophy and allegory, often quite explicitly. It is an interesting take on individual freedom, on guilt, on morality and love -- most of Murdoch's big themes. The heat of the quite compact novel almost overwhelms her philosophical considerations, but they're also at the heart of the odd story.

The Unicorn (Vintage Classics) - Kindle edition by Murdoch ...

Iris Murdoch's seventh novel, The Unicorn, follows so close on the hooves of John Updike's third that progressively educated readers may pardonably be muddled. In fact, Miss Murdoch's beast has played a greater role in Christian symbolology than in classical mythology; here she gives it a fresh run.
