Excerpt from Uniform System of Accounts for Second-Class Cities: The Form of the Budget, the Procedure to Be Followed in Budget Making, and the Classification of Appropriations The General Municipal Law, section 36, authorizes the State Comptroller to formulate and prescribe a system of keeping accounts, which system shall be uniform for cities of the second class in this State. In accordance therewith, such a system has been formulated by this Department and fiscal officers of each such city have been furnished with a uniform system of keeping accurate and proper records of receipts and expenditures by their respective offices. As a part of this uniform system, this Department has prescribed a form for the annual budget to be adopted by such cities and for their use in the preparation of estimates of receipts and expenditures for the year 1913 and in the adoption of their final budgets for the same year by respective common councils.
