“ Edward Janak's A Brief History of Schooling in the United States offers a pithy, fast-paced, and often humorous introduction to the history of education. In this one-of-a-kind account, he invitingly guides readers through some of the field's challenging terrain while piquing interest in learning more. ” (Jackie M. Blount, Professor of Educational Studies, Ohio State University, USA)

United States of America (USA) - Country Overview
The history of the United States is what happened in the past in the United States, a country in North America. Native Americans lived in the Americas for thousands of years. English people in 1607 went to the place now called Jamestown, Virginia. Other European settlers went to the colonies, mostly from England and later Great Britain.

Then and now: A brief history of the United States ...
The war resolved two fundamental questions left unresolved by the revolution: whether the United States was to be a dissolvable confederation of sovereign states or an indivisible nation with a sovereign national government; and whether this nation, born of a declaration that all men were created with an equal right to liberty, would continue to exist as the largest slaveholding country in the ...

A Brief History Of The United States ‘War On Drugs’. Many drugs that are currently illegal, such as opium, cocaine, and psychedelic drugs, have been around for thousands of years, and used for both spiritual and medical purposes. Certain drugs throughout the years, however, have become illegal. This motion, put forth by the government, is not due to a scientific assessment of the risks that come along with the drugs, so much as who is associated with each specific drug.

Like its popular predecessor, the second edition of The United States: A Brief History is a basic, readable, and affordable core text for the introductory survey of United States history. The book is not intended as the only resource for students in such courses: its length, approach, and price encourage the use of supplementary books, research projects, and primary documents (many of which are now available on the Internet).

This third edition of The United States: A Brief Narrative History remains a basic, readable, and highly affordable core text for the introductory survey of United States history.

The United States emerged as the world's sole remaining superpower and continued to intervene in international affairs during the 1990s, including the 1991 Gulf War against Iraq. Following his election in 1992 , President Bill Clinton oversaw one of the longest periods of economic expansion and unprecedented gains in securities values, a side effect of the digital revolution
