The Mexican folk saint adorably known as Nuestra Señora de la Santa Muerte (Our Lady of the Holy Death) has become the object of a growing spiritual tradition and global movement. The mysteries and devotional practices that constitute the fabric of Santa Muerte's legacy run as deep as its indigenous origins. Although the worship of Santa Muerte has been condemned by the Catholic Church and other clergies, it has become an intrinsic part of Mexican culture. Today, people from all walks of life and religious

paradigms have found prosperity under the cloak of Holy Death's protection and miraculous gifts of loving-kindness. Santa Muerte: The Gnostic Bible of Holy Death reveals the unknown beginnings and deeply rooted alchemical principles that are embedded in the veneration of La Santisima Muerte. The science of Holy Death has ancient roots and a profound cosmology that is an important part of understanding Santa Muerte's gnosis. This text includes an English rendering of the "Gospel of Santa Muerte" and additional esoteric and ritual practices are included.

Violence, calamity and the absurdity of war are recorded extensively within The Archive of Modern Conflict, the largest photographic collection of its kind in the world. For their most recent work, Holy Bible, Adam Broomberg and Oliver Chanarin mined this archive with philosopher Adi Ophir's central tenet in mind: that God reveals himself predominantly through catastrophe and that power structures within the Bible correlate with those within modern systems of governance. - The format of Broomberg and Chanarin's illustrated Holy Bible mimics both the precise structure and the physical form of the King James Version. By allowing elements of the original text to guide their image selection, the artists explore themes of authorship, and the unspoken criteria used to determine acceptable evidence of conflict. - Inspired in part by the annotations and images Bertolt Brecht added to his own personal bible, Broomberg and Chanarin's publication questions the clichés at play within the visual representation of conflict.

The story of Noah and his ark full of two of every animal on Earth has been a favorite Bible story of children for years. And now, for the first time, Noah's Ark is brought to life through LEGOS®! Kids will love seeing the world's flood and God's subsequent covenant with Noah to never destroy mankind again played out using their favorite toys. Brendan Powell Smith, creator of

BrickTestament.com and author of *The Brick Bible*, creates a magical "brick" world around the simplified text of the story of Noah, the flood, a wooden ark full of animals, and the promise of a rainbow. A story with a powerful message of forgiveness and love, this is the perfect gift for children.

The consolidation and closure of parishes across the United States has become a fact of contemporary Catholic life. Responding to such an event is often traumatic. How do lay leaders allow their parish to heal when an approved ritual format does not exist? Through the voice of experience and local diocesan offices, Michal Weldon, OFM, has created a guide to the reconciliation process and the rites of parish closures in *A Struggle for Holy Ground*. Composed of thirty-five interviews conducted from participants in the 1990 consolidation of ten parishes in Chicago's Englewood and participants in the 1995 San Francisco consolidation after the 1989 earthquake, *A Struggle for Holy Ground* offers a study for any parish leader to use as a reference when facing such a conflicted issue. This work explores the roles of ritual and pastoral care and proposes a series of new rites: group reconciliation, atonement, lament, leave-taking, memorial, and inauguration, based on the personal experience of those involved in parish restructurings. Chapters include: *The Best We Could Do with Church? Demographics, Finances, and Culture, Traditions of Reconciliation: Conflict, Communion, and Sacred Remembering, The Negotiation of Crisis: Forgiveness, Trauma, and Sacred Space, Remembering in a Different Kind of Way: Grief, Lament, and Healing, Towards New Rituals of Reconciliation at the Closure of Sacred Space.* Michal Weldon, O.F.M., D.Min., of Francis and Clare's Friary, Franklin, Wisconsin, is also an instructor at Sacred Heart School of Theology, Hales Corners, Wisconsin.

A New Spin on the Old Testament Simon and Schuster

It has been the fate of many books on John to be left unfinished, for its interpretation naturally forms the crowning of a lifetime. I have myself been intending to write a book on the Fourth Gospel since the 'fifties, before I broke off (reluctantly) to be Bishop of Woolwich, though I am grateful now that I did not produce it prematurely at that time. It means however that I shall be compelled to refer to and often recapitulate material directly or indirectly related to the Johannine literature, which I have written over the years (some of it indeed while I was bishop). Many scholars in fact, if not most now, think that the author of the Gospel himself never lived to finish it and have seen the work as the product of numerous hands and redactors. As will become clear, I prefer to believe that the ancient testimony of the church is correct that John wrote it 'while still in the body' and that its roughnesses, self-corrections and failures of connection, real or imagined, are the result of its not having been smoothly or finally edited. If so I am in good company. At any rate who could wish for a better last testimony from his friends than that 'his witness is true' (John 21.24)? In other words, he got it right--historically and theologically. --from the Introduction At the time of his death in December 1983, John Robinson had completed the

text of the book on which his 1984 Bampton lectures were to be based, so that it is possible to see the full details of his extremely controversial argument that the Gospel of John was the first Gospel to be written. Dr. Robinson himself once described the dawning of his conviction that this was the case as a 'Damascus Road experience', and his presentation of the evidence is made with all the customary vigor with which he would argue for something in which he deeply believed. The objections which need to be overcome to stand on its head what has long been one of the fundamental assumptions of New Testament scholarship are substantial, but here once again Dr. Robinson shows that so much of what is taken as established fact in that area is no more than preference and presumption. Certainly he will provoke rethinking on a whole series of topics, from the chronology of Jesus' ministry to the nature of his teaching. As The Listener said of the equally controversial *Redating the New Testament: The greatest pleasure Dr. Robinson gives is purely intellectual. His book is a prodigious virtuoso exercise in inductive reasoning and an object lesson in the nature of historical argument and historical knowledge. This sequel equals, if not excels, its predecessor in those respects and is a fitting tribute to a brilliant New Testament scholar. The manuscript was prepared for publication by Dr. Chip Coakley, Dr Robinson's pupil, now Lecturer in Religious Studies in the University of Lancaster.*

How and why did the early Church come to regard certain gospels, epistles, and other books as authoritative Scripture? What considerations dictated the present sequence of the books in the New Testament? Dr Metzger takes up such questions and considers whether the canon is a collection of authoritative books or an authoritative collection of books.

October 2019 marks the fiftieth anniversary of the first broadcast of Monty Python's Flying Circus on BBC Television. This humorous book contains zany writing and illustrations used by Monty Python. Graham Chapman's education and vocational training occurred variously in such places as the Midlands, Eton, the University of Cambridge, St Swithin's Hospital, on tour in a revue with John Cleese in New Zealand and on the island of Ibiza with David Frost. He was the author of *A Liar's Autobiography* and he also wrote for Monty Python's Flying Circus and the TV show *Doctor in the House*.

Graham Chapman died in 1989. John Cleese was educated at the University of Cambridge where he performed in Footlights and then went to work in London as a performer and as a comedy writer for the BBC. Besides his work with Python he is best known for his TV series Fawlty Towers (co-written with Connie Booth), the books he has written with psychologist Robin Skinner and films such as Clockwise, A Fish Called Wanda and Fierce Creatures. Eric Idle was educated at the University of Cambridge where he joined the Footlights Club becoming president of the club in 1965. He created and acted in The Rutles and has appeared in numerous films including The Adventures of Baron Munchausen and wrote the book, and co-wrote the lyrics, for the award-winning musical Spamalot (based on Monty Python & The Holy Grail). Educated at the University of Oxford, Terry Jones worked in theatre, and wrote revues and scripts for the BBC before becoming one of the creators of Monty Python. He has written many books for children and is also the author (with other scholars) of *Who Murdered Chaucer?* and a study of Chaucer's Knight. He has directed such films as *Personal Services*, *Erik the Viking* and *The Wind in the Willows*, along with all the Python films. Michael Palin was born in Sheffield in 1943 and lives with his wife Helen in North London. His adventures around the world have been huge bestsellers. His books (all of which have accompanied his documentaries for the BBC) include *Around the World in 80 Days*, *Pole to Pole*, *Full Circle*, *Sahara* and *Himalaya*. His films have included *The Missionary* and *A Private Function*. As part of the Monty Python team, Terry Gilliam produced the series' bizarre animations as well as performing. His subsequent career has encompassed animation and film-making, and he has directed films including *The Adventures of Baron Munchausen*, *Brazil*, *Twelve Monkeys* and *Fear and Loathing in Las Vegas*.

The Philistine army has gathered for a vicious war against King Saul and the Israelites. With great suspense, a Philistine giant named Goliath boldly approaches the Israelites presenting a challenge: Defeat him and the Philistines will forever be their slaves; but if the Israelites lose, then they must become slaves to the Philistines. But who would want to defy such a giant, wearing only the finest armor and carrying the sharpest spear? Nearby, a young boy named David is told to bring food to his older brothers in the army. When he arrives, he hears of Goliath's challenge. He offers to face the giant by himself. Goliath is convinced this must be some joke. But don't underestimate young David! Enjoy reading one of the Bible's best stories illustrated in LEGO as a family.

David and Goliath Tommy Nelson

From the author of the highly praised and somewhat controversial *The Brick Bible: A New Spin on the Old Testament* comes the much-anticipated New Testament edition. For over a decade, Brendan Powell Smith, creator of popular website bricktestament.com, has been hard at work using LEGO® to re-create scenes from the Bible. Now, in one volume, he has brought together over 1,000 "brick" photographs depicting the narrative story of the New Testament. From the life of Jesus—his birth, teachings, and parables—to the famous last supper scene and the crucifixion; from the fate of Judas to the life of Paul and his letters to the Ephesians; from the first book burning to the book of Revelations, this is the New Testament as

you've never experienced it before. Smith combines the actual text of the New Testament with his brick photographs to bring to life the teachings, miracles, and prophecies of the most popular book in the world. The graphic novel format makes these well-known Bible stories come to life in a fun and engaging way. And the beauty of *The Brick Bible: The New Testament* is that everyone, from the devout to nonbelievers, will find something breathtaking, fascinating, or entertaining within this impressive collection.
