Community Reviews. The Uses and Abuses of History is a thorough review of the way history has been manipulated and used as a tool in order to achieve certain goals. It shows us what the consequences are when history is taken into the wrong hands, and how this can in turn affect us in the present.

The Uses And Abuses Of

"On the Use and Abuse of History for Life", 1874 ("Vom Nutzen und Nachteil der Historie für das Leben") offers—instead of the prevailing view of "knowledge as an end in itself"—an alternative way of reading history, one where living life becomes the primary concern, along with a description of how this might improve the health of a society. It also introduces an attack against the basic precepts of classic humanism.
