The Price Of Everything But The Value Of Nothing | KEXINO

These are just some of the errors made in business today by people who know the price of everything and the value of nothing”. As you can see, much can be learnt from getting to grips with what ‘value’ is in your business – what it’s worth to business success and how you add value to your client relationships.

The Value of Nothing: How to Reshape Market Society and ...

The Price Of Everything, The Value Of Nothing. The reason doesn't have to make sense to you, as long as it makes sense to them. The fact is, nobody would buy any product or service – at whatever price it was sold at, from whatever business – if they didn't see the ‘value’ being demonstrated as part of the transaction. Price may be one thing, but value is everything.
