Angels' Blood Jennifer Malone Wright

My blood is toxic to vampires . . . If there's one thing I want, it's go get off this iceberg. I'm thinking college on the east coast. ANYWHERE besides Alaska. Then a near-fatal car wreck changes everything. Government agents jump in and save my life in exchange for my services as a vampire hunter. Did they just say vampires? Yep. And they're not the kind that sparkle. They're rabid, disgusting, rude . . . and way too suave. Those are the ones I really have to watch out for. A knife isn't my only weapon. My

rare blood type sends vampires into temporary paralysis right before I have to finish the job by hand. Basically I'm a glorified chew toy. Now I'm stuck with an overzealous partner, a group of suck junkies, and a maddening attraction to Mr. Joe Cool, dresses all in black, Fane Donado. Clearly he's keeping secrets of his own. The old Aurora is gone forever. Destroyed in the wreckage. I don't know who I am anymore, only that I suddenly have intense cravings and a V.I.P. pass into Alaska's underworld. If vampires found out who I worked for it would be lights out forever. In the meantime, I have some undead ass to kick so long as it doesn't kick mine first.
