A war is brewing between the hunters and the vampires and Chloe is determined to strike against the vampires before they have a chance to attack the hunter community. While Chloe tries to convince the hunter community, and most especially tries to convince Drew, that they should move against the vampires first instead of waiting for an attack, the group of new friends--Oscar, Alice, Drew, Chloe and Christina--are distracted by news reports of a vigilante who is saving

innocent humans against what can only be vampire attacks. Fearing this vigilante will cause unwanted attention that will expose the vampire-hunter community with each person he rescues, the group attempts to discover who this mysterious potential vampire hunter is. When they catch up with him, the group learns a shocking revelation that might just change everything for everyone in Arcadia Falls, but will have the most profound impact on Chloe herself. The Arcadia Falls Chronicles is the continuation of The Vampire Hunter's Daughter. Following the format of The Vampire Hunter's Daughter, The Arcadia Falls Chronicles

A new omnibus collecting the first three volumes of the Vampire Hunter D horror novel series! It is 12,090 A.D., thousands of years since the human race nearly destroyed itself in a nuclear war--a folly foreseen by those who waited to emerge out of the underground...not from shelters, but from crypts! The aristocratic vampire lords known as the Nobles inherited our world, and with dark science and immortal patience made real the things that mortals had merely dreamed, whether voyaging to the distant stars, or conjuring monsters to roam the Earth.

Yet the grand civilization of the Nobles has grown decadent, and as the terrorized remnants of humanity at last found the strength to rebel, their undying lords have been pushed back to the Frontier--the violent borderlands where humans still remain the prey of vampires, who for all their knowledge and power have never lost their obsession with our living flesh, blood...and souls! In this bizarre and deadly far future the most dangerous thing of all is not a vampire, but the one who hunts them--the one who is half them--a dhampir, the unearthly beautiful wanderer known as D. The Vampire Hunter D Omnibus collects the first three novels in author Hideyuki Kikuchi's adventure horror series: Vampire Hunter D, Raiser of Gales, and Demon Deathchase. Illustrated by Final Fantasy artist Yoshitaka Amano, this book is only the beginning of a legend!

My blood is toxic to vampires . . . If there's one thing I want, it's go get off this iceberg. I'm thinking college on the

east coast. ANYWHERE besides Alaska. Then a near-fatal car wreck changes everything. Government agents jump in and save my life in exchange for my services as a vampire hunter. Did they just say vampires? Yep. And they're not the kind that sparkle. They're rabid, disgusting, rude . . . and way too suave. Those are the ones I really have to watch out for. A knife isn't my only weapon. My rare blood type sends vampires into temporary paralysis right before I have to finish the job by hand. Basically I'm a glorified chew toy. Now I'm stuck with an overzealous partner, a group of suck junkies, and a maddening attraction to Mr. Joe Cool, dresses all in black, Fane Donado.

Clearly he's keeping secrets of his own. The old Aurora is gone forever. Destroyed in the wreckage. I don't know who I am anymore, only that I suddenly have intense cravings and a V.I.P. pass into Alaska's underworld. If vampires found out who I worked for it would be lights out forever. In the meantime, I have some undead ass to kick so long as it doesn't kick mine first.
