Strange Neighbors Penguin

Introverted bookworm Alison was forced to move to St. Augustine, Florida when her parents divorced. Leaving her comfortable life, she struggles to find a new one. In the blistering Florida heat, she stays indoors reading and spying on Rodham - the hot guy across the hall. Everything changes when loud, mysterious neighbors move in next door to Alison. Mutual interest and a glowing amulet bring Rodham and Alison together. In a blink she 's fighting supernatural creatures, doing whatever it takes to stay alive, and becoming part of something much bigger than she could have dreamed.

The Vampire Next Door Open Road Media

In the seventh book of The Alien Next Door series, Zeke's parents have completed their research on Earth, and Zeke may have to move away! Zeke the alien comes home one day to find his parents packing. They tell him that their mission researching Earth is finished, and they're all going back to Tragas to be assigned to a new planet. Zeke is sad to once again leave and go to an unfamiliar place, especially now that he has great friends on Earth in Harris and Roxy. Harris is just as upset when Zeke tells him, and together, they come up with a plan to try to stop Zeke's departure. Will they be able to stop his family from going back to their home planet?

The Vampire of Sacramento McFarland

This book delves into the twisted psychology of women attracted to some of the most notorious monsters on the planet, giving true crime readers real insight into this phenomena One of the most common reasons given by women who date serial killers is the fact that they ' see ' the little boy that the horrible man once used to be, and they believe that they can nurture that kid, hence removing the cruel and

harmful nature of the killers and making them amicable again. Known as ' serial killer groupies ' or even ' prison groupies ' by some, a great number of these women have shown a surprising desire to get connected to the serial killer of their choice. A large number of these women have become directly aligned with these killers, and some have even married these hardened criminals. Groupies will do almost anything to get close to the prisoner that they are attracted to. They give up jobs, family, spend money on him, and even move across country to be in the same town as him. Some SKG's are attracted to the celebrity status they acquire. They go on talk shows to announce their undying love for the serial killer and proclaim that he was not capable of these killings. This book depicts several such cases and you'll meet some of these SKG's. "If you seek to understand or study the unexplainable, this book may be your key to some grasp of what is beyond imagining....why some women love serial killers!" -- (Bernard Lee DeLeo), bestselling author of over twenty-five novels "The obsessed groupies of predators such as Richard Ramirez (The Night Stalker) are just as fascinating as the serial killers they love. Best-selling author RJ Parker offers powerful insights into the needs, motivations and dark desires of women who pursue and sometimes marry the most infamous killers in history. This powerful psychological examination of these women is not to be missed. Well researched, Parker sheds new light on the curious sub-culture of groupies in his new true crime book, SERIAL KILLER GROUPIES" -- (Scott Bonn, PhD) Professor, criminologist and author of Why We Love Serial Killers: The Curious Appeal of the World's Most Savage Murderers

Cold Blooded Quirk Books

In *Night Home: the Vampire Next Door Volume I*, the fact that vampires truly exist was almost accidentally made public when a story presented as fiction seemed all too real to an amateur vampire hunter, who at the end, was made to remain silent about the secrets he discovered... But it doesn't end there. The tale circulates as far as the west

coast, where a small community of vampires have been quietly hiding; and to them, also, this story is too close to reality to be just a fantasy. But while they take the time to decide whether to attempt contact with their own kind so far away, they have their own local problems to deal with. A savage and barbaric serial killer, suspected of being a vampire, lurks in their own city, stalking the innocent at night. Will the vampires be able to stop the killer before they are blamed for his acts of extreme horror? And that's not all... a beautiful yet tragic and suicidal young woman wanders like a lost angel from out of the darkness and into their midst, hoping a vampire will make her end swift and easy.

This book provides an integrative and jargon-free understanding of the phenomenon of sexual serial killing to a wide readership.

The Vampire Next Door Ballantine Books

"I'm going to do things to your body that nobody has ever done before. I'm going to make you feel joys and pleasures that you didn't know were possible..." Nobody believes college student Kenny Dawkins when he says that a vampire moved in next door - despite the fact that the handsome and mysterious new neighbor first showed up at midnight dragging a large rectangular box into his basement. When Kenny and his best friend Sam decide to investigate further, Kenny finds out that spying on his hot, older neighbor has all kinds of unintended consequences. It's time for the young man to find out if it's true that vampires suck - in more ways than one!

Night Home WildBlue Press

John Crutchley seemed to be living the American Dream. Good-

looking and blessed with a genius level IQ, ...To all outward appearances, he was a hard-working, successful family man with a lavish new house, a devoted wife, and a healthy young son. But, he concealed a hidden side of his personality, a dark secret tied to a hunger for blood and the overriding need to kill. As one of the most prolific serial killers in American History, Crutchley committed at least twelve murders, and possibly nearly three dozen. His IQ eclipsed that of Ted Bundy, and his body count may have as well. While he stalked the streets hunting his unsuspecting victims, the residents of a quiet Florida town slept soundly, oblivious to the dark creature in their midst, unaware of the vampire next door. [---from book jacket]

The Vampire Next Door Penguin

The Real and the Reflected: Heroes and Villains in Existent and Imagined Worlds, unpacks many of the issues that surround heroes and villains. It explores the shadows that fall between the traditional black and white definitions of good and evil.

The Vampire Next Door Simon and Schuster

THE FINAL NOVEL IN THE #1 NEW YORK TIMES BESTSELLING SOOKIE STACKHOUSE SERIES—the inspiration for the HBO® original series True Blood. When a shocking murder rocks the small town of Bon Temps, Louisiana, psychic cocktail waitress Sookie Stackhouse learns that she has more than one enemy waiting to get vengeance for the past. Because nothing is ever clear-cut in Bon Temps. What passes for truth is only a convenient lie. What passes for justice is more spilled blood. And what passes for love is never enough...

John Crutchley seemed to be living the American Dream. Good-looking and blessed with a genius level IQ, he had a prestigious, white-collar job at a prominent government defense contractor, where he held top secret security clearance and handled projects for NASA and the Pentagon. To all outward appearances, he was a hard-working, successful family man with a lavish new house, a devoted wife, and a healthy young son. But Crutchley concealed a hidden side of his personality, a dark secret tied to a hunger for blood and the overriding need to kill. As one of the most prolific serial killers in American history, Crutchley committed at least twelve murders, and possibly nearly three dozen. His IQ eclipsed that of Ted Bundy, and his body count may have as well. While he stalked the streets hunting his unsuspecting victims, the

residents of a quiet Florida town slept soundly, oblivious to the dark creature in their midst . . . unaware of the vampire next door.

Deacon of Death BRILL

Baptist deacon, family man, pillar of his Florida community . . . and serial killer of prostitutes: chilling true crime from the author of *Lobster Boy*. By day, Sam Smithers was the deacon of his Baptist church in Plant City, Florida, a respected neighbor to many, and a devoted husband and father. But after the sun set, he became something else: a violent attacker—and killer—of prostitutes. Smithers's twisted double life came to light when a local woman who had hired him to take care of her property found him in her garage, cleaning an ax—and then discovered a puddle of blood. Through exclusive interviews with Smithers's wife, who described her spouse as nothing but a doting husband and father, author Fred Rosen learned why this man of God, raised in an intensely religious Tennessee home, was the last person anyone would suspect of committing these savage crimes. Rosen reveals the details behind the deaths of Christy Cowan and Denise Roach after Smithers picked them up in Tampa—and the fate of a man who seemed holier than thou, but was actually guilty as sin.

The Alien Next Door 7: Up, Up, and Away Books by Elle

A Sookie Stackhouse short story collection from #1 New York Times bestselling author Charlaine Harris. Together in one edition, five stories from Harris's supernatural Louisiana town of Bon Temps, featuring telepathic waitress Sookie Stackhouse. In "Fairy Dust," Sookie must use her talents to help fairies in danger. In "One Word Answer," Sookie comes face to face with some unpleasant family secrets. Sookie gets an unexpected—though not unpleasant—present while celebrating the Prince of Darkness's birthday in "Dracula Night." Sookie's witchy friend Amelia helps Sookie on a case in "Lucky." And in "Giftwrap," Sookie fights to overcome holiday blues until she has a surprising chance encounter.

THE ENCYCLOPEDIA OF THE GOTHIC "Well written and interesting [it is] a testament to the breadth and depth of knowledge about its central subject among the more than 130 contributing writers, and also among the three editors, each of whom is a significant figure in the field of gothic studies ... A reference work that's firmly rooted in and actively devoted to expressing the current state of academic scholarship about its area." New York Journal of Books "A substantial

achievement." Reference Reviews Comprehensive and wide-ranging, The Encyclopedia of the Gothic brings together over 200 newly-commissioned essays by leading scholars writing on all aspects of the Gothic as it is currently taught and researched, along with challenging insights into the development of the genre and its impact on contemporary culture. The A-Z entries provide comprehensive coverage of relevant authors, national traditions, critical developments, and notable texts that continue to define, shape, and inform the genre. The volume's approach is truly interdisciplinary, with essays by specialist international contributors whose expertise extends beyond Gothic literature to film, music, drama, art, and architecture. From Angels and American Gothic to Wilde and Witchcraft, The Encyclopedia of the Gothic is the definitive reference guide to all aspects of this strange and wondrous genre. The Wiley-Blackwell Encyclopedia of Literature is a comprehensive, scholarly, authoritative, and critical overview of literature and theory comprising individual titles covering key literary genres, periods, and sub-disciplines. Available both in print and online, this groundbreaking resource provides students, teachers, and researchers with cutting-edge scholarship in literature and literary studies.

The Vampire Next Door John Wiley & Sons

Twilight, True Blood and The Vampire Diaries have sparked intense fan activity and generated a large quantity of fan fiction: stories which test the limits of an already existing fictional work and explore gaps and discrepancies within it. Working from the idea that texts constitute archives, expanded and altered by each addition, close readings of a selection of fanfics illustrate particular transformative practices in the online environment. The central figure of the vampire is read through the lens of fanfic authors' contributions to the archives, particularly regarding how figuratively or literally refigured versions of the trope are used to subvert norms established in the source texts concerning depictions of sexuality, sexual practices, and monstrosity. Complex relationships between authorial power and subversion, between mainstream messages and individual interpretations, are examined through fanfic analyses, the findings contributing to discussions about contemporary literary creativity.

A History of the Vampire in Popular Culture RJ

PARKER PUBLISHING, INC.

"Dynamic, steamy, and hilarious."—Fresh Fiction First in a feisty paranormal romance trilogy, shapeshifter-landlord Jason Falco's brownstone is occupied by the oddest of

tenants: a gregarious werewolf, a vigilante vampire, two witches moonlighting as phone sex operators, and the beautiful all-too-human nurse he would desperately love to sweep off her feet. There's never a dull moment when hunky all-star pitcher and shapeshifter Jason Falco invests in an old Boston brownstone apartment building full of supernatural creatures. But when Merry MacKenzie moves into the ground floor apartment, the playboy pitcher decides he might just be done playing the field... Sexy Jason seems like the perfect fling, but newly independent nurse Merry's not sure she's ready to trust him with her heart...especially when the tabloids start trumpeting his playboy lifestyle. Then pandemonium breaks loose and Merry and Jason will never get it together without a little help from the vampire who lives in the basement and the werewolf from upstairs. *Strange Neighbors Series* *Strange Neighbors (Book 1)* *The Werewolf Upstairs (Book 2)* *The Vampire Next Door (Book 3)* Praise for *The Werewolf Upstairs*: "Witty and wonderful...the entertaining plot, humor, sizzling sensual scenes, and romance make this story unforgettable."—Romance Junkies "Original and full of laughs, steamy sex, and madcap mayhem."—Night Owl Romance "An entertaining, funny read." —RT Book Reviews "Delicious romance...The Werewolf Upstairs seduced me!"—Sparkling Reviews

The Encyclopedia of the Gothic Sourcebooks, Inc.

Our enduring love of vampires - the bad boys (and girls) of paranormal fantasy - has persisted for centuries. Despite being bloodthirsty, heartless killers, vampire stories commonly carry erotic overtones that are missing from other paranormal or horror stories. Even when monstrous teeth are sinking into pale, helpless throats - especially then - vampires are sexy. But why? In *A History Of The Vampire In Popular Culture*, author Violet Fenn takes the reader through the history of vampires in 'fact' and fiction, their origins in mythology and literature and their enduring appeal on TV and film. We'll delve into the sexuality - and sexism - of vampire lore, as well as how modern audiences still hunger for a pair of sharp fangs in the middle of the night.

The disturbing Central Florida cult murder case is revealed in full shocking detail in this true crime by the reporter who covered the case for decades. Central Florida residents were horrified when sixteen-year-old vampire cult leader Rod Ferrell was arrested for bludgeoning a cult member's parents to death. When investigators realized the couple's fifteen-year-old daughter was missing, they feared she was another victim. Detectives and journalists across three states soon uncovered a web of blood-drinking occult rituals, illicit sex, dysfunctional families, and spiritual warfare. And when police officers captured the teens, they discovered that the murdered couple's daughter was among them. But was she a victim or a participant? Ferrell faced the death penalty, sparking Constitutional battles over capital punishment and juveniles in the court system. Psychologists working to save him were locked in opposition with prosecutors who wanted him dead. Decades later, the court battles continue. Is Ferrell a changed man deserving freedom? Or is he still gaming the system?
