In Every Generation (Volume 1) Little, Brown Books for Young Readers USA Today Bestselling author, W.J. May, brings you to a new level of fantasy. Fans of Underworld and paranormal worlds will love this story! PARANORMAL HUNTRESS BOX SET is the first 3 books of the Paranormal Huntress series - altogether in one collection! "The wise learn many things from their enemies." My name's Atlanta Skolar, and I'm a huntress. No, not the vampire-slaying type, or the ever-brooding Winchester brothers from Supernatural. I live a relatively normal life—during the day at least. I go to school, have friends, and try my best to survive Uncle James' horrendous cooking. However, the nights in the city of Calen are not always calm. There's a thin veil between our world and the world of monsters, the good and the bad. I'm one of the few who stands between the two. With the help of my uncle, who's taken me in since my parents' deaths, I spend the nights making sure the balance is maintained and that each side keeps to their respective places. At least, that was until something rattled the cages and everything hit the fan. There's a new evil in town, an evil that's been here before, and it may be responsible for my parents' deaths. An evil that isn't satisfied with the balance. It'll do all it can to make sure darkness falls over Calen and the rest of the world once again. Scary?

That ain't the half of it. It's particularly interested in me. Why? No idea. But it's my job as a huntress to make sure the evil is stopped, no matter what. BOOK 2 The city of Calen has fallen. The forces that once held the city as one are scattered and drained of power. Adelaide, one of the witches who's haunted and threatened the peace once made by the elders in the territory, has regained her power by releasing the hybrids she's created. She's determined to destroy Calen and all those who stand in her way. Atlanta, the Druid huntress, responsible for unlocking the hybrids and the murder of her uncle, tries to come to terms with what's happened. The fate of Calen rests in too few hands. Divided sanctions, Vamps, Wolf and Druid, must unify or each race stands no chance of survival. BOOK 3 Calen has fallen. Everlore has fallen. Atlanta Skolar is on the run. Barely escaping the clutches of Adelaide, and believing her mother is dead, she escapes the fires of the ancient city. Her escape, though, is bittersweet. Coupled with the unknown ability she has recently discovered, and the curious case of her platinum colored hair, she has yet to find a way to defeat the witch and her followers. Joined by her band of trusted friends, Atlanta must work to find the remaining Lunar Books and figure out the secrets within if she wants to stop Adelaide's conquest for complete dominance. But with hybrids and the compelled hot on her trail, the task seems almost impossible. Atlanta must find the strength within her, and unleash the powers of the Coven Master, if she wants to ensure the survival of her friends...and herself. All that stands between modern Baltimore and the monsters is the black sheep of the Templar Order in this three book set. *Dead Rising – Book 1* Guard the Temple. Safeguard Pilgrims on the Path. Record knowledge—both holy and unholy. Those are the three mandates Templar Knights have followed since the twelfth century. But it's the twenty-first century and Aria is not a Knight. She's refused to take her oath, and is barely making ends meet as a part-time barista in Baltimore when the local vampires approach her with an offer she can't refuse. *Last Breath – Book 2* What do a dead cosplayer and a ritual murder have in common? Plenty. Is the killer an angel or a demon, or both? Aria can't ignore the bloodbath happening right under her nose, and she definitely can't ignore the practice of death magic that has stolen innocent lives and souls. *Bare Bones – Book 3* Skinned bodies are turning up in broom closets and garages, but when these bodies are identified, the 'victims' are found to be very much alive. Was there a mistake at the morgue? Is the murderer a serial killer with a gruesome fixation on taxidermy? Aria will need all of her friends – both alive and dead – to help catch these killers before they strike again.
