attraction takes over in this exhilarating Leopard novel from No.1 New York Times bestselling author Christine Feehan. The moment Meiling sees Gedeon she knows he's a leopard shifter-just as she knows she can't trust him. Meiling doesn't take chances, life has taught her better than that. So why does she find herself rescuing this deadly, gorgeous man, when she knows she'd be better off leaving him to die? Gedeon is used to women throwing themselves at him, not throwing his injured body over their beautiful, deceptively strong shoulders and carrying him to safety. He might be embarrassed, if he wasn't so aroused by the very thought of this feisty lotus blossom. As they strike up a working relationship that suits them both, Gedeon starts to rely on Meiling for just about everything. But when her hidden nature rises to the surface, the connection that links them shifts into an all-consuming desire. And neither will escape unmarked. . . . ### Darker After Midnight The Vampire's Seduction

When it comes to a wild and seductive nightlife, Savannah has bite. Older than the United States and wealthy beyond his years, playboy William Cuyler Thorne is a vampire with a nice long undead life—one that includes a steady stream of admirers, a consistent supply of rejuvenating blood, and, best of all, a cover as one of Savannah's most prominent pillars of society. But all good things must end. Now an ancient enemy has come for William from across the seas. It is his sire, Reedrek, the vampire who created him. And Reedrek will stop at nothing until all that is precious to William—his beautiful mistress, his stable of willing female victims, his glorious estates, and his good-'ol'-boy vampire sidekick, Jack—is within his voracious grasp. But William has an arsenal of his own—one that is enhanced by the power of voodoo. And when these two bloodsuckers meet, there will be

hell to pay.

Crossroad Press

Every night I'd lie there in bed and look out at the hills behind our house, listening. I knew there'd be consequences. Actions meant reactions. Sunrises meant sunsets. My fear was too permanent, lasting longer than eyeliner, something I wore every day and didn't wash off.

Quinlan Lacey's life is a red carpet of weird fashions, hip bands, random parties, and chilling by the pool with her on-and-off BFF Libby.

There's also her boring job (minimum wage), a crushed-out coworker (way too interested), her summer plans (nada), and her parents (totally clueless).

Then one night she meets gorgeous James, and Quinn's whole world turns crazy, Technicolor, 3-D,

fireworks, whatever. But with good comes bad and unfortunately, Quinn's new romance brings with it some majorly evil baggage. Now, to make things right, she has to do a lot of things wrong (breaking and entering, kidnapping, lying, you name it). There's normal, and then there's paranormal, and neither are Quinlan's cup of Diet Coke. Staying sane, cool, in love, and alive isn't so easy breezy.
