"The Wizard of Venus" is a novella by Edgar Rice Burroughs, as well as the title of a collection in which it was later published together with an unrelated story. "The Wizard of Venus" is the final story in Burroughs's Venus series (sometimes called the "Carson Napier of Venus series"). Written in 1941, the piece remained unpublished until 1964, fourteen years after the author's death.

"The Venus Trap" is a tense psychological thriller by Louise Voss, and the blurb for this title says it all very accurately. I utterly enjoyed this book and the tension and retrospective analysis the main character, Jo,

goes through during her captivity.

Venus Trap is the first  
book in the Hidden  
Portals series, and we  
start off with a storm, a  
death, and a mad king.  
Sounds good, right?  
Wrong! This is brilliant.  
Artemis is a Fae, Raphael  
is a vampire. We also  
meet with other Fae,  
Humans, Witches,  
Vampires, and Demons  
are mentioned.
