But, as always with Stephen E. Ambrose, it is the ranks, the ordinary boys and men, who command his attention and his awe. The Victors tells their stories, how citizens became soldiers in the best army in the world. Ambrose draws on thousands of interviews and oral histories from government and private archives, from the high command—Eisenhower, Bradley, Patton—on down through officers and enlisted men, to re-create the last year of the Second World War when the Allied soldiers pushed ...

The Victors: Eisenhower and His Boys book by Stephen E ...
In his series of books including "D-Day: June 6, 1944: The Climactic Battle of World War Two", "Citizen Soldiers", "Band Of Brothers", and the present book, "The Victors", he has masterfully employed a little-known treasure trove of personal interviews with thousands of Allied soldiers to marshal an absolutely absorbing, captivating, and insightful treatise on the nature of combat as experienced by the men and women in the forefront of action as it transpired all along the front.
