The Virgin and

the Gipsy was discovered in France after D. H. Lawrence's death in 1930. Immediately recognized as a masterpiece in which Lawrence had distilled and purified his ideas about sexuality and morality, *The Virgin and the Gipsy* has become a classic and is one of Lawrence's most electrifying short novels. Set in a small village in the English countryside, this is the story of a secluded, sensitive rector's daughter who yearns for

meaning beyond the life to which she seems doomed. When she meets a handsome young gipsy whose life appears different from hers in every way, she is immediately smitten and yet still paralyzed by her own fear and social convention. Not until a natural catastrophe suddenly, miraculously sweeps away the world as she knew it does a new world of passion open for her. Lawrence's spirit is infused by all his tenderness,

passion, and knowledge of the human soul. [The Virgin and the Gipsy](#) Independently Published

The Virgin and the Gypsy is a short novel (or novella) by English author D.H.

Lawrence. The tale relates the story of two sisters, daughters of an Anglican vicar, who return from finishing school overseas to a drab, lifeless rectory in the East Midlands, not long after the World War I. Their mother has run off with another man, a scandal that is not talked about by the family, especially the

girls' father, who was deeply humiliated and only remembers his wife as she was when they first met many years before.

Discovered in France after Lawrence's death, it was immediately recognized as a masterpiece in which he'd distilled and purified his ideas about sexuality and morality, being considered one of Lawrence's most electrifying short novels. Set in a small village in the English

countryside, this is the story of a secluded, sensitive rector's daughter who yearns for meaning beyond the life to which she seems doomed. When she meets a handsome young gipsy whose life appears different from hers in every way, she is immediately smitten and yet still paralyzed by her own fear and social convention. Not until a natural catastrophe suddenly, miraculously sweeps away the world as she knew it does a new world of passion open for her.

Lawrence's spirit is infused by all his tenderness, passion, and knowledge of the human soul. D.H. Lawrence was an English novelist, poet, playwright, essayist and literary critic. His collected works represent an extended reflection upon the dehumanising effects of modernity and industrialisation. In them, Lawrence confronts issues relating to emotional health and vitality, spontaneity, and instinct. [The Virgin and the Gipsy](#) Atlântico Press

D.H. Lawrence was an English writer and playwright. Lawrence's writing was very controversial for its time due to the

graphic nature of his novels, some of which were heavily censored during his life. The Virgin and the Gypsy is a novella about two sisters who are in a loveless home with their grandmother.
The Virgin and the Gypsy Read Books Ltd
David Herbert Lawrence (11 September 1885 - 2 March 1930) was an important and controversial English writer of the 20th century, whose prolific and diverse output included novels, short stories, poems, plays, essays, travel books,

paintings, translations, literary criticism and personal letters. His collected works represent an extended reflection upon the dehumanizing effects of modernity and industrialisation. In them, Lawrence confronts issues relating to emotional health and vitality, spontaneity, sexuality, and instinctive behaviour. Lawrence's unsettling opinions earned him many

enemies and he endured hardships, official persecution, censorship and misrepresentation of his creative work throughout the second half of his life, much of which he spent in a voluntary exile he called his "savage pilgrimage." At the time of his death, his public reputation was that of a pornographer who had wasted his considerable talents. E. M. Forster, in an obituary notice, challenged this widely held view,

describing him as "the greatest imaginative novelist of our generation." Later, the influential Cambridge critic F. R. Leavis championed both his artistic integrity and his moral seriousness, placing much of Lawrence's fiction within the canonical "great tradition" of the English novel. He is now generally valued as a visionary thinker and a significant representative of modernism in English literature,

although some feminists object to the attitudes toward women and sexuality found in his works.

Gypsies and the British Imagination, 1807-1930, is the first book to explore fully the British obsession with Gypsies throughout the nineteenth century and into the twentieth. Deborah Epstein Nord traces various representations of Gypsies in the works of such well-known British authors John Clare, Walter Scott, William Wordsworth, George Eliot, Arthur Conan Doyle, and D. H.

Lawrence. Nord also exhumes lesser-known literary, ethnographic, and historical texts, exploring the fascinating histories of nomadic writer George Borrow, the Gypsy Lore Society, Dora Yates, and other rarely examined figures and institutions. Gypsies were both idealized and reviled by Victorian and early-twentieth-century Britons. Associated with primitive desires, lawlessness, cunning, and sexual excess, Gypsies were also objects of antiquarian, literary, and anthropological interest. As Nord demonstrates, British writers and artists drew on Gypsy characters and plots to

redefine and reconstruct cultural and racial difference, national and personal identity, and the individual's relationship to social and sexual orthodoxies. Gypsies were long associated with pastoral conventions and, in the nineteenth century, came to stand in for the ancient British past. Using myths of switched babies, Gypsy kidnappings, and the Gypsies' murky origins, authors projected onto Gypsies their own desires to escape convention and their anxieties about the ambiguities of identity. The literary representations that Nord examines

have their roots in the interplay between the notion of Gypsies as a separate, often despised race and the psychic or aesthetic desire to dissolve the boundary between English and Gypsy worlds. By the beginning of the twentieth century, she argues, romantic identification with Gypsies had hardened into caricature—a phenomenon reflected in D. H. Lawrence's *The Virgin and the Gipsy*—and thoroughly obscured the reality of Gypsy life and history.

The two sisters, daughters of an Anglican vicar, return from overseas to a drab, lifeless vicarage in the post-First World War East Midlands. Their mother has run

off. Their new home is dominated by a blind and selfish grandmother along with her mean spirited daughter. The two girls, Yvette and Lucille try their utmost to bring colour and fun into their lives. Out on a trip with some friends, Yvette encounters a Gypsy and his family. This meeting reinforces her disenchantment with the oppressive domesticity of their home. It also awakens in Yvette a sexual

curiosity she has not felt before, despite having admirers. She also befriends a married Jewish woman who has left her husband and is living with her paramour. When her father finds out about this friendship, he threatens her with "the asylum" and Yvette realizes that at his heart her father, too, is mean spirited and shallow. At the end of the novel, Yvette is rescued by the Gipsy during a surprise flood that washes through the

home and drowns the grandmother. The rescuer who breathes life and warmth back into the virginal Yvette is the free-spirited Gypsy, whose name is finally revealed in the last line of the novel. A film adaptation was made in 1970, directed by Christopher Miles from a screenplay by Alan Plater starring Imogen Hassall, Joanna Shimkus, Franco Nero, Honor Blackman, Mark Burns and Fay Compton. It won a Golden Globe Nomination

1971. Also the film "Sky West and Crooked" (a.k.a. Gypsy girl) with Hayley Mills and Ian McShane is loosely based on this story. D H Lawrence, the fourth child of Arthur John Lawrence and Lydia (née Beardsall), was boen on September 11, 1885. His father was a barely literate miner and his mother was a former pupil teacher who, owing to her family's financial difficulties, had to do manual work in a lace factory,

Lawrence spent his formative years in the coal mining town of Eastwood, Nottinghamshire. The house in which he was born, in Eastwood, 8a Victoria Street, is now the D.H. Lawrence Birthplace Museum. His working-class background and the tensions between his parents provided the raw material for a number of his early works. Lawrence would return to this locality and often wrote about nearby

Underwood, calling it; "the country of my heart," as a setting for much of his fiction. F. R. Leavis who asserted that the author had made an important contribution to the tradition of English fiction. Leavis stressed that *The Rainbow*, *Women in Love*, and the short stories and tales were major works of art. Later, the *Lady Chatterley Trial* of 1960, and subsequent publication of the book, ensured Lawrence's

popularity (and notoriety) with a wider public. Lawrence spent most of his life in poverty owing to the reaction generated by his contemporary writers and critics in society and the legal suits against him and his publishers. The most of the critics who placed negative reviews were those who were either directly or indirectly exposed by his works. Unlike other authors, DH Lawrence loved and married only once and

remained faithful to his wife till his death in 1930.

The Virgin and the Gipsy and Other Stories

The novel has a contemporary setting during the period of the

Mexican Revolution. It opens with a group

of tourists visiting a bullfight in Mexico City. One of them,

Kate Leslie, departs in disgust and encounters

Don Cipriano, a Mexican general. Later she meets his

friend, intellectual land-owner Don Ramon, and travels

to Sayula, a small town set on a lake. Ramon and

Cipriano are leading a revival of

a pre-Christian religion and Kate becomes drawn into their cult.
