The Visitors: A Novel: Beaman, Sally: 9780062302700 ...

by Sally Beaman ? RELEASE DATE: July 1, 2014. This historical novel approaches, slantwise and at considerable length, the 20th century's most sensational archaeological event. The most obvious way to fictionalize the 1922 discovery of King Tutankhamen's tomb would be to have the major players tell the tale—Howard Carter, principal archaeologist, and his financier and mentor, Lord Carnarvon (resident earl of Highclere Castle, of Downton Abbey fame).

### **The Visitors by Sally Beaman - Goodreads**

Visitors, Hardcover by Beaman, Sally, ISBN 006230268X, ISBN-13 9780062302687, Brand New, Free shipping in the US "Built around Lord Carnarvon and Howard Carter's discovery of Tutankhamun's tomb in the Valley of the Kings, this evocative novel from New York Times-bestselling author Sally Beaman blends fact and fiction to recreate a lost world that's still fiercely enthralling and relevant today"--.

Sally Beaman obituary | Fiction | The Guardian

Beaman does a great job with her 1920s Luxor and England settings, and its fun to see Highclere Castle, the residence of Lord Carnarvon, get another fictional use (its where *Downton Abbey* is filmed). Rather than placing readers in the middle of the action with the explorers, though,

The Visitors – HarperCollins

Sally Beaman is an excellent story-teller and her use of the tarot to flesh this novel out was intriguing. Her descriptions of the abbey and Suffolk, England are very precise. A bit long, a bit confusing but all in all a good read. I definitely will go back and read another of Ms. Beaman's books.

The Visitors : Sally Beaman : 9780751551662

Sally Beaman A former journalist -- she had a hand in getting a fledgling New York magazine off the ground -- Sally Beaman's true forte is fiction. From her award-winning re-imagination of Daphne du Maurier's Rebecca to her acclaimed novel, The Sisters Mortland, she's been thrilling her loyal readers for years. Books by Sally Beaman

The Visitors by Sally Beaman (2014, Hardcover) for sale ...

The Visitors is the eighth novel by British-born author, Sally Beaman. Employing the narration of eleven-year-old Lucy Payne, a recent survivor of a bout of typhoid fever that claimed her American mother, Beaman plunges the reader deep into 1920 's Egypt as it stands on the brink of Howard Carter 's amazing discovery: King Tutankhamun 's tomb.
