which means the leading lady has several love interests and never has to choose in order to find her HEA. ??? Five years ago, I masterminded the infamous massacre of the Tri-state Timberwolves. The streets outside the Wolves HQ ran red with the blood of the old guard, and not one of those members loyal to my father were spared mercy. Not a single one. I let the media twist and distort the story. My new recruits eagerly proved themselves in spreading false news, in covering our tracks. To the general public, the Tri-State Timberwolves were extinct. But that couldn't have been further from the truth. We changed, we grew, we evolved and came out stronger than ever. Now, I live, eat, sleep and breathe Timberwolves. I'll do anything to keep my empire safe and thriving. To keep the people depending on me safe. So, what do I do, when it's my own weakness that places us all in danger? When I let sex cloud my judgment,

and my people pay the price? Simple. Kill the distractions. I'm called Hades for a reason, after all. ??? 7th Circle is book ONE of FOUR.

### The Vixen's Lead Ember

Well, I just can't seem to catch a break, can I? None of us saw it coming, no matter what precautions we took or how many contingencies we put into play. What's the point of having all this power when everyone is out to get me? They say things are darkest before the light, and that the storm gets worse before it clears. Trust me when I say platitudes don't do a damn bit of good when you're in the middle of it. I'm Kit Davenport, and my heart is breaking.
