Little Wilson and Big God W. W. Norton & Company
A British poet teaching in New York suffers his share of the city's violence. A Dead Man in

Deptford W. W. Norton & Company
This is the first volume of Anthony Burgess's two volume autobiography. Complete in itself, it tells the story of a disaffected Manchester Catholic from his birth in 1917 up to the commencement, in 1959, of his career as a professional writer.

Courier Dover Publications
The Collected Poems of the acclaimed Manchester-born poet, novelist, screenwriter and composer Anthony Burgess.
Honey for the Bears W. W. Norton &

Company
In a collection of nonfiction writings, the British novelist addresses his childhood, his experiences in Malaysia and Monaco, his own work and its critics, and the work of his contemporaries
The Wanting Seed, Etc Simon and Schuster
A brilliantly funny spy novel, this morality tale of a Secret Service gone mad features sex, gluttony, violence, and treachery. From the author of the ground-breaking

A Clockwork Orange. Denis Hillier is an aging British agent based in Yugoslavia. His old school friend Roper has defected to the USSR to become one of the evil empire's great scientific minds. Hillier must bring Roper back to England or risk losing his fat retirement bonus. As thoughtful as it is funny, this morality tale of a Secret Service gone mad features sex, gluttony, violence, treachery, and religion. Anthony Burgess's cast of astonishing characters includes

Roper's German prostitute wife; Miss Devi and her Tamil love treatise; and the large Mr. Theodorescu, international secret monger and lascivious gourmand. A rare combination of the deadly serious and the absurd, the lofty and the lusty, Tremor of Intent will hold you in its thrall.
Works by Anthony Burgess
Random House
Anthony Burgess, one of the most prolific contemporary writers, portrays in his novels a world propelled by a female force. This

force is sometimes a goddess in the literal sense, as in *The Eve of St. Venus and Nothing Like the Sun*, and at others a woman with divine feminine qualities, as in *The Wanting Seed* and *Earthly Poweis*. This female force is a personification of the Great Goddess, who had at one time monopolized the beliefs of mankind, and who has not, in spite of all efforts to obscure her, been abandoned. For Burgess, the Goddess is the prime motivator of his men. They need

her to inspire them, because they are lost and passive without her. The goddess herself cannot function on her own, and she needs the men to work her magic on. For Burgess, the female force does not function on its own, but needs the male principle to form a harmonious entity. *The Long Day Wanes* W. W. Norton A lively attempt to understand the meaning of music through a celestial dialogue with arguably the world's greatest composer. Anthony Burgess W. W. Norton & Company A futuristic

account of the world's end is composed of three narrative strands presented as if viewed simultaneously, featuring historical and fictional figures, and shifting from New York, to Vienna, to outer space Homage to QWERT YUIOP University-Press.org A newly revised text for *A Clockwork Orange* 's 50th anniversary brings the work closest to its author 's intentions. *A Clockwork Orange* is as brilliant,

transgressive, and influential as when it was published fifty years ago. A nightmare vision of the future told in its own fantastically inventive lexicon, it has since become a classic of modern literature and the basis for Stanley Kubrick ' s once-banned film, whose recent reissue has brought this revolutionary tale on modern civilization to an even wider audience. Andrew Biswell, PhD, director of the International Burgess Foundation, has taken a close look

at the three varying published editions alongside the original typescript to recreate the novel as Anthony Burgess envisioned it. We publish this landmark edition with its original British cover and six of Burgess ' s own illustrations. Earthly Powers Europa Editions Incorporated An exploration of the very essence of power centers on two men who represent different types of earthly power--one an eminent novelist and well-known homosexual, the other a man of God who rises through the Vatican hierarchy. Nineteen Eighty-five W. W. Norton

& Company Like Lewis Carroll's Alice, Edgar plunges into a wonderland of bizarre adventures among curious creatures. The author of A Clockwork Orange plays with logic and language in this captivating tale for all ages. Piano Players W. W. Norton & Company "There are so few genuinely entertaining novels around that we ought to cheer whenever one turns up. Continuous, fizzing energy...Honey for the Bears is a triumph." —Kingsley Amis, New York Times A sharply written satire, Honey for the Bears sends an

unassuming antiques dealer, Paul Hussey, to Russia to do one final deal on the black market as a favor for a dead friend's wife. Even on the ship's voyage across, the Russian sensibility begins to pervade: lots of secrets and lots of vodka. When his American wife is stricken by a painful rash and he is interrogated at his hotel by Soviet agents who know that he is trying to sell stylish synthetic dresses to the masses starved for fashion, his precarious inner balance is thrown off for good. More drink follows, discoveries of his wife's illicit affair with another woman, and his own submerged sexual feelings come breaking through the surface, bubbling up in Russian

champagne and caviar. The Kingdom of the Wicked Random House (UK) Marrying lyrical close reading with critical awareness, *Novel Style* argues for the ethical value of elaborate styles of writing and demonstrates that artistic excessiveness can provide dynamic responses to the moral complexities of our times. *A Clockwork Orange* W. W. Norton & Company *Before Shakespeare in Love*, there was Anthony Burgess's *Nothing Like the Sun*: a magnificent, bawdy telling of

Shakespeare's love life.

A Long Trip to Teatime W. W. Norton & Company Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (works not included). Pages: 36. Novel Style Viking Press

Anthony Burgess draws on his love of music and history in this novel he called "elephantine fun" to write. *The Wanting Seed* Harcourt

Anthony Burgess draws on his love of music and history in this novel he called "elephantine fun" to write. A

grand and affectionate tragicomic symphony to Napoleon Bonaparte that teases and reweaves Napoleon's life into a pattern borrowed—in liberty, equality, and fraternity—from Beethoven's Third "Eroica" Symphony, in this rich, exciting, bawdy, and funny novel Anthony Burgess has pulled out all the stops for a virtuoso performance that is literary, historical, and musical.

On Going to Bed Vintage

Great Music, it said, and *Great Poetry* would like quieten Modern

Youth down and make Modern Youth more Civilized. Civilized my syphilised yarbles. A vicious fifteen-year-old droog is the central character of this 1963 classic. In Anthony Burgess's nightmare vision of the future, where the criminals take over after dark, the story is told by the central character, Alex, who talks in a brutal invented slang that brilliantly renders his and his friends' social pathology. A Clockwork Orange is a frightening fable about good and evil, and the meaning of human freedom. When the state undertakes to

reform Alex to "redeem" him, the novel asks, "At what cost?" This edition includes the controversial last chapter not published in the first edition and Burgess's introduction "A Clockwork Orange Resucked."
