The Second Sleep Simon and Schuster
S. P. Kumar's second novel will not disappoint readers who enjoyed *Cave of Mystic Dreams*.

In *Rain of Blood*, the second book in *The Champions of Zairon* trilogy, Kumar continues to weave magical and creative plots that traverse parallel worlds. As the young protagonists navigate an even more complex challenge than their first, we are immediately drawn back into their mystical reality. Middle-school readers and fantasy fans of all ages will delight in watching Claire, Jason, and Zac navigate a new quest-one that draws on their intelligence, determination, and

wit. Kumar continues to explore themes of friendship and morality, as her characters encounter dilemmas and tasks that require even more grit and resilience than those they encountered in the first book of the trilogy. Kumar's carefully wrought sentences and powerful dialogue draw us into her story and help connect us to the intricacies of the plot. The main characters are more mature, and so is Kumar's writing. While her natural storytelling ability was established with her first book, she solidifies it with *Rain of Blood*.

Chinese Village, Socialist State Twelve
In colonial America, the system of "warning out" was distinctive to New England, a way for a community to regulate those to whom it would extend welfare. Robert Love's *Warnings* animates this nearly forgotten aspect of colonial life, richly detailing the moral and legal

basis of the practice and the religious and humanistic vision of those who enforced it. Historians Cornelia H. Dayton and Sharon V. Salinger follow one otherwise obscure town clerk, Robert Love, as he walked through Boston's streets to tell sojourners, "in His Majesty's Name," that they were warned to depart the town in fourteen days. This declaration meant not that newcomers literally had to leave, but that they could not claim legal settlement or rely on town poor relief. Warned youths and adults could reside, work, marry, or buy a house in the city. If they became needy, their relief was paid for by the province treasurer. Warning thus functioned as a registration system,

encouraging the flow of labor and protecting town coffers. Between 1765 and 1774, Robert Love warned four thousand itinerants, including youthful migrant workers, demobilized British soldiers, recently exiled Acadians, and women following the redcoats who occupied Boston in 1768. Appointed warner at age sixty-eight owing to his unusual capacity for remembering faces, Love kept meticulous records of the sojourners he spoke to, including where they lodged and whether they were lame, ragged, drunk, impudent, homeless, or begging. Through these documents, Dayton and Salinger reconstruct the biographies of travelers, exploring why so many people

were on the move throughout the British Atlantic and why they came to Boston. With a fresh interpretation of the role that warning played in Boston's civic structure and street life, Robert Love's *Warnings* reveals the complex legal, social, and political landscape of New England in the decade before the Revolution. **Shorefall St. Martin's Press** *Killing the Black Body* remains a rallying cry for education, awareness, and action on extending reproductive justice to all women. It is as crucial as ever, even two decades after its original publication. "A must-read for all those who claim to care about racial and gender justice in America." —Michelle Alexander, author of *The New Jim Crow* In 1997, this groundbreaking book made

a powerful entrance into the national conversation on race. In a media landscape dominated by racially biased images of welfare queens and crack babies, *Killing the Black Body* exposed America's systemic abuse of Black women's bodies. From slave masters' economic stake in bonded women's fertility to government programs that coerced thousands of poor Black women into being sterilized as late as the 1970s, these abuses pointed to the degradation of Black motherhood—and the exclusion of Black women's reproductive needs in mainstream feminist and civil rights agendas. “Compelling. . . . Deftly shows how distorted and racist constructions of black motherhood have affected politics, law, and policy in the United States.” —Ms. Peril Independently Published

Alice knows Wonderland is just a virtual world operated inside an asylum to which she's been wrongfully committed, but she can't find her way out--can't find her way back to the life she lived before she woke beneath titanic trees and towering flowers. With the terrifying Red King searching for her and chaos all around, her only hope of escape lies in Shadow, a tall, mysterious being with glowing eyes, sharp claws, and a haunting grin who may be the maddest of them all. But even if Wonderland isn't real, her growing feelings for Shadow--and his desire for her--are. Can Alice and Shadow escape Wonderland together, or will she succumb to the madness like everyone else?-----**Warning: This book has darker themes and contains sexual content, sexual violence, violence, and drug use.**-----Cosmic Fairy Tales Escaping Wonderland is part of the Cosmic Fairy Tales

collection, a collaboration of authors retelling beloved tales with a science fiction romance twist. Each book is a standalone, containing its own Happily Ever After, and they can be read in any order. Be sure to explore the other titles in the collection: *The Frog Prince* by Tracy Lauren *The Hunchback* by Regine Abel *The Lion and the Mouse* by Emmy Chandler *The Ugly Dukeling* by Bex Mclynn *Contaminated* by Amanda Milo *Jackie and the Giant* by Honey Phillips *Rampion* by Susan Trombley

“ Their distinctive contribution to the higher-education debate is to meet safetyism on its own,

psychological turf . . . Lukianoff and Haidt tell us that safetyism undermines the freedom of inquiry and speech that are indispensable to universities. ” —Jonathan Marks, Commentary “ The remedies the book outlines should be considered on college campuses, among parents of current and future students, and by anyone longing for a more sane society. ” —Pittsburgh Post-Gazette

Something has been going wrong on many college campuses in the last few years. Speakers are shouted down. Students and professors say they are walking on eggshells and are afraid to speak honestly. Rates of anxiety, depression, and suicide are rising—on campus as well as nationally. How did this happen? First Amendment expert Greg Lukianoff and social psychologist Jonathan Haidt show how the new problems on campus have their origins in three terrible ideas that have become increasingly woven into

American childhood and education: What doesn't kill you makes you weaker; always trust your feelings; and life is a battle between good people and evil people. These three Great Untruths contradict basic psychological principles about well-being and ancient wisdom from many cultures. Embracing these untruths—and the resulting culture of safetyism—interferes with young people's social, emotional, and intellectual development. It makes it harder for them to become autonomous adults who are able to navigate the bumpy road of life. Lukianoff and Haidt investigate the many social trends that have intersected to promote the spread of these untruths. They explore changes in childhood such as the rise of fearful parenting, the decline of unsupervised, child-directed play, and the new world of social media that has engulfed teenagers in the last decade.

They examine changes on campus, including the corporatization of universities and the emergence of new ideas about identity and justice. They situate the conflicts on campus within the context of America's rapidly rising political polarization and dysfunction. This is a book for anyone who is confused by what is happening on college campuses today, or has children, or is concerned about the growing inability of Americans to live, work, and cooperate across party lines.

#1 New York Times bestselling author Nora Roberts begins a new trilogy of adventure, romance, and magick in *The Awakening*. In the realm of Talamh, a teenage warrior named Keegan emerges from a lake holding a sword—representing both power and the terrifying responsibility to protect the Fey. In another realm known as Philadelphia, a young woman has just discovered she possesses a treasure of her own...

When Breen Kelly was a girl, her father would tell her stories of magical places. Now she's an anxious twentysomething mired in student debt and working a job she hates. But one day she stumbles upon a shocking discovery: her mother has been hiding an investment account in her name. It has been funded by her long-lost father—and it's worth nearly four million dollars. This newfound fortune would be life-changing for anyone. But little does Breen know that when she uses some of the money to journey to Ireland, it will unlock mysteries she couldn't have imagined. Here, she will begin to understand why she kept seeing that silver-haired, elusive man, why she imagined his voice in her head saying Come home, Breen Siobhan. It's time you came home. Why she dreamed of dragons. And where her true destiny lies—through a portal in Galway that takes her to a land of faeries and mermaids, to a man named Keegan, and to the courage in her own heart that will guide her through a powerful, dangerous destiny...

Drawn to Enchant Destiny Image Publishers

As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force

of nature you were born to be. Use It The Warning Sarah Roberts has spent the last four years helping people stay alive and escape near death experiences as messages from the dead come to her. She receives a daunting communication from the Other Side regarding her sister's murderer and where she can find him. The message isn't clear enough to confirm the man's identity, causing Sarah to wonder about the veracity of the messages coming through. When she receives The Warning, Sarah decides to disregard it. The tables turn and now Sarah's being hunted instead of being the hunter. How many people have to die to catch one murderer? How far will Sarah go? This book explores the intense violence that she must endure and the absolute horror and reality that has become her life as an Automatic Writer. The Warning begins as a flame,

sparks to a fire and explodes with a violent climax in the life of a girl who talks to the dead in order to help the living. The Hostage

finds herself the focus of a cruel team of sexual predators.

The Coddling of the American Mind Prem Kumar

This volume presents over 200 selected original artworks from the collection of Betsy Beinecke Shirley, one of the great collectors of American children's literature. Shirley gathered an authoritative collection of books, original illustrations, manuscripts, as well as drawings and paintings from such children's classics as "Treasure Island" and "Eloise." The artwork in Shirley's collection guides the reader on a tour through the stages of childhood reading, this volume begins with ABC's and nursery books. It continues through adventure stories, magazines, and more, then concludes with a miscellany section of odds

and ends. The images demonstrate how children's books evolved, from the nation's first days of independence to modern times. Artists whose works are represented include many of the favorites, among them Ludwig Bemelmans, Maurice Sendak, A.B. Frost, Wanda Gag, Peter Newell, N.C. Wyeth, Tony Sarg, Robert Lawson, and Johnny Gruelle.

The prophetic clock is ticking. Lucifer and his army of 'imps' search frantically for the prophetic "Seed of the woman". The memory of God's promise that this seed would rise up and crush the serpent's head stirs them to shadowy demonic activity. Unholy Empire chronicles the duel between God and the fallen angels as both focus their attention on the Seed. The devils watch for any and every sign of the Seed in an all out effort to stop, delay,

compromise, or otherwise destroy this impending prophetic nightmare. If they fail they are all doomed. The second book in the "Chronicles of the Host Series", *Unholy Empire* uncovers the major themes covering the Seed and the people of covenant as well as Lucifer's all-out war against them. It sheds new light on dramatic encounters between Cain and Abel, Moses and Pharaoh, David and Goliath, and others. Createspace Independent Publishing Platform

A TRUE CRIME THRILLER THAT EXPLORES THE DARKEST REGIONS OF ROMANTIC INFATUATION. THE YEAR: 1969 THE SETTING: Berkeley, California THE STORY: Amidst the turmoil of student rebellion two loners encounter each other and turn an innocent flirtation into a dance of death. THE CHARACTERS: Prosenjit Poddar was the brilliant engineering student

who wanted nothing more than to return to his native India a big success and to marry a woman of his parents' choosing. Tanya Tarasoff was the naive coed who just wanted somebody to love. And Larry Moore was the young psychologist who thought he recognized the warning signs that his patient was not just suffering from a jilted love affair... but was about to commit an act of murder. **THE STAKES:** In a culture clash that pits the traditional values of male-dominated India against free-love attitudes of Berkeley in the '60s, an impending tragedy unfolds. Soon Larry Moore finds himself face-to-face with the biggest dilemma of his career. What does a doctor do if he perceives his patient as mentally unstable and a threat to the well-being of another... but is bound by

the oath of doctor-patient confidentiality not to warn the police? This true story tracks Moore's race against time to stop the inevitable. **BAD KARMA** is more than an anatomy of madness; it is also a chronicle of the events that would culminate in a landmark decision handed down by the California Supreme Court. Known simply as Tarasoff, this 1976 ruling would change the oath of confidentiality between therapist and patient, and establish the rule that a mental health professional has the legal duty to protect a threatened individual. Ensnared St. Martin's Press "Famous American Statesmen" is a collection of ten biographical sketches of America's most famous statesmen, published in 1888. The book focuses on the lives of George Washington, Benjamin

Franklin, Thomas Jefferson, Alexander Hamilton, Andrew Jackson, Daniel Webster, Henry Clay, Charles Sumner, Ulysses S. Grant, and James A. Garfield *The Seeds of New Earth* (the Silent Earth, Book 2) Adaptive Books In this town, I'm free from shame A place where everyone knows my name Glamorizing corpses to feed a need That's why they call me Skeleton King They all worship me, but they don't know the real me All they see is my painted face Truth is, I'm terrified, all the hope inside me died Death and cold will forever be my morbid fate Then she showed me something more Somehow stealing death's allure **Trigger Warning:** This book contains many triggers and this warning should be taken seriously. The sexual and graphically depicted scenes in this novel are not for the squeamish and will be disturbing for some readers.

He was supposed to be a myth. But from the moment I crossed the River Styx and fell under his dark spell...he was, quite simply, mine. *A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet. * Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade. With no options left, Persephone flees to the forbidden undercity and

makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed. Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...

In this post-apocalyptic novel from Newbery

Medal – winning author Robert C. O' Brien, a teen girl struggling to survive in the wake of unimaginable disaster comes across another survivor. Ann Burden is sixteen years old and completely alone. The world as she once knew it is gone,

ravaged by a nuclear war that has taken everyone from her. For the past year, she has lived in a remote valley with no evidence of any other survivors. But the smoke from a distant campfire shatters Ann ' s solitude. Someone else is still alive and making his way toward the valley. Who is this man? What does he want? Can he be trusted? Both excited and terrified, Ann soon realizes there may be worse things than being the last person on Earth.

Neon Gods Yale University Press

When Sarah Roberts blacks out, she wakes to find prophetic notes mysteriously written by her own hand. After receiving a message that someone is about to be kidnapped with instructions on how to stop it, Sarah's convinced it won't be hard to do. She is wrong. The kidnappers take Sarah instead. She's thwarted them in the past, and they want to know how she keeps showing up where she has

no business being. Sarah needs help from the police, but they're hunting her for a different reason. They found her notebook riddled with prophetic messages, linking her to crimes and unsolved cases. Is she a vigilante keeping score? Or on a citywide crime spree? Armed with a note that simply states, save yourself, Sarah struggles to stay alive using her wit and street smarts. Several years ago, someone murdered Sarah's sister, Vivian. Now, communicating with Sarah from the other side, they'll hunt the man who did it and the people who would do it again--to Sarah.

The Life-Changing Magic of Not Giving a F**k Broadway
This portrait of social change in the North China plain depicts how the world of the Chinese peasant evolved during an era of war and how it in turn shaped the revolutionary process. The

book is based on evidence gathered from archives and interviews with villagers and rural officials.

Killing the Black Body DigiCat
Ten years in the works, a masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. "The tragedies keep coming. As we reel from the latest horror . . ." So begins a new epilogue, illustrating how Columbine became the template for nearly two decades of "spectacle murders." It is a false script, seized upon by a generation of new killers. In the wake of Newtown, Aurora, and Virginia Tech, the imperative to understand the crime that sparked this plague grows more urgent every year. What really happened April 20, 1999? The horror left an indelible stamp on the American psyche, but most of what we "know" is wrong. It wasn't about jocks, Goths, or the Trench Coat Mafia. Dave Cullen was one of the first reporters on scene, and spent

ten years on this book-widely recognized as the definitive account. With a keen investigative eye and psychological acumen, he draws on mountains of evidence, insight from the world's leading forensic psychologists, and the killers' own words and drawings-several reproduced in a new appendix. Cullen paints raw portraits of two polar opposite killers. They contrast starkly with the flashes of resilience and redemption among the survivors. Expanded with a New Epilogue
