With life lessons she's learned and new insights from the story of Eve, Sarah Jakes Roberts shows you how past disappointments, struggles, and even mistakes can be used today to help you become the woman God intended. Who would imagine being friends with Eve—the woman who's been held responsible for the fall of humanity (and cramps)

---

for thousands of years?  
Certainly not Sarah Jakes Roberts. That is, not until Sarah discovered she is more like Eve than she cares to admit. Everyone faces trials, and everyone will mess up. But failure should not be the focus. Your focus should not be on who you were but rather the pursuit of who you can become. In *Woman Evolve*, Sarah helps you understand that your purpose in life does not change; it evolves. Making her mistake in the Garden of Eden, Eve became the first woman to deal with rebuilding her life in the aftermath of her past. Eve knew better, but she didn't do better. With scriptural lessons, Eve as the framework, and Sarah as your guide you will discover and work through: Past issues and insecurities that haunt you  
Seeing yourself as God sees you and trusting Him with who you really are  
How to come out of darkness and pursue a

real relationship with God  
Why it's important to truly care for yourself  
Setting in motion the beautiful seed that God planted in you  
Your fears and insecurities may have changed how you viewed God, others, and yourself, but in *Woman Evolve*, you can break through and use past mistakes to revolutionize your life. Like Eve, you don't have to live your future defined by your past.

An eye-opening look at the invisible workers who protect us from seeing humanity's worst on today's commercial internet  
Social media on the internet can be a nightmarish place. A primary shield against hateful language, violent videos, and online cruelty uploaded by users is not an algorithm. It is people. Mostly invisible by

design, more than 100,000 its workers. This revealing commercial content moderators evaluate posts on mainstream social media platforms: enforcing internal policies, training artificial intelligence systems, and actively screening and removing offensive material—sometimes thousands of items per day. Sarah T. Roberts, an award-winning social media scholar, offers the first extensive ethnographic study of the commercial content moderation industry. Based on interviews with workers from Silicon Valley to the Philippines, at boutique firms and at major social media companies, she contextualizes this hidden industry and examines the emotional toll it takes on

investigation of the people “behind the screen” offers insights into not only the reality of our commercial internet but the future of globalized labor in the digital age. The Arminian Magazine Sarah Roberts Series Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality only compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage

---

ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

*Killing Sarah* (Sarah Roberts Book Nine) Sarah Roberts receives a phone call from her colleague Parkman. They must meet immediately as it's a matter of life and death. Because Parkman is a close friend, Sarah ignores a warning to stay away. When Sarah

is shot, Parkman fires on the retreating vehicle but misses. When they get to the hospital, the police question Parkman about who really shot Sarah. After emergency surgery to remove the bullet and reduce the swelling in Sarah's brain, preliminary results showed the bullet came from Parkman's gun. No one can find her when he asks to visit Sarah in the ICU. To his shock, he's informed that Sarah Roberts was never admitted to their hospital, and the doctor Parkman was talking to earlier about her condition has mysteriously disappeared. Sarah is gone. When Sarah wakes up, she has retrograde amnesia, leaving her with temporary short-term memory loss. All she can remember of the night she was shot is the image of a man named Parkman standing in front of her with a gun in his hand. Yet the people who shot Sarah are still after her, and the pain of betrayal goes deeper than the physical wound as Sarah hunts for her former friend while sorting the memories that return in pieces. excavating their life stories from the records of criminal justice systems and relief organizations. Vagrants and Vagabonds examines the subsistence activities of the mobile poor, from migration to wage labor to petty theft, and how local and state municipal authorities criminalized these activities, prompting extensive punishment. Kristin O'Brassill-Kulfan examines the intertwined legal constructions, experiences, and responses to these so-called "vagrants," arguing that we can glean important insights about poverty and class in this period by paying

careful attention to mobility. This book charts why and how the itinerant poor were subject to imprisonment and forced migration, and considers the relationship between race and the right to movement and residence in the antebellum US. Ultimately, Vagrants and Vagabonds argues that poor migrants, the laws designed to curtail their movements, and the people charged with managing them, were central to shaping everything from the role of the state to contemporary conceptions of community to class and labor status, the spread of disease, and punishment in the

Losing Sarah (Sarah Roberts Book Sixteen)  
A vigilante connected to the other side, Sarah Roberts has faced several enemies throughout her career. But in Losing Sarah, the enemy is herself. Addicted to heroin after her captivity by the Enzo Cartel, she's looking for one more fix to gather the strength to fight the urge. She finds a dealer in Mexico, but the transaction is interrupted by a robbery at a casino, leaving Sarah in police custody. Burned out and in withdrawal, Sarah feels lost and finished. She didn't tell her boyfriend where she was going; now he can't find her.

He pools his resources with their trusted friend, Parkman, to search for Sarah, and they discover something suspicious. A man from Sarah's past, who supposedly died years ago, is seen on the hotel lobby's cameras talking to Sarah before she disappears into police custody. Her reaction to the video tells Parkman she is as stunned as he is to see this man back from the dead. When Sarah's released from the Mexican holding cell, she falls into the clutches of a woman bent on revenge for past transgressions and rich enough to mete out violent consequences. Hope is an expense she can't afford. The currency of faith bleeds her dry. When Vivian

The Haunted (Sarah Roberts Book Twelve)  
Two decades ago, Sarah's sister Vivian was murdered. Her dead sister's consciousness is now merging into Sarah's mind at a new level, causing Sarah to relive Vivian's brutal death almost daily. Sarah moves into a cabin in northern California to be alone and to work

things out. She visits a local psychologist to deal with what's happening and researches the name Cole Lincoln, her old babysitter. Lincoln was a police officer who lived next door years ago. He abused her and threatened her life if she ever told anyone. But he seems to have disappeared. Members of the police force where he used to work won't even acknowledge his name. Since Sarah's name hit the national media with a cop killing in Canada and the priest killer case in Los Angeles, Cole has followed her exploits, watched her, and waited for the day she would come after him. That day has come. While Sarah tries to deal with the haunting flashes of memory and images, Lincoln calls

A sweeping retrospective exploring the oeuvre of an incandescent artist, revealing the ways that Mitchell expanded painting beyond Abstract

Expressionism as well as the transatlantic contexts that shaped her Joan Mitchell (1925-1992) was fearless in her experimentation, creating works of

---

unparalleled beauty, strength, and emotional intensity. This gorgeous book unfolds the story of an artistic master of the highest order, revealing the ways she expanded abstract painting and illuminating the transatlantic contexts that shaped her. Lavish illustrations cover the full arc of her artistic practice, from her exceptional New York paintings of the early 1950s to the majestic multipanel compositions she made in France later in her

career. Signature works are represented here along with rarely seen paintings, works on paper, artist's sketchbooks, and photographs of Mitchell's life, social circle, and surroundings. Featuring scholarly texts, in-depth essays, and artistic and literary responses, this book is organized in ten chronological chapters. Each chapter centers on a closely related suite of paintings, illuminating a shifting inner landscape colored by experience,

Clarkson Potter  
A Murder in Time: A  
Non-Stop Thriller The  
only way Marcus  
Johnson can get

serious cash is to steal it. He's convinced it's the perfect plan. Once the job is done and the money is stashed in his car, he will call the police to divert suspicion from him. But he can't stop what happens next because he stole from the wrong people, and they come after him. He goes insane with despair when his new girlfriend pays the ultimate price, and he begs God for a chance to right his wrong, but He isn't listening. When Marcus runs from his girlfriend's murderers, he slips through time and lands in the parking lot of the store he robbed—a night earlier. He spots himself inside, preparing to commit the crime that started everything, and
