women into being sterilized as late as the 1970s, these abuses pointed to the degradation of Black motherhood—and the exclusion of Black women’s reproductive needs in mainstream feminist and civil rights agendas. “Compelling. . . . Deftly shows how distorted and racist constructions of black motherhood have affected politics, law, and policy in the United States.” —Ms.

The Choking Game Sourcebooks, Inc.

Sally Phipps was only three years old and the veteran winner of several beautiful baby contests when she appeared as the Baby in the film "Broncho Billy And The Baby." It was made at the Niles California Essanay Studio in late 1914. This book follows her amazing life and a career that culminated in her receiving the Rosemary (for remembrance) Award shortly before her death in 1978. Her memories of the early years at Essanay include sitting on Charlie Chaplin's lap and

Killing the Black Body remains a rallying cry for education, awareness, and action on extending reproductive justice to all women. It is as crucial as ever, even two decades after its original publication. "A must-read for all those who claim to care about racial and gender justice in America." —Michelle Alexander, author of *The New Jim Crow* In 1997, this groundbreaking book made a powerful entrance into the national conversation on race. In a media landscape dominated by racially biased images of welfare queens and crack babies, *Killing the Black Body* exposed America’s systemic abuse of Black women’s bodies. From slave masters’ economic stake in bonded women’s fertility to government programs that coerced thousands of poor Black

enduring a frightening stage coach accident. In her teens, she was a Fox Studio star appearing in 20 films, including a cameo in the classic "Sunrise." There were bad times also. She was on the set of her Fox two-reel comedy "Gentlemen Prefer Scotch" in 1927 when word reached her of the scandalous death of her father, a state senator. But in that same year, she was selected as one of the 13 Wampas Baby Stars, starlets that were considered destined for future success. Despite her popularity in Hollywood, she left for New York where she became the darling of gossip columnists, particularly Walter Winchell. She appeared in two Broadway shows, made a Vitaphone comedy short, and married and divorced one of the Gimbel department store moguls before she darted off for India and around the world travel. Back in New York, there was another marriage, two children, and later a stay in Hawaii. Earl Wilson wrote about her in 1938 when she was working for the Federal Theatre Project during the WPA period -- headlining his column "Wampas Ex-Baby Lives On WPA \$23 - And Likes It." Her images - especially her pinup photographs - have become highly collectible. The book features 150 pictures

from Sally's personal and professional life, including glamorous portraits and pinups. The Tory Lover The Warning Sarah Roberts has spent the last four years helping people stay alive and escape near death experiences as messages from the dead come to her. She receives a daunting communication from the Other Side regarding her sister's murderer and where she can find him. The message isn't clear enough to confirm the man's identity, causing Sarah to wonder about the veracity of the messages coming through. When she receives The Warning, Sarah decides to disregard it. The tables turn and now Sarah's being hunted instead of being the hunter. How many people have to die to catch one murderer? How far will Sarah go? This book explores the intense violence that she must endure and the absolute horror and reality that has become her life as an Automatic Writer. The Warning begins as a flame, sparks to a fire and explodes with a violent climax in the life of a girl who talks to the dead in order to help the living. The Hostage In colonial America, the system of "warning out" was distinctive to New England, a way for a community to regulate those to whom it would extend welfare. Robert Love's Warnings animates this nearly forgotten aspect of colonial life, richly detailing the moral and legal basis of the practice and the religious and humanistic vision of those who enforced it.

Historians Cornelia H. Dayton and Sharon V. Salinger follow one otherwise obscure town clerk, Robert Love, as he walked through Boston's streets to tell sojourners, "in His Majesty's Name," that they were warned to depart the town in fourteen days. This declaration meant not that newcomers literally had to leave, but that they could not claim legal settlement or rely on town poor relief. Warned youths and adults could reside, work, marry, or buy a house in the city. If they became needy, their relief was paid for by the province treasurer. Warning thus functioned as a registration system, encouraging the flow of labor and protecting town coffers. Between 1765 and 1774, Robert Love warned four thousand itinerants, including youthful migrant workers, demobilized British soldiers, recently exiled Acadians, and women following the redcoats who occupied Boston in 1768. Appointed warner at age sixty-eight owing to his unusual capacity for remembering faces, Love kept meticulous records of the sojourners he spoke to, including where they lodged and whether they were lame, ragged, drunk, impudent, homeless, or begging. Through these documents, Dayton and Salinger reconstruct the biographies of travelers, exploring why so many people were on the move throughout the British Atlantic and why they came to Boston. With a fresh interpretation of the role that warning played in Boston's civic structure and street life, Robert Love's

Warnings reveals the complex legal, social, and political landscape of New England in the decade before the Revolution.

The Earth is in ruins. Cities and nations destroyed. Mankind is extinct. Brant and Arsha are synthetics, machines made in the image of people. They dream of bringing humans back into the world and have the technology to succeed, but the obstacles in their way are mounting. Not only are their own conflicting ideals creating a rift between them, but now the sinister Marauders are closing in as they seek revenge on Brant. Out in the wasteland, strange lights and mysterious objects in the sky herald the arrival of new factions that seek to control the region. Even in the once quiet streets of their own city, malevolent forces are beginning to unfurl that threaten the sanctity of everything they hold dear, jeopardising the future that is within their grasp. As eighteen-year-old Cheryl Hunter escapes rural Colorado for the bright lights of Europe, she does so with nothing more than an over-packed suitcase and a dream. Once there, her mind is bent on solving one problem alone: how does a small-town cowgirl pull off the feat of becoming an international supermodel? When Cheryl is abducted, raped and brutally beaten instead, she is faced with solving a much bigger problem: how does she survive? Using her journey of rising from the ashes as fuel, Hunter delivers a step-by-step method that can be applied by anyone who has ever dealt with less-than-favorable circumstances. In a world where—let's face it—life often hijacks our personal agendas, Cheryl shows you how to immediately take back the reins, design a life you love, and become the unstoppable force of nature you were born to be.

The Warning

The Second Sleep Simon and Schuster

When the body of a missing nanny is found anchored to the bottom of a bog, police Lieutenant John Jarad fears that this year The Whistler is upping his twisted game, and that more women may be in danger. When Sarah takes a barmaid's job at The Tap Room, a Nantucket pub, she is looking for a safe haven, a place of rest. Instead, Sarah finds herself the focus of a cruel team of sexual predators.

Killing the Black Body Penguin

This portrait of social change in the North China plain depicts how the world of the Chinese peasant evolved during an era of war and how it in turn shaped the revolutionary process. The book is based on evidence gathered from archives and interviews with villagers and rural officials.

Robert Love's Warnings Del Rey

#1 New York Times bestselling author Nora Roberts begins a new trilogy of adventure, romance, and magick in *The Awakening*. In the realm of Talamh, a teenage warrior

named Keegan emerges from a lake holding a sword—representing both power and the terrifying responsibility to protect the Fey. In another realm known as Philadelphia, a young woman has just discovered she possesses a treasure of her own... When Breen Kelly was a girl, her father would tell her stories of magical places. Now she's an anxious twentysomething mired in student debt and working a job she hates. But one day she stumbles upon a shocking discovery: her mother has been hiding an investment account in her name. It has been funded by her long-lost father—and it's worth nearly four million dollars. This newfound fortune would be life-changing for anyone. But little does Breen know that when she uses some of the money to journey to Ireland, it will unlock mysteries she couldn't have imagined. Here, she will begin to understand why she kept seeing that silver-haired, elusive man, why she imagined his voice in her head saying Come home, Breen Siobhan. It's time you came home. Why she dreamed of dragons. And where her true destiny lies—through a portal in Galway that takes her to a land of faeries and mermaids, to a man named Keegan, and to the courage in her own heart that will guide her through a powerful, dangerous destiny...

From the internationally best-selling author of *Fatherland* and the *Cicero Trilogy*--a chilling and dark new thriller unlike anything Robert Harris has done before. 1468. A young priest, Christopher Fairfax, arrives in a remote Exmoor village to conduct the funeral of his predecessor. The land around is strewn with ancient artefacts--coins, fragments of glass, human bones--which the old parson used to collect. Did his obsession with the past lead to his death? Fairfax becomes determined to discover the truth. Over the course of the next six days, everything he believes--about himself, his faith, and the history of his world--will be tested to destruction.

If ever a book had a soul, it would be the one you're reading about right now. In 2013, when her son was just six months old, a new mama walked into a bookstore and bought a beautiful, leather-bound journal. Inside she proceeded to pour her soul out and tell her story. What story? The story of what it's truly like to have a child with Down syndrome...the story she wished she could have read the day she found out she would be part of that club. She then packed up the journal and sent it off to her friend many miles away in northern Ontario, Canada. Social media outlets had brought them together, and the sharing of this tangible journal began to bring them even closer. The spirit of the book began to grow as the diary embarked on a journey through twenty-six homes in four different countries finally making its

way back into the hands of that original mama. As the stories were told and the torch was passed, *The Down Syndrome Diary* was born. A journal filled with words, pictures, tears, and even a few wine stains became the greatest gift someone could receive upon hearing that their child has Down syndrome. Opening these pages will give you a glance into the amazing work of art that journal became. Enjoy!

An expert on market volatility shows that the value of the stock market may be significantly inflated and urges cautious optimism, predicting that the market may show poorer performance in the future.

Famous American Statesmen Vintage

Ten years in the works, a masterpiece of reportage, this is the definitive account of the Columbine massacre, its aftermath, and its significance, from the acclaimed journalist who followed the story from the outset. "The tragedies keep coming. As we reel from the latest horror . . ." So begins a new epilogue, illustrating how Columbine became the template for nearly two decades of "spectacle murders." It is a false script, seized upon by a generation of new killers. In the wake of Newtown, Aurora, and Virginia Tech, the imperative to understand the crime that sparked this plague grows more urgent every year. What really happened April 20, 1999? The horror left an indelible stamp on the American psyche, but most of what we "know" is wrong. It wasn't about jocks, Goths, or the Trench Coat Mafia. Dave Cullen was one of the first reporters on scene, and spent ten years on this book--widely recognized as the definitive account. With a keen investigative eye and psychological acumen, he draws on mountains of evidence, insight from the world's leading forensic psychologists,

and the killers' own words and drawings—several reproduced in a new appendix. Cullen paints raw portraits of two polar opposite killers. They contrast starkly with the flashes of resilience and redemption among the survivors. Expanded with a New Epilogue

The Hostage Simon and Schuster

Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career—redefining the very nature of her art—to her amazing (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate—and scandalous—daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.—From publisher description.

The Coddling of the American Mind Yale University Press

He was supposed to be a myth. But from the moment I

crossed the River Styx and fell under his dark spell...he was, quite simply, mine. *A scorchingly hot modern retelling of Hades and Persephone that's as sinful as it is sweet.*

Society darling Persephone Dimitriou plans to flee the ultra-modern city of Olympus and start over far from the backstabbing politics of the Thirteen Houses. But all that's ripped away when her mother ambushes her with an engagement to Zeus, the dangerous power behind their glittering city's dark facade. With no options left, Persephone flees to the forbidden undercity and makes a devil's bargain with a man she once believed a myth...a man who awakens her to a world she never knew existed. Hades has spent his life in the shadows, and he has no intention of stepping into the light. But when he finds that Persephone can offer a little slice of the revenge he's spent years craving, it's all the excuse he needs to help her—for a price. Yet every breathless night spent tangled together has given Hades a taste for Persephone, and he'll go to war with Olympus itself to keep her close...
