Ball says water is a key that unlocks much of Chinese history, philosophy, literature, mythology and culture over the ages. Water has become a metaphor for philosophical thought and artistic expression. From the Han emperors to Mao, the ability to manage water for vital irrigation and flood defence has become a barometer of political legitimacy.

Founded by Joseph Mabley Dent in 1906, with the goal of creating a 1000-volume library of world classics. The goal was reached in 1956. Some numbers appear to have been reused as multi-part works were reissued in single volumes. The series ceased in the 1980s with the sale of JM Dent and Sons, but has since been relaunched by Alfred Knopf.
