The Water Rat of Wanchai | Ian Hamilton Books

The Water Rat was solid, although when read with the short

Dragon Head, it becomes a 550 pager which is a bit much for a mystery-style book high on detail, low on action. Even by itself *Water Rat* is probably 50-75 pages longer than it needs to be. Still solid. about a 70 % book, not that you can score a 3.5 here.
